Project name: Smoker
Date(s) of Project: September 20, 2017

Project area: ___ Community/ Liberal Culture ___ University/ College ___ Profession/ Engineering ___ Chapter/ ___ Education/ Social ___ Prof. Dev.

Number of persons who participated in this project
(Please attach a list of names.)
Members: 49 ___ Electees: 22 ___

Hours spent on this project.
Organizing: 2 ___ Participating: 2 ___

DESCRIPTION:

I. General Description: The smoker is our informational meeting for eligible TBP initiates attended by candidates, officers, members, and advisors.

II. Purpose & Relationship to Objectives of TBP: The purpose is to recruit new members by demonstrating the value of membership and networking among chapter members.

III. Organization & Administration: (in conjunction with another group?) ___ Yes ___ No

This event was entirely planned and executed by the chapter officers.

IV. Cost & Personnel Requirements: ___ The cost was about $20 for soda and a cookie tray. The president prepared and gave a presentation regarding the history, benefits, and requirements of membership. It is helpful to have other officers, advisors and members present as well to welcome the candidates.__________________________________________________________

V. Special Problems: No problems, just ensure that all information shared with candidates is up to date and well prepared.

VI. Overall Evaluation/Results (Be Specific): This event was successful because a high percentage of electees who attended went on to be member and we had high attendance of active members.

DESCRIPTION:

I. General Description: This event served as the first informational session for those who were invited to Tau Beta Pi and were interested in learning more about our chapter.

II. Purpose & Relationship to Objectives of TBP: Inform eligible initiates of the benefits of joining.

III. Organization & Administration: (in conjunction with another group?) ___Yes ___X No
This event was only related to Tau Beta Pi and no other organizations were involved.

IV. Cost & Personnel Requirements: This event had no cost. A room reservation was necessary. Only myself was necessary to run the event.

V. Special Problems: I collected initiate fees for those deciding to join and did not bring change so I had to coordinate with a few initiates to meet them at a later time to collect their fees.

VI. Overall Evaluation/Results (Be Specific): The function of our chapter was explained to many eligible initiates further enticing them to go through with our initiate process.
VII. Index of Exhibits: The list of names of those who attended is attached.

DESCRIPTION:

I. General Description: This event served as the final informational session for those who were invited to Tau Beta Pi and were interested in learning more about our chapter.

II. Purpose & Relationship to Objectives of TBP: Inform eligible initiates of the benefits of joining.

III. Organization & Administration: (in conjunction with another group?) ___ Yes ___ No
This event was only related to Tau Beta Pi and no other organizations were involved.

IV. Cost & Personnel Requirements: This event had no cost. A room reservation was necessary. Only myself was necessary to run the event.

V. Special Problems: A few sophomores received invitation packets because they had enough transfer credit to be seen as juniors in the eyes of the university. I had to explain to them that they would not be eligible until the following semester.

VI. Overall Evaluation/Results (Be Specific): The function of our chapter was explained to many eligible initiates further enticing them to go through with our initiate process.

DESCRIPTION:

I. General Description: We held a social event as an opportunity for members and faculty to meet the incoming initiates for the semester. Faculty also had the opportunity to sign initiate’s boards in order to help initiates achieve their initiation requirements.

II. Purpose & Relationship to Objectives of TBP: This party increases relationships between members and increases faculty involvement. This also helps ensure that all initiates are up to Tau Beta Pi standard.

III. Organization & Administration: (in conjunction with another group?)  Yes  X  No
Book a room on campus and order sandwiches/drinks

IV. Cost & Personnel Requirements: Room was free to book and sandwiches/drink cost approximately $40

V. Special Problems: There was a good turn out of members and initiates but had some difficulty in getting a good showing of faculty. Greater efforts will be done in the future to give incentives for faculty to come.

VI. Overall Evaluation/Results (Be Specific): This event went really well and members had a great opportunity to bond with one another. Initiates also benefited greatly by getting signatures on their boards from all the members and a handful of faculty. This room was not the most ideal setup for this meeting. In the future, a room that is more open to allow easier access to boards and increase member involvement will be used.

DESCRIPTION:

I. General Description: Towards the end of the initiate process, the initiate exam is giving to ensure that new members know the history of the organization and officers of the chapter.

II. Purpose & Relationship to Objectives of TBP: Ensure that the history of the chapter is not lost and that new members have a solid background on Tau Beta Pi.

III. Organization & Administration: (in conjunction with another group?) ___ Yes  ___ No

This event was only associated with Tau Beta Pi.

IV. Cost & Personnel Requirements: There was no cost associated with this event. A room request was needed for this event. The initiate exams needed to be printed and I had access to free printing through my department.

V. Special Problems: There were a few initiates who could not attend the given time so I had to meet separately with them throughout the week to give them the exam.

VI. Overall Evaluation/Results (Be Specific): Every initiate passed the exam and fulfilled all requirements to go through with initiation.

DESCRIPTION:

I. General Description: Members of the Arkansas Alpha chapter gathered together for a night of games and fun to allow students a mental break from studying for mid-terms.

II. Purpose & Relationship to Objectives of TBP: This event was designed to enhance the sense of community within the chapter, as well as to provide stress relief for the members that would better enable their scholastic success.

III. Organization & Administration: (in conjunction with another group?)  ___ Yes  ___ No

This event was organized and administered by the Arkansas Alpha officer core.

IV. Cost & Personnel Requirements: No cost was associated with this event. Personnel were required to take attendance, provide popcorn, bring games, and clean up afterwards.

V. Special Problems: There were no special problems associated with this event.

VI. Overall Evaluation/Results (Be Specific): This event proved to be one of the most successful social events that we had this semester in terms of attendance. The event ran smoothly, and members reported appreciation for the opportunity to focus their minds on socializing and building relationships for a short amount of time.

Number of persons who participated in this project
Members: 57
Electees: ___

(Please attach a list of names.)

Hours spent on this project.
Organizing: 5
Participating: 1

DESCRIPTION:

I. General Description: During this meeting members vote on eligible candidates to determine if TBP will invite them to join the organization. Then invitation packets are created and member distribute them by hand.

II. Purpose & Relationship to Objectives of TBP: The purpose is to ensure that candidates have integrity and to create professional invitation to personally deliver.

III. Organization & Administration: (in conjunction with another group?) ___ Yes  X No

The president orders necessary materials (Wallets, code of ethics, bookmarks, national’s brochure) for the invitation packets and updates the letter of congratulations and chapter brochure. Each department votes on eligible members within their department and each member creates invitation forms to hand deliver.

IV. Cost & Personnel Requirements: No cost. President organizes and prints necessary materials. All members in attendance create invitations.

V. Special Problems: The directions were hard to follow for invitation creation. I will create a PowerPoint with specific instructions for next time.

VI. Overall Evaluation/Results (Be Specific): This event was successful due to high attendance, completing the voting process and efficient creation and distribution of packets.

DESCRIPTION:

I. General Description: Arkansas Alpha decided to do a t-shirt sale for our members. T-shirts were designed by a local retailer, B-Unlimited, and then sold to the club to whoever wanted them.

II. Purpose & Relationship to Objectives of TBP: This t-shirt sale was completed so that our members had a way to better publicize Tau Beta Pi and its values on campus, as well as having a fun Arkansas-specific Tau Beta Pi shirt.

III. Organization & Administration: (in conjunction with another group?)  X Yes  ___ No
We coordinated with the retailer, B-Unlimited, to design and print the shirts for us.

IV. Cost & Personnel Requirements: The initial cost of 50 shirts was $791.30 from B-Unlimited. We then sold them for either $17 or $20, depending on when the member ordered.

V. Special Problems: Finding a good time to pass out and sell shirts was tricky, but we ended up simply bringing them to most of the spring meetings and selling them when we could.

VI. Overall Evaluation/Results (Be Specific): The t-shirt design went over very well and most of our members really liked the shirt and have been wearing it around campus. We have sold a good portion of the original 50 shirts.

VII. Index of Exhibits: Attached is the t-shirt design from B-Unlimited.

Organizing: 1  Participating: 2

DESCRIPTION:

I. General Description: A meeting was held where current members of the organization were given the opportunity to vote on ratifying recent amendments to the constitution. During this meeting, members also voted whether or not to elect candidates as initiates and prepared informational packets for the elected individuals.

II. Purpose & Relationship to Objectives of TBP: This event accomplished important business related to the chapter, including constitution ratification and new member election. It also allowed current members to create individual invitations to hand deliver to initiates, increasing the community appeal of the organization to potential initiates.

III. Organization & Administration: (in conjunction with another group?)  Yes  Yes  No

This event was organized and administered by the Arkansas Alpha officer core.

IV. Cost & Personnel Requirements: No cost was associated with this event. Current officers acted as personnel, leading elections and passing out materials.

V. Special Problems: There were no special problems associated with this event.

VI. Overall Evaluation/Results (Be Specific): This event led to an approval vote to ratify the constitution and also resulted in a record number of hand delivered invitations for our chapter.

Number of persons who participated in this project Members: 1   Electees: ___
(Please attach a list of names.)

Hours spent on this project. Organizing: 6   Participating: N/A

DESCRIPTION:

I. General Description: The president orders new, plain initiate boards by providing specifications and budget to the fabricator.

II. Purpose & Relationship to Objectives of TBP: The purpose is to continue Arkansas Alpha's tradition of creating a board where initiates draw the bent on one side and gather signatures on the other.

III. Organization & Administration: (in conjunction with another group?) Yes   No

The president did research on all the carpenters and wood suppliers in the area, gathered quotes and oversaw the creation of new boards.

IV. Cost & Personnel Requirements: $780 for approximately 100 new boards. We used the campus carpenter and they discounted the materials because we are a registered student organization.

V. Special Problems: There was no information available to us on where we have gotten these wooden boards to begin with because we have had so much in storage for many years. Lots of research had to be done to find quality products at a low price.

VI. Overall Evaluation/Results (Be Specific): This project was successful because we got boards at a much lower rate than quoted and we got the boards to us before it was time to distribute them to initiates.

Subject: Internal Invoice Approval Request

Dear Tau Beta Sigma officers,

I have received an internal invoice request ll-18-4460 to charge cost center 1102 39401-00-0000 by Facilities Management for $780.33. The explanation is for "WO 1604384, CARP – (107) Initiation Boards Dec 2017." I need one of you to approve the request before I can submit the transaction. An "I approve" email is sufficient. If I could get a response from one of you by end of day tomorrow, that would be great. I need to submit this before accounting closes. Thank you and have a nice day.

DESCRIPTION:

I. General Description: Members of the Arkansas Alpha chapter hosted engineers throughout the University of Arkansas for a night of fun and games as a part of the University of Arkansas' Engine Week.

II. Purpose & Relationship to Objectives of TBP: This event was designed to enhance the sense of community within the chapter, as well as to spread awareness of the organization to the campus community and serve the engineering college as a whole.

III. Organization & Administration: (in conjunction with another group?) □ X Yes □ No

This event was organized and administered by the Arkansas Alpha officer core in conjunction with the university's engineering student council as one of the events of our annual Engine Week celebration.

IV. Cost & Personnel Requirements: No cost was associated with this event. Personnel were required to take attendance, provide popcorn, bring games, and clean up afterwards.

V. Special Problems: There were no special problems associated with this event.

VI. Overall Evaluation/Results (Be Specific): This event proved to be successful in allowing our members to socialize and enhance their sense of fraternity. It was also very successful in terms of spreading awareness of the organization. The event was open to the public, and several non-members came and learned about the organization.

DESCRIPTION:

I. General Description: The smoker is our informational meeting for eligible TBP initiates attended by candidates, officers, members, and advisors.

II. Purpose & Relationship to Objectives of TBP: The purpose is to recruit new members by demonstrating the value of membership and networking among chapter members.

III. Organization & Administration: (in conjunction with another group?) ___ Yes ___ X ___ No

This event was entirely planned and executed by the chapter officers.

IV. Cost & Personnel Requirements: The cost was about $12 for discounted Valentine's Day cookies and cupcakes. The president prepared and gave a presentation regarding the history, benefits, and requirements of membership. It is helpful to have other officers, advisors and members present as well to welcome the candidates.

V. Special Problems: Room we had the smoker in was not large enough to hold the people present. In the future we will need a larger space for this meeting.

VI. Overall Evaluation/Results (Be Specific): This event was successful because a high percentage of electees who attended went on to be member and we had high attendance of active members.

II. Purpose & Relationship to Objectives of TBP: Continue the growth of our chapter by adding new members.

III. Organization & Administration: (In conjunction with another group? ○Yes  ○No)

IV. Cost & Personnel Requirements: No cost. Room reservation required.

V. Special Problems: In the spring it is more difficult to find a large room that is available. Start booking a room early in the semester.

VI. Over-all Evaluation/Results (Be Specific): Great event. We had a great faculty turn-out since we emailed them a calendar invite to the event.

VII. Index of Exhibits: None.

Hours spent on this project: Organizing: _12_ Participating: _1.5 hrs___

DESCRIPTION:

I. General Description: ___This was our end of the year banquet, where we highlighted the chapters accomplishments over the last year, as well as honored our newest Eminent Engineer. We served dinner and our Eminent Engineer gave us a little introduction to himself and his research. ___

II. Purpose & Relationship to Objectives of TBP: ___This was a time to bring members together for a fun social event, as well as a time that we promoted collaboration and understanding between departments and their different areas of research. We also highlighted the importance of lifelong learning.___

III. Organization & Administration: (in conjunction with another group?) ___ Yes ___X___ No
Many of the officers helped to organize this event as it had a lot of components. The treasurer applied for funding to cover the costs of the event including venue and food. The President and Graduate Coordinator found the Eminent Engineer/speaker. Other officers helped with creating programs and a presentation for the event among other details.

IV. Cost & Personnel Requirements: The University of Arkansas’ student government will provide funding for certain events, and approved out $3,087 budget for this event. These costs included a buffet for 130 people and the venue.

V. Special Problems: Our biggest problem was getting professors that are a part of TBP to come. One of our advisors, Jessica, had emailed out invitations and reminders to the faculty, but not as many showed up as we would have like. We could do better promoting this in the future.

VI. Overall Evaluation/Results (Be Specific): We were very satisfied by the turnout of our event and our speaker did a phenomenal job presenting his research in Electrical Engineering in an engaging way. We were glad that we had the opportunity to share all of our chapters accomplishments over the last year as well as introduce and honor our new Eminent Engineer in front of the entire chapter.

DESCRIPTION:

I. General Description: We held a social event as an opportunity for members and faculty to meet the incoming initiates for the semester. Faculty also had the opportunity to sign initiate’s boards in order to help initiates achieve their initiation requirements.

II. Purpose & Relationship to Objectives of TBP: This party increases relationships between members and increases faculty involvement. This also helps ensure that all initiates are up to Tau Beta Pi standard.

III. Organization & Administration: (in conjunction with another group?) ___ Yes ___ X No
Book a room on campus and order sandwiches/drinks

IV. Cost & Personnel Requirements: Room was free to book and sandwiches/drink cost approximately $40

V. Special Problems: Room choice caused awkward set-up and limited member involvement. Limited faculty attendance was also an issue.

VI. Overall Evaluation/Results (Be Specific): This event went really well and members had a great opportunity to bond with one another. Initiates also benefited greatly by getting signatures on their boards from all the members and a handful of faculty.

Organizing: 1    Participating: 1.5

DESCRIPTION:

I. General Description: Towards the end of the initiate process, the initiate exam is giving to ensure that new members know the history of the organization and officers of the chapter.

II. Purpose & Relationship to Objectives of TBP: Ensure that the history of the chapter is not lost and that new members have a solid background on Tau Beta Pi.

III. Organization & Administration: (in conjunction with another group?) ___ Yes    X___ No

This event was only associated with Tau Beta Pi.

IV. Cost & Personnel Requirements: There was no cost associated with this event. A room request was needed for this event. The initiate exams needed to be printed and I had access to free printing through my department.

V. Special Problems: There were a few initiatees who could not attend the given time so I had to meet separately with them throughout the week to give them the exam.

VI. Overall Evaluation/Results (Be Specific): Every initiate passed the exam and fulfilled all requirements to go through with initiation.
