

Tau Beta Pi Awards \$494,000 to 254 Scholars

The Fellowship Board of Tau Beta Pi, the engineering honor society, announces the selection of 254 engineering students from 394 applicants for undergraduate study during the 2022-23 academic year. Most recipients will receive a cash award of \$2,000 for their senior year of engineering study and a few will receive \$1,000 for one semester. All TBP Scholarships are awarded on the competitive criteria of high scholarship, campus leadership and service, and promise of future contributions to the engineering profession. All scholars are members of the Association. These awards bring the total to 3,833 scholarships granted since the program began in 1998.
