The Chapter Presidents

**Privacy: Eligibility List**

Dear Tau Bate:

The 1996 Convention recommended that the Executive council seek legal counsel to prepare documents addressing the privacy of eligibility data for prospective initiates. That work has been completed, and two documents were prepared by legal counsel and then approved by the Executive Council on March 16, 1997. Two letters suggested by the committee on Petitions were combined into one letter by counsel.

At your chapter's request, the attached letter and confidentiality agreement will be mailed to your registrar and dean of engineering. Please call me directly if you wish to use these documents or discuss this issue.

Sincerely,

*Jim*
