ENGINEERING

What are ASEE Profiles?

- It is my favorite website for engineering admissions.
- ASEE is the American Society for Engineering Education.
- Each year we submit an 85-page questionnaire that has great information. It is free and open to the world!
- Here is the shortcut URL:
 - <http://profiles.asee.org/>
- Let's take a look!

Key times to use this.

- Narrowing down where you will apply for admission
- Preparing when you visit a university after admission
- Making a final decision for PhD study by April 15th
