

Tau Beta Pi Convention Credentials Instructions

The chapter president and corresponding secretary will each receive an email notifying them of submission and approval.

The chapter's voting delegate should be prepared to present photo ID that includes his/her full name and birthdate at Convention registration. If the chapter's voting delegate or alternate changes prior to Convention, contact TBP HQ at (865) 546-4578 or sttp@tbp.org so updated credentials can be recorded. **If accurate credentials are not on file prior to the opening of Convention, your chapter's voting delegate may not be able to vote.**
