

Insignia Replica

Guidelines for Use

The Executive Director is empowered by the Executive Council to approve the use of insignia replica under the following guidelines.

- A. Use of the Bent. All replicas must be in the orientation of and in proportion with the official design.
 - 1. The Bent as shown in Constitution Article I, Figure 1.
 - a. Must include the words Tau Beta Pi.
 - b. Should include the words The Engineering Honor Society.
 - 2. The 2000 Logo:
 - a. Must include the words Tau Beta Pi as in the official design.
 - b. Should include the words The Engineering Honor Society as in the official design.
 - c. May NOT include the Greek letters TBP nor motto symbolization.

- B. Shall not cause embarrassment to Tau Beta Pi.

- C. Distribution of items using the design of the name of the Association, the motto symbolization, and/or any insignia replica shall be limited to members of Tau Beta Pi for their use only.

- D. Distribution of any items bearing the name, motto symbolization, and/or insignia replica to members of more than one chapter shall be made through Tau Beta Pi Headquarters or Tau Beta Pi National Officers.
