In order that there may be a more uniform basis for selection of members for Tau Beta Pi, these suggestions are offered. It is expected that a copy of this statement be given each active member before every election, and it may at times serve as a general expression of our policy in the selection of members.

It is the purpose of the Society to mark in a fitting manner those who have conferred honor upon their alma mater by distinguished scholarship and exemplary character as students, or by their attainments as alumni.

Distinguished scholarship, while the primary requisite for admission, must not be considered the sole criterion.

After the scholastic requirements have been fulfilled, the selection shall be based on integrity, breadth of interest both inside and outside of engineering, adaptability, and unselfish activity.

We consider that true integrity is the *sine qua non* for membership in Tau Beta Pi, that it transcends in importance scholarship, activity, and every other qualification. Without private and public integrity, we believe that no organization is worthy of existence. Under integrity, we include honor and high standards of truth and justice.

Breadth of interest sufficient for eligibility in this Association will enable people to maintain their positions in their community by the exercise of qualities other than engineering ability.

True engineers must be able to adapt themselves ingeniously to all circumstances and conditions, making them conform to the desired purpose.

The rating of people on the degree of unselfish activity manifested, is intended to indicate that Tau Beta Pi believes that none can become worthy engineers without the welfare of associates, organizations, and the community at heart. It is furthermore expected that they display willingness to aid and assist in worthy causes by their actual campus record. However, the fact that people may not have shown unselfish activity to an appreciable degree throughout their courses of study is no infallible indication that they would not if the opportunity offered. The most conspicuous illustrations of this are those students who are self supporting, for which due allowance must be made and due credit given. In fine, it is in this capacity for the unstinted giving of their best, without thought of remuneration, that we believe lies one of the most sensitive tests for determining candidates’ rights to bear the name and wear the Bent of Tau Beta Pi.

SECTION 1. Governing Bodies. The Association shall be governed by the Convention and the Executive Council. SECTION 2. Convention. (a) The Convention shall meet annually except as provided in Sections 5(f) and (g) of this Article and shall be composed of one delegate from each chapter (collegiate and alumni), the members of the Executive Council, the Executive Director, the Director of Rituals, the Director of Fellowships, the Director of Engineering Futures, the Director of Alumni Affairs, and one director per district who shall be entitled to one vote each. Representatives of a majority of the collegiate chapters shall constitute a quorum.

(b) The Executive Director of the Association shall, prior to the Convention, appoint an appropriate number of delegates to the following committees: (1) Petitions, (2) Constitution and Bylaws, (3) Chapter and Association Financial Affairs, (4) Rituals, (5) Convention Site, (6) Resolutions, (7) Awards, and such other committees as the Executive Council may authorize. One or more officers or directors of the Association shall be appointed to act as advisor(s) to each committee. These committees shall meet on the first day of the Convention to consider the respective subjects and later shall present their reports to the Convention.

(c) The President and the Executive Director shall, prior to the Convention, prepare an order of business for recommendation to the Convention. See Bylaw I, Sec. 1.02.

(d) The collegiate and alumni chapters and Association officials may submit nominations for permanent Convention Chair to the Executive Council by June 1 of the Convention year for which the Chair will be selected. After consideration of these nominations, the Executive Council shall appoint a permanent Chair of the Convention in advance of each Convention. (e) The Convention shall set the size of the Executive Council.

(f) The Convention shall elect the members of the Executive Council as hereinafter provided and fill vacancies for the remainder of the terms of office vacated. See Const. Art. III, Sec 3(g) and Const. Art. III, Sec. 6.

(g) The Convention shall consider and vote on all petitions for the establishment of new collegiate chapters, the abolishment of chapters, and matters of discipline presented by the Executive Council. See Const. Art. VI, Sec. 3; Art. IX, Sec. 2; and Bylaw VIII, Sec. 8.04.

(h) The Convention shall levy such assessments upon the chapters as may be necessary for the support of the Association and the Executive Council.

(i) The Convention may fix the time and place of the annual Convention not more than three years in advance.

(j) The Convention shall be the final Court of Appeal in all questions of interpretation of the Constitution and Bylaws and in all matters of discipline. See Const. Art. IX.

(k) The Convention may enact Bylaws for the Association. The procedure for amendment of the amending procedure of such Bylaws shall follow the same requirements for amending the Constitution as set forth in Article XVIII. See Bylaw XV, Sec. 15.04.

SECTION 3. Executive Council. (a) The Executive Council shall consist of no more than twelve voting members who are alumni and no fewer than the minimum in accordance with state law. They shall serve without compensation for staggered terms of three years, or until their successors are chosen and qualified. The members of the Council shall be elected
by the Convention. Members are limited to two consecutive three-year terms with at least one year off before being eligible to take office again. The Executive Director shall serve as a non-voting member of the Executive Council.

(b) Any chapter, collegiate or alumni, may nominate one or more members who are alumni to serve on the Executive Council. Such nomination shall be made to the Executive Council before April 1 preceding the Convention at which the election is to be held. Elections shall be held every year.

(c) A chapter making a nomination shall vouch for the willingness of each of its nominees to serve actively on the Executive Council for a term of three years if elected.

(d) The Council shall cause to be published in July to the chapters, for their consideration, a list of the nominated individuals and information concerning each person so nominated.

(e) If a nominee dies or becomes unavailable for election prior to the Convention at which the election is to be held, the nominating chapter may present the name of a replacement through the Executive Director to each chapter delegate prior to the election.

(f) The Convention shall vote only on the nominated individuals, except that if the number of nominees is less than the number of vacancies, any delegate to the Convention may nominate eligible members who are alumni to serve on the Executive Council, provided the delegate is certain that the nominees are willing to serve if elected.

(g) Each vacant seat on the Executive Council shall be filled in turn by the favorable vote of a majority of the qualified voters registered at the Convention. All nominees who have not been elected to a seat on the Executive Council shall be candidates for the seat under consideration. Voting shall be repeated until the seat is filled. If a candidate receives a majority vote or if only one candidate remains, that candidate shall be elected to the seat. If no candidate receives a majority, the candidate receiving the fewest votes shall be dropped from further consideration for the seat in question. The numerical results of each ballot will be made known to the Convention before any subsequent ballots are cast.

(h) The newly elected members of the Executive Council shall take office on January 1 of the year following their election.

SECTION 4. Council Officers. (a) The Executive Council shall meet following the Convention each year for the purpose of selecting a Vice President, a Secretary, and a Treasurer from the members of the Council. The Vice President shall automatically become the President the following year. All Council offices shall be for a period of one year or until a successor is elected. The remaining members of the Council shall be known as Councillors.

(b) The President shall preside at all meetings of the Council. The Vice President shall perform the duties of the President in the case of absence of the President or the inability of the President to act. The Secretary shall keep accurate minutes of all meetings of the Council and maintain an official minute book with the minutes of each meeting signed by the President and the Secretary. A signed copy of the minutes shall be furnished to and maintained on file by the Executive Director of the Association at Headquarters.

(c) If a vacancy occurs in any office of the Executive Council, the Council shall select one of its members to fill the vacancy.

SECTION 5. Council Responsibilities. (a) The Executive Council shall assume leadership of the Association. It shall study, or appoint committees for studying, such subjects as from time to time seem desirable. The Council may prepare legislation, amendments, proposals for change, etc., for consideration by the chapters, or by the Convention, or both. The active membership of any collegiate chapter shall consist of all undergraduate members, either by chapter initiation or by transfer (see Bylaw VI, Section 6.07), and graduate student members who have indicated in writing their desire to be fully active in chapter affairs except as stated in Bylaw VI, Section 6.06, and such alumnus members as have expressed in writing to the president of the chapter their desire either to continue or to assume the responsibilities of active membership and have been formally accepted by the chapter. An active alumnus member of a collegiate chapter shall not have the right of voting on new members and on the amounts of the initiation fee, dues, assessments, and fines. An alumnus member shall cease to be an active member of a chapter when leaving the college or by resignation.

SECTION 2. Petition for Chapter. (a) A preliminary petition for the establishment of a collegiate chapter may be made by students and graduates of any regionally accredited college or university who are eligible under Article VIII of the Constitution. This petition shall be addressed to the Executive Council to reach Headquarters prior to June 1 of the calendar year before the Convention would take action on it. The petition shall be made in accordance with the requirements of Bylaw IV, shall set forth the desires of the petitioners, and shall pledge their willingness to subscribe to and obey the Constitution and Bylaws. The petition shall include a statement of approval for the establishment of a chapter by appropriate authorities of the institution. The petition shall contain a statement certified by authorities at the institution that each of the petitioners meets the eligibility requirements specified in Article VIII of the Constitution and Bylaws.

(b) The Executive Council shall review the preliminary petition and determine if the institution is qualified for detailed inspection. If the Council determines that the institution is qualified for it, this inspection shall be made in accordance with the Bylaws. If the Council determines that the institution is not qualified for inspection, the petitioners shall be advised and the reasons therefore given to them, and this action shall be reported to the next Convention. The Convention may sustain the action of the Council, or it may vote to request the Council to proceed with an inspection in accordance with the Bylaws.

(c) The Executive Council shall consider the report and recommendation of the Inspection Committee as prescribed in Bylaw IV, Sec. 4.02. The decisions of the Inspection Committee and the Council will be reported to the Convention following the inspection.

(1) If the Council approves, the petitioners shall submit copies of a formal petition and catalog in accordance with the Bylaws for the Petitions Committee of the Convention. The formal petition will include any required updates or changes to the preliminary petition.

(2) If the Council considers further actions by the petitioners necessary, conditional approval may be given to allow correction of the specified deficiencies prior to June 1 of the year in which the Convention would take action on the petition. The Council would then reconsider its decision and visit the institution if necessary.

(3) If the Council disapproves, the Convention may approve the preliminary petition and request the petitioners to submit a formal petition in accordance with the Bylaws, to be considered by the next Convention.

SECTION 3. Vote on Chapters. A collegiate chapter shall be established or abolished, and a charter granted or withdrawn, only by at least a three-fourths majority of the total accredited votes of the Convention, taken by recordable voting method.
SECTION 4. Installation. When the establishment of a chapter is voted by the Convention, the Executive Council shall cause to be prepared an official charter, official roll and record books, and a copy of the Constitution and Bylaws, and shall proceed, in person if feasible or by an appointed deputation if not, to take these documents, to initiate the new members, and to install the petitioners according to the rituals and ceremonies of the Association. The charter shall be carefully preserved by the officers of the chapter.

A chapter shall enact Bylaws for its own guidance, and such Bylaws shall not be in conflict with the Constitution and Bylaws and shall not be suspended except with the written consent of a majority of the Advisory Board of the chapter. Internal business of a chapter may be conducted in its local language and currency. See Bylaw V, Sec. 5.03(d)(6).

SECTION 6. Officers. The officers of each chapter shall be a President, a Vice President, a Recording Secretary, a Corresponding Secretary, and a Treasurer, who shall be active members of the chapter, and four alumnus advisors, all of whom shall be elected by the chapter. The duties of these officers shall be those usually performed by persons holding such offices, and as the Constitution and Bylaws and the Bylaws of the chapter shall prescribe. See Bylaw V.

SECTION 7. Advisory Board. (a) The Advisory Board of the chapter shall consist of the President, the Vice President, and the Corresponding Secretary of the chapter, and the four alumnus advisors elected by the chapter. In first organizing the Advisory Board of any chapter, the four alumnus members shall be elected to serve for periods of one, two, three, and four years respectively, and thereafter one member shall be elected each spring, to hold office for four years. See Bylaw V, Sec. 5.03(g).

(b) The Advisory Board shall act as an advisory and judiciary committee to determine the advisability of any action taken or proposed by the chapter. Such action may be referred to it by a vote of the chapter or brought before it by a petition of a minority of the same, or the Board may review such action on its own initiative. All changes in the Bylaws of a chapter must be submitted to, and approved by, the Advisory Board before going into effect. The Advisory Board, by a majority vote, may forbid any such action or change, subject to an appeal to the Executive Council of the Association.

SECTION 8. Proxy. A member of a chapter shall not be allowed to vote by proxy.

SECTION 9. Meetings. Each collegiate chapter may arrange for and hold such meetings as it desires, but at least one business meeting and one general meeting of a social, literary, or technical character shall be held each term, quarter, or semester, except in the summer, in addition to the meetings held for the consideration, election, and initiation of candidates for membership.

Article VII
Alumni Chapters

SECTION 1. Application and Membership. (a) An alumni chapter may be chartered by the Executive Council when application is made by at least ten members of the Association and upon payment to the Association of a charter fee as specified in the Bylaws.

(b) An alumni chapter shall be composed of members of Tau Beta Pi who are not undergraduate students and who have signified their desire to become affiliated with an alumni chapter and their willingness to comply with its Bylaws.

(c) The annual dues of an alumni chapter to the Association, as specified in the Bylaws,
shall be payable to the Executive Director of the Association on the first day of January of each year. See Bylaw III, Sec. 3.01(d)(12).

SECTION 4. Convention Representation. (a) Each alumni chapter may be represented by one or more delegates at the Convention, and if represented, it shall have one vote in the Convention, provided that the alumni chapter has paid its annual dues to the Association. A delegate from an alumni chapter shall represent that chapter only.

(b) The on-site expenses of the delegate of an active alumni chapter to the Convention shall be paid by the Association to the same extent as the collegiate delegates.

SECTION 5. District Activities. An alumni chapter shall cooperate with the director(s) of the district to which it is assigned and shall participate in the activities of its district to the extent of the capability of its members.

Article VIII

Membership

SECTION 1. Election. (a) There shall be only one class of members, but for convenience, they shall be called undergraduate members if they are undergraduate students, graduate student members if they are graduate students, and alumni members if they are no longer in college.

(b) All candidates for membership shall be elected by a collegiate chapter. They shall be initiated in a formal ritual ceremony (see Const. Art. I, Sec. 8) either by the chapter, by another chapter designated by the Executive Director, or by a group of members designated by the Director of Rituals or the Executive Council. See Const. Art VI, Sec. 4; and Bylaw I, Sec. 1.07.

(c) The election of all members shall be by a secret ballot and by a majority of the active chapter membership eligible to vote thereon. See Bylaw V, Sec. 5.07; and Bylaw VI, Sec. 6.03.

(d) Normally, there shall be two elections and initiations of students held each year, namely, near the beginning of the first and second quarters, terms, or semesters (or, at the option of the chapter, the first and third quarters) of the college year. See Bylaw VI, Sec. 6.01(a).

(e) On recommendation of the Advisory Board, the Executive Council may authorize special elections or initiations other than those just specified. See Bylaw VI, Sec. 6.01(b).

SECTION 2. Eligibility of Undergraduate Students. (a) To be eligible for election, the candidate shall be a student pursuing an undergraduate engineering curriculum of the institution. An engineering curriculum is defined as one that meets any of the following criteria: (i) is accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology (EAC/ABET) or its engineering-accreditation successor(s); (ii) is administered by a unit (a department, school, or college) of engineer-
C-VIII, 2 (a)

ing and has the same name as any program accredited as described in criterion (i); or (iii) is administered by a unit of engineering and includes the noun ‘engineering’ in its name. Candidates for membership shall meet the scholarship provisions of the Constitution and shall have exemplary character as enunciated in the Eligibility Code of the Association.

(b) A chapter may appeal to Convention the eligibility of students of other undergraduate curricula that: (i) are administered by a unit of engineering of the institution; (ii) have received the three-fourths favorable vote of the active chapter membership eligible to vote thereon (see Const. Art. VI, Sec. 1); and (iii) have received the five-sevenths favorable vote of the Advisory Board of the chapter. Such curricula that have received the approval of Convention shall be considered engineering curricula as well.

(c) A chapter may decide for itself by a three-fourths majority vote, subject to the five-sevenths approval of its Advisory Board, to exclude from eligibility all students of a particular undergraduate curriculum that, in the opinion of the chapter, is not an engineering curriculum. Curricula satisfying criterion (i) of Const. Art. VIII, Sec. 2(a) may not be excluded.

(d) A chapter must list in the Bylaws of the chapter all curricula that it deems worthy to qualify a candidate for eligibility. See Bylaw V, Sec. 5.03(d)(6).

(e) Juniors who are scholastically in the upper eighth of all juniors of curricula listed in the chapter’s Bylaws per Subsection (d) shall be eligible for election.

(f) To be considered juniors, students shall be in the next-to-the-last year of their curriculum or shall have completed the institution’s requirements for junior standing. In institutions with a cooperative program, students may be regarded as juniors when fifty percent of the institution’s specified undergraduate academic degree requirements have been completed.

(g) Seniors who are scholastically in the upper fifth of all seniors of curricula listed in the chapter’s Bylaws per Subsection (d) shall be eligible for election.

(h) To be considered seniors, students shall be in the last year of their curriculum or shall have completed the institution’s requirements for senior standing. In institutions with a cooperative program, students may be regarded as seniors after having completed seventy-five percent of the undergraduate academic degree requirements specified by the institution.

(i) The upper eighth and fifth of a class shall be determined by the relative point ratings (except as noted below) based upon the net number of regular engineering students enrolled in the junior and senior classes respectively at the time of election. See Bylaw VI, Sec. 6.02. If a chapter is unable to obtain the relative point ratings or fulfill the requirements of Bylaw VI, Section 6.02 and/or Section 6.04, the chapter shall submit in writing the method used for determining the upper eighth and fifth to the Executive Council for approval or disapproval.

(j) Special students and those students who are not candidates for an engineering degree shall not be counted, and transfer students who are not eligible for election need not be counted, in determining the enrollment or the numbers who are eligible for election.

(k) Undergraduate students transferring from another institution shall not be eligible for election until the third regular election after their registration. Students subject to this subsection shall be eligible at the second regular election after their registration, provided the consent of five-sevenths of the Advisory Board is obtained and they meet the other requirements for election. See Bylaw VI, Sec. 6.02(d).

(l) The cases of students whose eligibility is in doubt because of irregular standing or curriculum shall be referred to the Advisory Board of the chapter and to the Executive Council for the determination of the terms and times of eligibility.

(m) The existence of conditions or failures in a student’s undergraduate record shall not prevent consideration and election, provided the point-rating is within the upper eighth or fifth of the class.

SECTION 3. Eligibility of Graduate Students. (a) A chapter may elect to membership any candidate in a graduate engineering curriculum (see Section 2(a) for the definition
of an engineering curriculum) at its institution after the student has been enrolled for one semester or two quarters and has completed at least fifty percent of the degree requirements, including coursework and research, as determined by the student’s primary academic advisor.

(b) A chapter may appeal to Convention the eligibility of students of other graduate curricula that: (i) are administered by a unit of engineering of the institution; (ii) have received the three-fourths favorable vote of the active chapter membership eligible to vote thereon (see Const. Art. VI, Sec. 1); and (iii) have received the five-sevenths favorable vote of the Advisory Board of the chapter.

(c) A chapter may decide for itself by a three-fourths majority vote, subject to the five-sevenths approval of its Advisory Board, to exclude from eligibility all students of a particular graduate curriculum that, in the opinion of the chapter, is not an engineering curriculum. Curricula satisfying criterion (i) of Section 2(a) may not be excluded.

(d) A chapter must list in its Bylaws all graduate engineering curricula that it deems worthy to qualify a candidate for eligibility. See Bylaw V, Sec. 5.03(d)(6).

(e) Complete proof of the worthiness of a candidate for election shall be presented in writing to the Executive Director of the Association. Such proof shall include: (i) evidence of the candidate’s scholastic eligibility, consisting of certification of the standing in the top fifth of the graduate class. If, and only if, class rank cannot be determined, a statement by a faculty member that the candidate is doing graduate work of the quality expected of a member of the Association shall be substituted for class-rank certification; (ii) a list of the degree(s) held by the candidate, the institution(s) which granted the degree(s), and the year in which each degree was granted; and (iii) a statement from the Advisory Board of the chapter that it believes the candidate to be worthy of membership in the Association and approves election of the student. See Bylaws VI, Sec. 6.04(a) and (b); and VIII, Sec. 8.04.

SECTION 4. Eligibility of Alumni of Own Institution. (a) A chapter may elect to membership any alumnus of its institution who:

(1) Graduated before the establishment of the chapter at that institution and who would have been eligible for membership had the chapter existed prior to the graduation of the alumnus.

(2) Was eligible as an undergraduate or graduate student but was overlooked rather than considered and rejected, or was eligible under the provisions of Section 2 or 3 but was not considered because of the scholastic rules of the chapter at that time.

(3) Was elected while an undergraduate or graduate student but refused membership at that time for financial or other reasons. See Const. Art VIII, Sec. 10.

(4) Was considered eligible as an undergraduate or graduate student at the last election held before graduation but was rejected for reasons judged proper by the chapter at that time. A candidate may be elected under this subsection only by a seven-eighths favorable vote of the active membership of the chapter.

(5) Was not eligible at the last election held before the candidate’s graduation, but who graduated in the upper fifth of the candidate's undergraduate or graduate class.

(b) All elections under this section shall comply with the applicable provisions of Section 7.

SECTION 5. Eligibility of Alumni of Other Institutions. (a) A chapter may elect to membership any alumnus of a recognized engineering college other than the one in which the chapter proposing to elect is located who:

(1) Graduated when a chapter did not exist at the person’s alma mater and who would have been eligible had a chapter existed.

(2) Was eligible as an undergraduate or graduate student but was overlooked rather than considered and rejected by the chapter at the alma mater, or was eligible under the provisions of Section 2 or 3 but was not considered because of the scholastic rules of the
C-VIII, 5 (a) (2)

chapter at the alma mater at that time. Elections under this subsection shall comply with the provisions of Subsection (b).

(3) Was elected while an undergraduate or graduate student, but who refused membership at that time for financial or other reasons. Elections under this subsection shall comply with the provisions of Subsection (b).

(4) Was considered eligible as an undergraduate or graduate student at the last election held before graduation but was rejected for reasons judged proper by the chapter at the alma mater at that time. A candidate may be elected under this subsection only by a seven-eighths favorable vote of the active membership of the chapter considering the candidate. Elections under this subsection shall comply with the provisions of Subsection (b).

(5) Was not eligible at the last election held before the candidate’s graduation, but who graduated in the upper fifth of the candidate's undergraduate or graduate class. Elections under this subsection shall comply with the provisions of Subsection (b).

(b) The chapter desiring to elect a candidate under Subsection (2), (3), (4), or (5) must secure from the chapter of the candidate’s alma mater a letter of release which shall state that, upon investigation, the latter chapter can find no objection to the proposed election and waives its right to nominate and elect the candidate as a member of its own chapter. If the chapter at the candidate’s alma mater (1) desires to elect the candidate as one of its own alumnus members, it shall have that privilege, provided it agrees to consider and vote on the candidate at its next regular election; (2) objects to the proposed election, it shall so inform the chapter desiring to elect the candidate and the Executive Director of the Association, and the candidate shall not be eligible for membership; (3) fails to reply within three weeks, the chapter proposing to elect the candidate may appeal to the Executive Council for a decision on the merits of the case.

(c) All elections under this section shall comply with the applicable provisions of Section 7.

SECTION 6. Eligibility of Eminent Engineers. (a) A chapter may elect to membership any alumnus of a recognized engineering college who graduated more than ten years ago and who has achieved distinction for eminent attainments in engineering.

(b) A chapter may elect to membership an engineer who is not a graduate of a recognized engineering college, who has had fifteen years of experience in the practice of engineering, and who has achieved distinction in professional engineering.

(c) All elections under this section shall comply with the applicable provisions of Section 7.

SECTION 7. Eligibility Requirements for Alumni and Eminent Engineers. (a) To be eligible for election to membership under Sections 4, 5, or 6, a candidate must be a person of character, ability, and integrity; must have a continuous record of intellectual activity and of attainment in engineering; must be a person such as an undergraduate member of Tau Beta Pi might be expected to become; and shall be one who should be expected to add credit and honor to the Association. The qualifications with regard to attainment in engineering need not be required of candidates who are otherwise eligible under Section 4(a)(1) or 5(a)(1).

(b) Teaching of professional engineering subjects shall be considered as professional engineering experience. Administrators with engineering training and experience whose duties include supervision of professional engineering work shall be considered as being engaged in the engineering profession.

(c) Complete proof of the worthiness of the candidate, scholastic eligibility, and professional engineering record where required, the desirability of bestowing membership, and the approval of the Advisory Board of the chapter which has elected the candidate must be presented in writing through the office of the Executive Director of the Association to the Executive Council for its approval. The candidate’s election shall not be completed and valid until approval of the election by the Executive Council has been received by the nominating
chapter. See Bylaws VI, Sec. 6.04(a) and (b); and VIII, Sec. 8.04.

(d) At the establishment of a new chapter, neither an alumnus of the institution nor any other engineer shall be initiated unless the requirements of this section and of Section 4, 5, or 6 shall have been complied with in all details for each candidate by the petitioning group acting as a chapter.

SECTION 8. Other Memberships. Membership in any other society, fraternity, or association shall not of itself bar a candidate from election to Tau Beta Pi.

SECTION 9. Resignation. A member shall be allowed to resign from The Tau Beta Pi Association providing all insignia of the Association are forfeited and provided no disciplinary action is pending against the member. No refund will be made.

SECTION 10. Financial Inability. (a) Whenever a student pleads financial inability to accept membership, the Advisory Board of the chapter shall be notified of the fact. In cases where an Advisory Board interview establishes that a refusal is solely for financial reasons, the facts shall be certified to the Executive Director of the Association. Such a candidate may be initiated at any time within five years of election upon review of the case by the chapter, and if found to be still worthy, the chapter shall offer to initiate the electee. If after review the electee is rejected, reasons for the rejection shall be filed with the Executive Director of the Association.

(b) If an electee who has refused membership because of financial inability has not been reviewed by the chapter by the end of five years following election, the chapter shall be so notified by the Executive Director of the Association, the case reviewed, and the electee subsequently initiated or rejected. The Executive Director of the Association shall be notified of the action taken.

SECTION 11. Initiation by Error. If an ineligible person is initiated by error or mistake, the Executive Council may cancel the membership and recall the official badge and certificate of that person upon the recommendation of a majority of the active members of the chapter and of its Advisory Board. The Executive Council shall report to the next Convention its action and reasons therefor in such cases. A member may appeal the decision of the Executive Council to the next regular Convention of the Association, and the member shall have the right to be heard by the Convention and to plead the member’s own case. The action of the Convention shall be final. See Bylaw VIII, Sec. 8.03.

(1) Any member(s) who wish(es) to remove an alleged offending officer shall notify a chapter advisor, who shall convene a meeting of the Advisory Board to consider the charge(s). Any charged officer who is a member of the Advisory Board shall be excluded from the meeting.

(2) If the Advisory Board decides that a charge has merit which warrants removal from office, the charged officer will be suspended from all duties as an officer. The Advisory Board shall provide the officer in question with the opportunity to defend the charge(s) in a formal hearing at which counsel may represent the charged officer.

(3) The Advisory Board shall adopt rules and format to ensure due process, compose a statement of charge(s), notify the charged officer that a suspension has occurred, and establish a time and place for the hearing where the charge(s) will be considered. At least 21 days in advance of the hearing date, the chapter must notify the Executive Director and
confirm that the charged officer has received these items or send them by registered mail to the last recorded address of the charged officer.

(4) After the hearing has been conducted and considered, the Advisory Board shall, by majority vote, recommend whether or not to remove the charged officer. The Advisory Board shall call a meeting of the active membership at which it will present its recommendation.

(5) The chapter may remove the charged officer by a two-thirds vote from at least one-half of the active members of the chapter. Unless a majority votes to remove the charged officer, he or she shall be reinstated to office immediately.

(6) A removed officer may appeal the decision to the Executive Council.

(7) If a charged officer resigns from office at any time during this process, the removal process shall cease immediately.

SECTION 5.02. Standing Committees. Each chapter shall have standing committees on Membership, Initiation, Program, Social Activities, and such other committees as the chapter shall desire and establish. Except by special chapter action by three-fourths majority vote, the President of the chapter shall decide upon the size of each of the committees and shall appoint its membership, preferably after conference with the appointed chair of the committee.

SECTION 5.03. Duties of Officers. (a) It shall be the duty of the President, as the responsible agent and leader of the chapter, to see that the other officers of the chapter perform their duties in accordance with the Constitution and Bylaws and the Bylaws of the chapter.

(b) The Vice President of the chapter shall be the chair of the Program Committee and shall have as a special duty the advancement of the technical and professional education of the active members.

c) It shall be the duty of the Recording Secretary to keep the roll and record books of the chapter as obtained from the Secretary of the Association and the minutes of the meetings of the chapter.

d) It shall be the duty of the Corresponding Secretary of each chapter to:

(1) Send each year to the Executive Director of the Association lists of the names and addresses of the officers of the chapter by the deadline set by the Executive Director and to report promptly all changes in this information which may occur during the year. See Bylaws III, 3.01(d)(3) and VIII, Sec. 8.01(a), (b).

(3) Send to the Executive Director of the Association the Report of Election and forms entitled Tau Beta Pi Catalog Card as specified in Bylaw VI, Sec. 6.05(b). See Bylaw VIII, Sec. 8.01(d).

(4) Send to the Executive Director of the Association the Report of Final Action as specified in Bylaws VI, Sec. 6.05(c), and VII, Sec. 7.07. See Bylaw VIII, Sec. 8.01(e).

(5) Send to the Executive Director of the Association, immediately upon receipt of the proper form or after their election, the credentials for the delegate and alternate to the ensuing Convention. See Bylaw VIII, Sec. 8.01(f).

(6) Furnish to the Executive Director of the Association a copy of the chapter’s Bylaws, amended to date, with the approval of the Advisory Board within two weeks of their adoption and amendment. See Bylaw VIII, Sec. 8.01(g).

(7) Report to the Executive Director of the Association a receipt from the IRS for the appropriate 990 form as required. See Bylaw VIII, Sec. 8.01(h).

(8) Report to the Executive Director of the Association such items of news and of interest as to honors received, offices to which members of the chapter have been elected, and the like, and also any cases of discipline which might affect the standing of one or more
members on the rolls of the Association.

(9) Carry on such other correspondence of the chapter as the President may direct.

(10) Report to the Executive Director of the Association any and all actions taken by the Advisory Board of the chapter.

e)(1) Within two weeks after each initiation, the chapter, through its Treasurer, shall remit to the Executive Director of the Association the stated amount of the initiation fee payable to the Association for each new initiate. See Bylaw VII, Sec. 7.04. This remittance shall cover the costs of the badge, certificate of membership, a four-year subscription to The Bent, a copy of the Constitution and Bylaws, and other approved literature of the Association. It shall also include a sum for the necessary expenses of the Association. The initiation fee shall be determined by the Convention, on recommendation of the Executive Council.

(2) Except when the rules of the institution require that the Treasurer of a chapter keep its financial accounts in a specified way and form, the official bookkeeping system of the Association on standard forms furnished by the Executive Director of the Association shall be used and followed.

(3) For any candidate not initiated, the chapter shall be refunded or credited, as it may elect, the full amount of the remittance, excepting the actual cost of the certificate if it shall have been engrossed and of the badge if it shall have been engraved.

(f) It shall be the duty of every member to assure that each elective officer of the chapter conscientiously performs the duties of the office for the benefit of the entire chapter, particularly in matters pertaining to finance and the relations of the chapter with the Executive Director of the Association, and to take appropriate action when an elected officer fails to perform the duties of the office. See Bylaw V, Sec. 5.01(d).

(g) The primary duty of the alumnus advisors is to provide for continuity of chapter operations. The alumnus advisors shall see that the chapter: (1) Selects candidates who meet the eligibility requirements of Constitution Article VIII, the bylaws of the chapter, and the academic regulations of the host institution. (2) Balances its financial accounts and pays all bills by the end of the academic year. (3) Effects an orderly transition of chapter officers in accordance with Bylaw V, Sec. 5.01.

SECTION 5.04. **Chapter Finances.** (a) The expenses of a chapter shall be borne by the initiation fees, by dues to be paid each quarter, term, or semester, and by any assessments that the chapter may decide. These assessments may be voted at any regular meeting of the chapter by a three-fourths affirmative vote of all the active chapter membership eligible to vote thereon, subject, on appeal, to the approval of the Advisory Board of the chapter. See Const. Art. VI, Sec. 1.

(b) Each chapter shall decide on the amount of its initiation fee (including the stated amount of the initiation fee payable to the Executive Director of the Association) and on its dues per quarter, term, or semester. See Const. Art. VI, Sec. 1.

(c) The budget of the estimated expenses of the chapter for the next college year shall be prepared in March or April by the officers of the chapter. It shall be the special order of business of one of the regular April meetings of the chapter. It shall include all of the expenses of the initiation ceremonies, dinners, luncheons, picnics, dances, and other social activities, back debts, prizes and awards, auditor and bank charges, loans to electees, rents, supplies, stationery, postage, etc.

SECTION 5.05. **Convention Delegate.** (a) At one of the regular April meetings of the chapter, after canvassing the subject to find out who can most conveniently go to, and to consider who will most satisfactorily represent the chapter at, the next regular Convention of the Association, the chapter’s Convention delegate and an alternate shall be elected by the active members of the chapter. See Bylaw I, Sec. 1.04.
B-V, 5.05 (b)

(b) On the delegate’s return from the Convention, it shall be the delegate’s duty to make a general report to the chapter at its next regular meeting on the business transacted by the Convention, the entertainment received, and impressions of the Convention and the delegates, with suggestions for the improvement of the life and work of the chapter and its members.

SECTION 5.06. **District Activities.** The chapter shall cooperate with the director(s) of the district to which it is assigned; shall inform the director(s) of its activities; and shall participate in the activities of its district to the extent of the capability of its members.

SECTION 5.07. **Quorum.** A quorum for the consideration of routine business shall consist of one-half the active membership of the chapter; for the election of new members, for the revocation of election, for changing the initiation fee or chapter dues, and for the passing of an assessment on the members of the chapter, three-fourths of the active chapter membership eligible to vote thereon; and for the approval or disapproval of a proposed amendment to the Constitution and Bylaws or chapter, three-fourths of the active members of the chapter. See Const. Art. VI, Sec. 1. Chapters located at colleges operating on a cooperative basis and those chapters with evening division members may be granted permission by the Executive Council to lower the requirements listed above for a quorum.

**Bylaw VI**

_Election of Members_

SECTION 6.01. **Election Periods.** (a) A chapter shall hold one, two, or three elections of new members each year, the program of each chapter being subject to the approval of its Advisory Board. See Const. Art. VIII, Sec. 1(d). An initiation shall follow each election and shall not be delayed unnecessarily. The chapter’s program shall be reported promptly to the Executive Director of the Association. Other deviations from the above schedules may be permitted for good and sufficient reason with the consent of the Advisory Board of the chapter and the approval of the Executive Council.

(b) Special elections and/or initiations of undergraduate members can be held only for good and sufficient reasons and after the unanimous consent of the Advisory Board of the chapter has been obtained. The written consent of the Advisory Board for a special election shall be sent to the Executive Director of the Association with the names of the candidates. See Const. Art. VIII, Sec. 1(e).

SECTION 6.02. **Compilation of Data.** (a) The membership committee of the chapter shall obtain from the proper officer of the college the names and records of all students likely to be in the upper fifth of the regular senior class in engineering and the upper eighth of the regular junior class in engineering, at the time of the election. See Const. Art. VIII, Sec. 2. Such students shall be considered collectively as class groups, without regard to departmental specialization, except as provided in Const. Art. VIII, Sec. 2(b). Care must be taken not to overlook anyone.

(b)(1) In computing one-eighth or one-fifth of the total enrollment of the regular junior and senior classes in engineering, any fraction shall be considered an integer. If the lower limit of one-eighth or one-fifth of the total enrollment falls within a group of students who have the same point rating, all such names shall be included in the list without distinction.

(2) Members elected as from a certain class (normally expecting to graduate at the same time) who drop back to a later class shall not be counted with that later class, nor in the quota(s) therefrom, when reckoning the quotas for purposes of election.

(3) Undergraduate members who have transferred from other chapters shall not be counted, as explained in Sec. 6.02(b)(2) above.

(4) Sizes of classes in day and evening curricula, and the eligible quotas therefrom,
shall be reckoned separately.

(c) Averages, if available, shall be computed for these students on a basis (depending on the system of grading in the particular institution) which shall show clearly their scholastic ratings.

(d) These averages shall be computed on the point system. The total number of hours taken and points earned shall be determined for each year of the curriculum in accordance with this system. Credits obtained elsewhere, if included, should be counted according to actual grades originally made and not by grades allowed by the second institution. See Const. Art. VIII, Sec. 2(k). Credits obtained by examination, unless graded according to quality, shall not be considered in computing the point ratio. The number of hours of credit for a particular course shall be multiplied by a number which shall indicate the quality of the work done; for example, the number of hours of a course done with a grade of excellent, merit, or “A” shall be multiplied by a constant such as four in making up the point ratio. Similarly, grades such as good, “G,” or “B” shall be multiplied by some such number as three; grades such as average, fair, or “C” shall be multiplied by some such number as two; grades such as “D,” poor, “P,” or passing, and nothing more, shall be multiplied by a constant such as one; grades below passing shall be counted as hours but not as points. The total of product-points so obtained shall be divided by the total of product-hours for the two or more years to obtain the point ratio of a student. “Incomplete” and “deferred” grades shall not be considered or counted. If desired, the point ratios may be weighted so as to give more emphasis to grades earned beyond the first year of the college curriculum.

(e) A chapter may have a higher standard than that prescribed by the Constitution if the Executive Council approves a petition which shall include an explanatory letter of justification for the amendment to its chapter’s Bylaws. See Bylaw V, Sec. 5.03(d)(6).

(f) A chapter shall have a procedure for the evaluation of the exemplary character of candidates as enunciated in the Eligibility Code of the Association. This procedure shall be submitted to and approved by the Executive Council, and shall be contained in the chapter’s Bylaws. This procedure may be modeled after the examples suggested by the Executive Council or Convention or designed by the chapter, subject to the approval of the Executive Council. The decision of the Executive Council may be appealed to the next Convention whose decision will be final.

(g) In the event that the Executive Council disapproves a chapter’s procedure, the Executive Council shall direct the chapter to follow a procedure the Council deems appropriate until such time as the chapter obtains its approved method.

SECTION 6.03. Election. (a)(1) Each chapter shall approve an election procedure consistent with its methods of measuring exemplary character which shall include the reading of the Eligibility Code at the time of election. (See Sec. 6.02(f)). This procedure may provide for voting on each name before consideration of the next name, or for voting on groups of names recommended to the chapter by its character measurement process, or for such devices as desired by the chapter as long as the procedure considers the candidates individually at some point in the character measurement process and conforms to Section 6.03(b). This election procedure of the chapter must be approved by the Executive Council and be contained in the chapter’s Bylaws.

(2) After all scholastically eligible candidates have been considered and voted on, there shall be a second individual ballot, taken by order of class rank (seniors first, juniors last) for each student who failed election on the first ballot. No student who fails election on the second ballot shall be considered further unless twenty-five percent of the voting members present so request. No student who fails election on the third ballot shall be considered again at this election. Any such students may be considered at subsequent elections if they are then eligible.
B-VI, 6.03 (a) (3)

(3) When following the procedure of voting on the candidates as a group, if any member objects to the election of a candidate, that candidate’s name shall be removed from the group. A vote shall be taken on the remainder of the group. After this group has been voted on, each candidate so removed shall be reconsidered and voted on individually as outlined in Section 6.03(a)(1) and (2).

(b)(1) Anyone eligible under Const. Art. VIII must be elected by an affirmative vote of at least three-fourths of the active chapter membership eligible to vote thereon, who are present and voting affirmatively or negatively, except as provided for in Constitution Article VIII, Sections 4(a)(4) and 5(a)(4). In each case the total affirmative vote must be a majority of the active chapter membership eligible to vote thereon. See Const. Art. VI, Sec. 1. In computing these ratios any fraction one-half or greater shall be counted as a whole number.

(2) Graduate students eligible under Const. Art. VIII, Sec. 3, shall be voted on separately from the undergraduate students.

(c) The election of members shall be by secret ballot and shall be conducted by the President of the chapter, or by a member of the Advisory Board or by an alumnus member designated by the President. The term “secret ballot” shall be interpreted to mean that no active member shall see how any other member voted. See Const. Art. VIII, Sec. I(c).

(d) Students who may have been overlooked at a regular election and students who may have been considered and not elected at the regular autumn or winter (or spring) election may be reconsidered and elected at a subsequent election, as if never previously considered, provided they are still eligible under the Constitution and Bylaws.

SECTION 6.04. Revocation of Election. (a) An individual who has been elected to membership, but has not yet been initiated, shall be known as an electee. If an electee fails to complete any required activities or duties (see Bylaw VII, Sec 7.01 and 7.02) or in another way exhibits character that is less than exemplary, the chapter may revoke the election of that individual.

(b) Each chapter shall approve a revocation procedure consistent with its methods of measuring exemplary character which shall include the reading of the Eligibility Code at the time of revocation. (See Sec. 6.02(f)). This procedure may provide for voting on each name before consideration of the next name, or for voting on groups of names recommended to the chapter by its character measurement process, or for such devices as desired by the chapter as long as the procedure considers the candidates individually at some point in the character measurement process and conforms to Section 6.04(c). This revocation procedure of the chapter must be approved by the Executive Council and be contained in the chapter’s Bylaws.

(c)(1) Any electee can have his/her election revoked by an affirmative vote of at least three-fourths of the active chapter membership eligible to vote thereon, who are present and voting affirmatively or negatively, except as provided for in Constitution Article VIII, Sections 4(a)(4) and 5(a)(4). In each case the total affirmative vote must be a majority of the active chapter membership eligible to vote thereon. See Const. Art. VI, Sec. 1. In computing these ratios any fraction one-half or greater shall be counted as a whole number.

(2) Graduate students eligible under Constitution Article VIII, Section 3, shall be voted on separately from the undergraduate students.

(d) The revocation of the election of an electee shall be by secret ballot and shall be conducted by the President of the chapter, or by a member of the Advisory Board or by an alumnus member designated by the President. The term “secret ballot” shall be interpreted to mean that no active member shall see how any other member voted. See Const. Art. VIII, Sec. I(c).

(e) Any student whose election has been revoked may be considered at subsequent elections if he or she is then eligible.
SECTION 6.05. **Records and Reports.** (a) A list of the eligible candidates, including all those in the top fifth of the senior class and top eighth of the junior class (candidates and present chapter members, by name), indicating the class of each person, shall be made on the official form entitled Report of Eligibility. Appended to the Report of Eligibility should be a list of the names and qualifications of any graduate-student, alumnus, or eminent engineer candidates being considered for membership. This report shall be sent to the Executive Director of the Association as soon as the information is available. Requirements for copies of the Constitution and Bylaws and other literature and record materials for the expected number of electees shall be stated on this report. See Bylaws V, Sec. 5.03(d)(2); and VIII, Sec. 8.01(c).

(b) A list of the electees who have accepted membership, giving full names, scheduled times of graduation, and their expected initiation date, shall be made on the official form entitled Report of Election. A personally completed record of each electee who has accepted membership shall be made on the official form entitled Tau Beta Pi Catalog Card. The Report of Election and the Catalog Cards shall be sent to the Executive Director of the Association, to arrive no later than two weeks before the expected date of initiation. They shall include full necessary data on any graduate-student, alumnus, or eminent engineer electees if such have not previously been submitted. Initiation shall not be permitted without the approval by email or telegram from the Executive Director of the Association of the list of electees or another report on the Report of Election and the Catalog Cards. Badges and certificates of membership for the electees will be ordered by the Executive Director of the Association from these reports. See Bylaws V, Sec. 5.03(d)(3); VIII, Sec. 8.01(d) and Sec. 8.04.

(c) A list of the eligible candidates above the chapter deadline, if any, and including any graduate student, alumnus, or eminent engineer candidates, shall be made on the official form entitled Report of Final Action and shall be sent to the Executive Director of the Association immediately after each initiation. This report shall indicate for each candidate the election or rejection for membership by the chapter, acceptance or refusal of membership by the candidate, and whether each elected candidate has been initiated, has not been initiated, or has received a postponement. Where appropriate, it shall also give the reason for rejection or refusal, and the expected date of initiation for each postponement. This report shall be accompanied by a photocopy of the chapter’s Roll Book page(s) bearing the signatures of the persons actually initiated, as a validation of their membership. See Bylaw V, Sec. 5.03(d)(4); VII, Sec. 7.09; and VIII, Sec. 8.01(e).

SECTION 6.06. **Inactive Status.** (a) An active member shall become inactive upon withdrawal from college or because of illness or accidental disability lasting over two months. On returning to college, the member shall immediately become active.

(b) An active member will become inactive by the affirmative vote of five-sevenths of the Advisory Board or as provided in the chapter’s Bylaws. Such a member will be readmitted to active status upon receipt of a written petition and its approval by the Advisory Board.

(c) Chapters should report the number of members affected and the reason for their change of status to the Executive Director of the Association within two weeks of the Advisory Board’s decision.

SECTION 6.07. **Transfer of Chapter.** An undergraduate member, on transferring to another institution where there is a chapter of the Association, shall immediately become an active member of that chapter. See Const. Art. VI, Sec. 1.

SECTION 6.08. **Payments by Active Members.** As long as a person is an active member of a chapter, that person shall pay to the chapter all dues, assessments, and fines payable by the active members of that chapter.
Bylaw VII

Initiation

SECTION 7.01. Electee Activities. Each chapter shall require of its student electees their participation in an activity recommended or approved by the chapter officers to foster a spirit of liberal culture. This activity may take the form of a project and/or writing an essay of not less than 500 words upon a topic suggested or approved by the Advisory Board of the chapter.

SECTION 7.02. Electee Duties. (a) While duties for the electees are permissible, they shall be limited to tasks and duties that are a test of an electee’s intellectuality and mentality rather than physical strength and endurance and shall not consume an inordinate amount of time to the possible detriment of required college work. Physical violence, offense to dignity or decency, or public exercises that demean the electee in any way shall not be permitted. The expense of any electee activity shall be carefully considered and not be prohibitory to the chapter or the electee.

(b) If an electee objects to the required duties and the chapter cannot resolve the objection, the electee may appeal to the Advisory Board of the chapter. If the electee is not satisfied with the outcome, the electee will be given contact information for the District Director, who will advise the parties on resolution.

SECTION 7.03. Constitution and Bylaws. Each electee shall be required to read the Constitution and Bylaws before being initiated.

SECTION 7.04. Initiation Fee. (a) An electee shall not be initiated without paying the initiation fees in full. In special cases this provision may be waived, with the approval of the chapter’s Advisory Board, for an electee who has signed a promissory note covering the initiation fees and any other indebtedness to the Association.

(b) The chapter shall be financially responsible to the Association for the collection and payment to the Association of the initiation fees of each initiate which are payable to the Association. See Bylaw V, Sec. 5.03(e).

SECTION 7.05. Roll Book. Initiates shall sign their names in the Roll Book of the chapter as a part of the initiation ceremony. Each sheet of the Roll Book shall have as a caption the pledge to support the Constitution and Bylaws and ideals of The Tau Beta Pi Association.

SECTION 7.06. Certificate and Badge. Each initiate shall be given a certificate of membership, a badge, and a copy of the Constitution and Bylaws.

SECTION 7.07. Reports. Reports of the initiation and such other matters pertaining thereto in accordance with Bylaws V and VI shall be provided to the Executive Director of the Association promptly after each initiation on the official form entitled Report of Final Action. See Bylaw VIII, Sec. 8.01(e).

SECTION 7.08. Joint Activities. Joint dinners, luncheons, and dances may be held with other organizations by formal approval of the chapter and the Advisory Board. Joint initiation ceremonies with fraternities, other associations, or societies are prohibited.

SECTION 7.09. Initiation Postponement. Postponement of an electee’s initiation must be approved by the Advisory Board. (See Bylaw VI, Sec. 6.05(c)). (a) Eligible Electee. An electee who remains eligible may be initiated at the next regular initiation without re-election. Such an electee who graduates may be initiated without re-election within five
years from the date of election.

(b) Ineligible Electee. (1) An electee who becomes ineligible and whose initiation has been postponed may be initiated at the next regular initiation without re-election. (2) An electee who becomes ineligible and whose initiation has not been postponed must become eligible and be re-elected during a subsequent term to be initiated.

Bylaw VIII

(b) Five dollars ($5.00) on the election of chapter officers and new members of the Advisory Board.

(d) Five dollars ($5.00) on the list of electees who have accepted membership, on the official form entitled Report of Election, and on the official form entitled Tau Beta Pi Catalog Card, filled in as specified in Bylaw VI, Section 6.05(b), to reach the Executive Director of the Association no later than two weeks before the expected date of initiation.

(e) Five dollars ($5.00) on the Report of Final Action on eligible candidates, filled in as specified by Bylaw VI, Sec. 6.05(c), and copy of the chapter’s Roll Book page(s), within two weeks after the initiation of new members.

SECTION 8.02. Unapproved Initiation. A chapter that holds an initiation ceremony for candidates elected under Const. Art. VIII, Sec. 2, without approval of the Executive Director shall be assessed a flat fine of fifty dollars ($50.00). See Sec. 8.04 and Const. Art. IX, Sec. 2.

SECTION 8.03. Initiation of Ineligible Candidate. See Const. Art. VIII, Sec. 11.

SECTION 8.04. Lack of Proof of Worthiness. Each chapter shall subscribe to *The Bent* for four years for each initiate. The subscription charge shall be a part of the initiation fee, but the initiate may elect to pay an additional fee, and so become a life subscriber to *The Bent*. The subscription shall start from the first issue after initiation. Any member may at any time during the period of the initial four-year subscription convert the subscription to a life subscription by the payment of the difference between the current fee and any remaining prepaid subscription. Fellowships

SECTION 10.01. Establishment. The Association shall maintain a program of fellowships insofar as the financial condition of the Association permits in the opinion of the Executive Council. The Executive Council shall determine the amount of the stipend for each fellowship in each year with the advice of the Director of Fellowships and shall determine the number of fellowships with stipend to be awarded each year, based on the total moneys available from income on the Fellowship Fund and the general financial condition of the Association. The Executive Council may use other funds of the Association if such use of funds appears to be warranted in view of other financial commitments of the Association. The Executive Council shall advise the Director of Fellowships not later than the first of November of each year the number and stipend of fellowships that will be available for the following year. A recipient of a fellowship must start full-time academic work within twelve months after the fellowship has been awarded. See Const. IV, Sec. 2(g)(2).

SECTION 10.02. Objective. The object of the Fellowship Program shall be to advance the interest of the engineering profession, to stimulate graduate study and research and to recognize deserving members of the Association for demonstrating outstanding scholarship and exemplary character.

SECTION 10.03. Eligibility Conditions. (a) Fellowships shall be granted to members of the Association strictly for graduate work towards an advanced degree. The graduate study shall be in a field that enables the recipient to contribute to the engineering profession as determined by the Fellowship Board. The fellow shall pursue full-time study for either a full term or a partial term as specified by the fellow. A full term is defined as the full college year of the institution. A partial term is defined as one semester, one trimester, or two quarters of the institution.

(b) A fellowship shall not be awarded to a member who has previously had a Tau Beta Pi fellowship.

(c) Stipends shall not be awarded to those fellows who accept other substantial financial aid as determined by the Director of Fellowships.

SECTION 10.04. Selection Criteria. Fellowships shall be awarded on the basis of the applicant’s scholastic attainment, proposed plan for graduate study toward a career objective, unselfish activity of a nature described in the Tau Beta Pi Eligibility Code, and references.

SECTION 10.05. Certificate. Each recipient of a Tau Beta Pi fellowship, with or without stipend, shall receive a certificate at the beginning of the fellowship year, or shortly thereafter, which shall set forth the full names of the recipient, chapter, alma mater, and the institution at which advanced work will be done, and the year for which the fellowship is awarded. The certificate shall be signed by the Director of Fellowships, the President, and the Executive Director of the Association.

SECTION 10.06. Resignation. If a fellow does not continue a degree program for any reason, the fellow shall promptly resign the fellowship and shall relinquish the financial claim on the Association one month after submitting the resignation. If a fellow encounters unusual circumstances that would force resignation, the fellow may appeal to the Fellowship Board for reconsideration of the fellowship plan.

SECTION 10.07. Payment. The stipend may be changed from year to year. The stipend amount shall be the same for each full-term fellowship awarded in any one year. The stipend...
amount for each partial-term fellowship shall be half of the stipend amount for a full-term fellowship in the same year. The Executive Director of the Association shall pay to each of the fellows the amount of the stipend in ten monthly installments on the fifteenth of each month, or in another manner approved by the Executive Council. See Bylaw III, Sec. 3.01(f)(8).

SECTION 10.08. Report of Fellows. Each fellow shall make a suitable report to the Director of Fellowships near the end of the year for which the fellowship was granted. The report shall set forth briefly academic activities during the year, accomplishments, and suggestions for the betterment of the Fellowship Program.

SECTION 10.09. Rules for Application. The Director of Fellowships may make such rules and regulations relative to the application for fellowships, the consideration of candidates, the operation of the fellowship plan, and the reports of the fellows as may be deemed wise and desirable, subject to the Constitution and Bylaws and to the approval of the Executive Council.

Bylaw XI
Scholarships

SECTION 11.01. Establishment. The Association shall maintain a program of scholarships insofar as, in the opinion of the Executive Council, the financial condition of the Association permits. The Executive Council, with the advice of the Director of Fellowships, shall determine the amount of a full-term stipend and the total scholarship moneys to be awarded each year, based on the total moneys available from income on the Scholarship Fund and the general financial condition of the Association. The Executive Council may use other funds of the Association if such use of funds appears to be warranted in view of other financial commitments of the Association. The Executive Council shall advise the Director of Fellowships not later than the first of November of each year the amount of a full-term stipend and the total scholarship moneys that will be available for the following year. A recipient of a scholarship must enroll in full-time academic work within twelve months after the scholarship has been awarded. See Const. Art. IV, Sec. 2(h)(2).

SECTION 11.02. Objective. The object of the Scholarship Program shall be to advance the interest of the engineering profession, to stimulate undergraduate study and to recognize deserving members of the Association for demonstrating outstanding scholarship and exemplary character.

SECTION 11.03. Eligibility Conditions. (a) Scholarships shall be granted to members of the Association strictly for undergraduate work towards a bachelor's degree. The undergraduate study shall be in a program for which students are eligible for membership in Tau Beta Pi at an institution with an active Tau Beta Pi Chapter. The scholar shall pursue full-time study for either a full term or a partial term as specified by the scholar. A full term is defined as the full college year of the institution. A partial term is defined as one semester, one trimester, or two quarters of the institution.

(b) A scholarship shall not be awarded to a member who has previously had a Tau Beta Pi Scholarship.

SECTION 11.04. Selection Criteria. Scholarships shall be awarded on the basis of the applicant's scholastic attainment, unselfish activity of a nature described in the Tau Beta Pi Eligibility Code, and references. Financial need may be considered in the awarding of scholarships.

SECTION 11.05. Certificate. Each recipient of a Tau Beta Pi Scholarship shall receive
a certificate at the beginning of the scholarship year, or shortly thereafter, which shall set forth the full name of the recipient, chapter, the institution name, and the year for which the scholarship is awarded. The Director of Fellowships, the President, and the Executive Director of the Association shall sign the certificate.

**SECTION 11.06. Resignation.** If a scholar does not continue a degree program for any reason, the scholar shall promptly resign the scholarship and shall relinquish the financial claim on the Association one month after submitting the resignation. If a scholar encounters unusual circumstances that would force resignation, the scholar may appeal to the Executive Council for reconsideration of the scholarship plan.

**SECTION 11.07. Payment.** The stipend amount shall be the same for each full-term scholarship awarded in any one year. The stipend amount for each partial-term scholarship shall be half of the stipend amount for a full-term scholarship in the same year. The Executive Director of the Association shall pay to each of the scholars the appropriate stipend amount in a manner approved by the Executive Council. See Bylaw III, Sec. 3.01(f)(8).

**SECTION 11.08. Rules for Application.** The Director of Fellowships may make rules and regulations relative to the application for scholarships, the consideration of candidates, and the operation of the scholarship plan, subject to the Constitution and Bylaws and to the approval of the Executive Council.

**Bylaw XII**

**Laureates**

**SECTION 12.01. Objective.** A major purpose of the Association, as stated in the Preamble to the Constitution, is “. . . to foster a spirit of liberal culture in engineering colleges.” The Association shall maintain the Laureate Program to recognize members who have demonstrated through extensive activities that technology alone is not the sole concern of the engineer. This concern for liberal culture is reflected by the Laureate’s achievements while enrolled as a student of engineering. The object of the Laureate Program shall be to place a greater emphasis on fostering the spirit of liberal culture. Consideration shall be made on an annual basis.

**SECTION 12.02. Basis for Nomination.** Laureate awards are intended to honor student members who have made outstanding contributions in an area of liberal culture as interpreted by the Laureate Selection Committee such as Arts, Athletics, Diverse Achievements, or Service.

**SECTION 12.03. Nominations.** Any collegiate chapter may nominate one or more of its active student members as a Laureate candidate. The Executive Director shall provide guidelines for the nomination package. This package shall be prepared by the chapter in consultation with the nominee.

**SECTION 12.04. Selection Committee.** The Laureate Selection Committee, comprised of District Directors appointed by the Executive Council, may select up to five Laureates with a maximum of two awards given in any one area.

**SECTION 12.05. Award and Recognition.** Each of the Laureates selected shall receive a cash award of an amount to be determined by the Executive Council. The names of the Laureates shall be announced at the Convention and their photographs and accomplishments published in *The Bent*. A recognition plaque will be given to each Laureate. The Executive Director of the Association shall arrange for an appropriate presentation of the plaque and
cash award and arrange for media recognition. A recognition plaque will also be awarded to the Laureate’s nominating chapter at the Convention.

SECTION 12.06. Relationship to Other Awards. The Laureate award is a grant based on nomination, with no stipulations relative to any other award, grant, or fellowship. An individual may not be selected as a Laureate more than once.

Bylaw XIII
Student Loans

SECTION 13.01. Administration. The Executive Director of the Association shall administer student loans from the Student Loan Fund not to exceed two thousand five hundred dollars ($2,500). The amount set aside to maintain the Initiation Fee Loan Fund shall not exceed two thousand five hundred dollars ($2,500).

SECTION 13.02. Application. A member of the Association desiring a loan shall make application on a form to be provided by the Executive Director of the Association. The application shall set forth the name and college address, as well as permanent address, of the applicant, the name and address of the applicant’s parent or guardian, and the amount of the loan requested. The application shall be certified as correct by the student’s faculty advisor or the head of the department under which the student is enrolled. The application shall also be certified by the President, Recording Secretary, and Treasurer of the local chapter. Such certification shall indicate that the loan is needed in order for the applicant to complete the work toward a degree. The application, together with a promissory note, shall be transmitted to the Executive Director of the Association for appropriate action.

SECTION 13.03. Approval. The Executive Director shall determine whether the applicant is eligible to receive a student loan, whether the application is in proper order, and whether sufficient funds are available from which to make the loan. This information shall be certified to the President of the Association who shall approve or disapprove the application.

SECTION 13.04. Payment. Upon approval of a loan application and execution of the promissory note, the Executive Director shall transmit to the applicant the amount of the loan requested. The rate of interest shall be as determined by the Executive Council. The period of the loan shall be for not more than three years, renewable at the discretion of the Executive Council upon written application thereto.

SECTION 13.05. Rules and Regulations. The Executive Council is empowered to make such additional rules and regulations relative to the making and repayment of student loans as in their judgment shall be proper.

Bylaw XIV
Engineering Futures

SECTION 14.01. Objective. The objective of Engineering Futures shall be to advance the interest of the engineering profession and to enhance the technical educational process by promoting the learning of interpersonal nontechnical skills which are essential for a well-rounded, effective engineer.

SECTION 14.02. Curriculum. The Engineering Futures curriculum will be comprised of materials designed to enhance the development of engineering students. The courses may be selected with consideration given to requests from industry.
SECTION 14.03. **Facilitators.** The Engineering Futures facilitators shall be appointed by the Executive Council to terms of not more than three years. They shall be alumnus members of the Association, shall serve without compensation, and may be reappointed. They shall be trained to present the Engineering Futures curriculum to Tau Beta Pi collegiate chapters. They may be reimbursed for reasonable expenses and for travel authorized by the Executive Council.

SECTION 14.04. **Presentations.** The Engineering Futures curriculum shall be presented by the Engineering Futures facilitators at no charge to the student members.

SECTION 14.05. **Restrictions.** To avoid any competition with vendors, the Engineering Futures curriculum may be offered only under the sponsorship of a Tau Beta Pi collegiate chapter and may be addressed only to collegiate students.

**Bylaw XV**

*Amendments*

SECTION 15.01. **Proposal.** An amendment to the Bylaws may be proposed by the Executive Council or any chapter to the Convention Committee on Constitution and Bylaws, by a delegate directly to the Convention, or by the Convention Committee on Constitution and Bylaws directly to the Convention.

SECTION 15.02. **Adoption.** An amendment to the Bylaws proposed to any Convention may be adopted by the same Convention on any day following its formal presentation to the Convention by at least a three-fourths vote of those present and entitled to vote. Any proposed amendment may be laid over until the next succeeding Convention upon at least a three-fourths vote of those present and entitled to vote. Any proposed amendment may be referred to the chapters upon at least a three-fourths vote of those present and entitled to vote. Ratification balloting on an amendment referred to the chapters shall be conducted in accord with the procedures required for adoption of Constitution amendments (See Const. Art. XVIII, Sec. 2). Each chapter must report its vote to the Executive Director of the Association in accord with Constitution Article XVIII, Section 3, or it will forfeit its vote to the Executive Council. Any proposed amendment that has been laid over until the next Convention or referred to the chapters may be reconsidered and voted upon at a later day at the same Convention.

SECTION 15.03. **Report on Amendment.** Amendments to the Bylaws shall be reported by the Executive Director of the Association to each collegiate and alumni chapter, shall be printed in the official publications of the Association, and shall become the law of the Association.

SECTION 15.04. **Restriction.** These amending procedures shall apply to all Bylaws except Bylaw XV. This Bylaw may be amended only in accordance with Article XVIII of the Constitution.

**Bylaw XVI**

*Dissolution*

In the event of dissolution, the residual assets of the Association will be turned over to one or more organizations which are themselves exempt as organizations described in Section 501(c)(3) of the Internal Revenue Code of 1954 (or corresponding sections of any prior or future Internal Revenue Code), or to the Federal, State, or Local Government for exclusive public purposes, with preference to be given 501(c)(3) organizations.
