

WIN  
\$50

## Merchandise Design Contest

Designs for a new TBI T-shirt, hoodie, and other items are invited. The winner of each item will be selected in the spring of 2012. The design should include *one or more* of the following:

- the words “Tau Beta Pi”
- the Greek letters TBI
- the Bent symbol, the slanted Bent, *or* the official logo (below)
- the words “Engineering Honor Society.”

If designing a shirt, both sides may be printed using one or two colors. Limit hoodies to front side only and two colors.

**RULES:** If the slanted Bent is used, the words “Tau Beta Pi” must appear nearby. Neither the slanted Bent nor the official logo may be used in combination with Greek letters or the motto symbolization. No design should cause embarrassment to TBI.

**PRIZE:** \$50 and a special first-edition of the item.

**SUBMISSION:** email a JPG to [dylan@tbp.org](mailto:dylan@tbp.org) by February 1.
