

David Erfert
Manager, Bayway
Refinery

David Erfert is manager of the Bayway Refinery for Phillips 66 located in Linden, NJ. A chemical engineer, Erfert has 22 years experience in various refining roles.

Before joining Phillips 66 and assuming his current role in May 2012, Erfert was manager of the Trainer Refinery for ConocoPhillips since 2010. Previously, Erfert had served as operations manager at the Bayway Refinery since 2008. In 2005, he held the role of production manager at the Ponca City Refinery. During the merger of Conoco and Phillips in 2002, Erfert was transferred to the San Francisco Refinery as the technical manager.

Erfert began his career with Shell Oil at the Deer Park Refinery in Houston, Texas in 1990, where he held various roles in engineering and planning & economics. In 1996, he worked in the The Netherlands for Shell International in a long-range planning & commercial role. In 1998, he was transferred to Wood River Refinery as the business manager. He joined Tosco during the refinery acquisition, and then became operations manager for Offsites.

Erfert is a member of the Greater Philadelphia Chamber of Commerce.

David grew up in the Chicago, Ill. area. He earned a Bachelor of Science in chemical engineering from the University of Michigan in 1990 and an MBA in finance from the University of Houston in 1997.
