1. **COMMUNITY – LIBERAL CULTURE**
DAY OUT WITH THOMAS
Recurring – F16-05
September 24, 2016

Number of Participants
Members: 6
Electees: 0
Other: 0

Average number of hours per person
Organizing: 1
Participating: 8

I. General Description

Helped with community train event hosted for children. Members helped read to children and guided tours at the CO Railroad Museum.

II. Purpose & Relationship to Objectives of TBP

The objective of this project was to promote community involvement. It also helped to further the interest of children in engineering technologies.

III. Organization & Administration (In conjunction with another group?)

Worked in coordination with CO Railroad Museum in Golden, CO.

IV. Cost and Personnel Requirements

Driving about 10 minutes.

V. Special Problems

None.

VI. Overall Evaluation – Results

This event allowed members to give their time for the youth of the community and hopefully encourage children to take an interest in engineering early on.

VII. Index of Exhibits

Participants - hours
Michelle Schwartz – 9.5
Evelyn Marchbanks - 9
Samuel Fynes - 10
Delaney Marsh - 9
Abigail Mattern - 6
Eric Hale - 4
TRICK OR TREAT GREEK STREET
Recurring – F16-08

October 27, 2016

Number of Participants
Members: 7  Electees: 0  Other: 0

Average number of hours per person
Organizing: 1  Participating: 2

I. General Description

Members ran a booth at Nightmare on Greek Street where they passed out candy and
had a pumpkin ring toss game for children to play.

II. Purpose & Relationship to Objectives of TBP

Exposing community youth to engineering.

III. Organization & Administration

Hosted by Mines Panhellenic Council.

IV. Cost and Personnel Requirements

Members donated candy and pumpkins that counted towards a service hour.

V. Special Problems

None.

VI. Overall Evaluation – Results

This event was a good bonding event for members and a fun way to reach out to
children of the community.

VII. Index of Exhibits

Participants - hours

Samuel Fynes - 2
Ben Gallman - 2
Jacob Wilson - 1
Mai Lai - 2
Skyler Morris - 3
Alexandra Joseph - 2
Thomas Wagener - 2
SHELTON ELEMENTARY SCHOOL MATH AND SCIENCE NIGHT
New - F16-10
November 2, 2016

Number of Participants
Members: 7
Electees: 0
Other: 0

Average number of hours per person
Organizing: 1
Participating: 2.3

I. General Description

Held a booth at Shelton Elementary School’s Math and Science night. COA’s project was making lava lamps using water bottles, oil, Alka-Seltzer tablet and food coloring.

II. Purpose & Relationship to Objectives of TBP

This event was focused on STEM outreach.

III. Organization & Administration

Shelton Elementary School held the event and contacted COA about participating.

IV. Cost and Personnel Requirements

Driving and $80 worth of supplies.

V. Special Problems

None.

VI. Overall Evaluation – Results

This event was a fun way to reach out to kids and show them science in everyday items.

VII. Index of Exhibits

Participants - hours

Brian Medberry – 2
Cody Clayton – 1.5
Hanna Flamme – 2
Adam Hall - 4
Allison Pelzel – 2
Allen Jackson – 3
Evan Shigaya – 1.5
INTERNATIONAL DAY
Recurring - F16-12

November 19, 2016

Number of Participants

Members: 18
Electees: 0
Other: 0

Average number of hours per person

Organizing: 0
Participating: 2.7

I. General Description

International Day is an event on the Mines campus in which the food and culture of all
the nationalities attending the school are on display. Members volunteered at this event
by helping set up and clean up the facility.

II. Purpose & Relationship to Objectives of TBP

This event was a good way to exercise liberal culture as it was focused on serving but
also on exposure to other cultures.

III. Organization & Administration (In conjunction with another group?)

The International Student group put together the event. The president of the group was
also a TBP member and reached out asking for volunteers.

IV. Cost and Personnel Requirements

None.

V. Special Problems

None.

VI. Overall Evaluation – Results

This event was a very popular volunteering event. Students enjoyed getting to help set
up for this large event that serves many students and helps diversify campus.

VII. Index of Exhibits

Participants - hours

Ben Gallman – 2
Robert Nelson – 2
Jesse Van der Vorst – 5
Ben Gallman – 2
Alexandra Joseph – 4
Hanna Flamme – 5
Scott Jarriel - 2
John Hinton - 2
Adam Hall – 2
Maurice Polycarp – 3
Dionysi Damaskopoulos – 4

Luke Waguespack – 2
Chee Ming Loi – 2
Rachel Mizenko – 2.3
Siu Ann Wong – 2
Trevor Ballard – 2
Kougar Lott – 3
Nirmesh Balan - 3
I. General Description

This is a science event for local children that involves groups each hosting a booth. COA's booth featured the cornstarch and water experiment which can be made using a 2:1 cornstarch to water ratio.

II. Purpose & Relationship to Objectives of TBP

This event served as a STEM outreach.

III. Organization & Administration (In conjunction with another group?)

This event was hosted by APO.

IV. Cost and Personnel Requirements

The supplies bought for this event were: cornstarch, water, plastic buckets, paper towels, and food coloring totaling about $40.

V. Special Problems

None.

VI. Overall Evaluation – Results

This was an effective STEM outreach event. The kids really enjoyed the cornstarch and water experiment.

VII. Index of Exhibits

2. UNIVERSITY
FRESHMAN MOVE-IN
Recurring - F16-01
August 16 & 18, 2016

Number of Participants
Members: 11  Electees: 0  Other: 0

Average number of hours per person
Organizing: 3  Participating: 5

I. General Description
Volunteers greeted new freshman and helped carry luggage to dorm rooms to make the transition to the dorms as easy as possible.

II. Purpose & Relationship to Objectives of TBP
This service project is put on by the CSM campus to assist freshman who are moving in and likely overwhelmed by the start of college. Helping to raise awareness of Tau Beta Pi on campus specifically among first years.

III. Organization & Administration (In conjunction with another group?)
This event was organized by the campus residence life office.

IV. Cost and Personnel Requirements
None.

V. Special Problems
None.

VI. Overall Evaluation – Results
Move-in was successful. Many parents and students were amazed and thankful for the help.

VII. Index of Exhibits
Participants - hours

Jerred Wassgren - 4
Matthew Balderston - 12
Abigail Zimmerman - 4
Nick Markel - 4
Carley Lauer - 4

COA – 2016-2017 Project Report
M-CLIMB STATION
Recurring - F16-02                                             August 19, 2016

Number of Participants   Members: 7  Electees: 0  Other: 0
Average number of hours per person   Organizing: 2  Participating: 3

I. General Description

COA manned a station on the M-Climb, an annual event where first year students carry
a 10-pound rock up a mountain. Our chapter gave out pie as a reward for answering
trivia questions correctly.

II. Purpose & Relationship to Objectives of TBP

This tradition is put on by Blue Key Honor Society annually to boost school spirit, teach
new students the fight song, and expose them to clubs on campus. This event was good
exposure for our chapter.

III. Organization & Administration

This event was organized by Blue Key and had many other clubs in participation. Our
chapter had an officer organize our station and volunteers. This involved purchasing
pies, water guns, speakers, and a megaphone.

IV. Cost and Personnel Requirements

The cost was $20. Suggest about 2-3 pies and small forks.

V. Special Problems

None.

VI. Overall Evaluation – Results

The booth was successful. However, there was too much pie – only really needed 2 but
had 5.

VII. Index of Exhibits

Participants - hours

  Marcus Turner - 3
  Abigail Zimmerman -3
  Katelyn Hesse - 3
  Mai Phuong Lai -3
  Spencer Fretwell - 3

VAN TUYL LECTURES
Recurring - F16-03
9/8, 15, 22, 29; 10/6, 13, 20, 27; 11/3, 10, 17; 12/1, 8, 15; 1/19, 26; 2/2, 9, 16, 23; 3/2, 9, 19, 30; 4/6, 13, 20; 5/4

Number of Participants
Members: 27
Electees: 0
Other: 0

Average number of hours per person
Organizing: 7
Participating: 4.4

I. General Description
Help facilitate a campus wide geology lecture by setting up food and drink and cleaning up.

II. Purpose & Relationship to Objectives of TBP
Community enrichment involving geological presentations.

III. Organization & Administration
These talks are hosted by the Mines Geology Department.

IV. Cost and Personnel Requirements
The limit is 3 volunteers per week.

V. Special Problems
None.

VI. Overall Evaluation – Results
Effective reoccurring volunteering event that members enjoy signing up to do.

VII. Index of Exhibits

FALL CAREER DAY
Recurring – F16-04 September 11-13, 2016

Number of Participants
Members: 11
Electees: 0
Other: 0

Average number of hours per person
Organizing: 1
Participating: 4

I. General Description

Helped prepare for career fair and volunteered on the day of to help the event run smoothly.

II. Purpose & Relationship to Objectives of TBP

Opportunity to develop members as more complete engineers through networking with employers in an informal setting.

III. Organization & Administration (In conjunction with another group?)

The Career Center hosts this event. Typically, the VP of COA reaches out to ask for volunteer needs.

IV. Cost and Personnel Requirements

There is no cost involved. In fact, COA receives money in return for volunteer hours.

V. Special Problems

None.

VI. Overall Evaluation – Results

This event went well as the help was very much appreciated by the Career Center staff.

VII. Index of Exhibits

Participants – hours

Patrick Council – 3
Ryan Cohn – 8.3
Brian Medberry – 2.5
Daniel DeCino – 3

**HOMECOMING PHOTO SCAVENGER HUNT**

New – F16-06 October 6-8, 2016

Number of Participants  
Members: 9  Electees: 0  Other: 0

Average number of hours per person  
Organizing: 6  Participating: 2

I. General Description

A scavenger hunt set up for the campus that involves taking pictures at locations or doing tasks given on a set list. There were prizes for 1st, 2nd, 3rd, most spirited, most awkward, and most liked photo. Teams of 2-5 competed for three days and posted the photos on the Facebook event page.

II. Purpose & Relationship to Objectives of TBP

This event was created as a campus-wide fall event for TBP to get its name out and participate in Homecoming.

III. Organization & Administration

There was committee including two members and two officers that coordinated the event. They worked with Mines Activity Council to advertise the event and tabled for several days on Pedestrian Plaza. The sign-up link and Facebook page were also sent in email form in the Daily Blast.

IV. Cost and Personnel Requirements

ExxonMobil donated $500 to this event which funded advertising and the prizes. Members were needed to table in the Pedestrian Plaza to advertise and sign up teams. The committee judged and tallied the pictures and then distributed the prizes.

1st place - $125, 2nd place - $75, 3rd place - $50, other categories - $75 each

V. Special Problems

Not as many people participated as desired.

VI. Overall Evaluation – Results

This event went well for a first try. The goal was to expose the campus to Tau Beta Pi and that goal was met. There are many improvements we plan on implementing next year, especially advertising.

VII. Index of Exhibits

Participants – hours

Ben Gallman – 1.5  
Devon Dunmire – 2
Rachel Mizenko – 1.5

INTERVIEWING
Recurring - F16-09 October 31 – November 4, 2016 and April 3-7, 2017

Number of Participants
Members: 13
Electees: 0
Other: 0

Average number of hours per person
Organizing: 2
Participating: 1

I. General Description

Members interviewed potential candidates to assess their fit for our chapter.

II. Purpose & Relationship to Objectives of TBP

The purpose was to recruit more members that identify with the core values of TBP.

III. Organization & Administration (In conjunction with another group?)

Vice President organized room reservations and coordinated interview times.

IV. Cost and Personnel Requirements

The interviewers were members. Interviews lasted 15 minutes.

V. Special Problems

None.

VI. Overall Evaluation – Results

More communication would be helpful on both sides. However, we received many good members out of the process.

VII. Index of Exhibits

EPICS JUDGING
Recurring - F16-15

Number of Participants
Members: 11
Electees: 0
Other: 0

Average number of hours per person
Organizing: 1
Participating: 2

I. General Description
Members were asked to judge the first-year engineering student design competition.

II. Purpose & Relationship to Objectives of TBP
This event supports the campus and development of engineers.

III. Organization & Administration
The EPICS Department puts on the event and reached out to COA asking for help as we participate in this event every semester.

IV. Cost and Personnel Requirements
None.

V. Special Problems
None.

VI. Overall Evaluation – Results
Event was successful.

PI DAY COOKIES

Recurring – S17-19

March 14, 2017

Number of Participants Members: 9 Electees: 0 Other: 0

Average number of hours per person Organizing: 2 Participating: 2

I. General Description

Members handed out cookies with the symbol for pi iced on them in the center of campus.

II. Purpose & Relationship to Objectives of TBP

The purpose of this event was to spread awareness of the club to campus.

III. Organization & Administration (In conjunction with another group?)

Created a committee to organize volunteers and oversee cookie creation.

IV. Cost and Personnel Requirements

Needed volunteers to make cookies and people to run table. Overall cost was $120.

V. Special Problems

Ran out of cookies.

VI. Overall Evaluation – Results

Cookies are easier than pie to hand out. The event went well and got TBP COA on Colorado School of Mine’s official Instagram page.

HELLUVA SERVICE EVENT
Recurring - S17-21

April 8, 2017

Number of Participants
- Members: 9
- Electees: 0
- Other: 0

Average number of hours per person
- Organizing: 1
- Participating: 4.3

I. General Description

Helping Golden community with yard projects.

II. Purpose & Relationship to Objectives of TBP

By donating our time, members helped to better the Golden community.

III. Organization & Administration (In conjunction with another group?)

The event was organized by a service group on campus. There were many school organizations involved.

IV. Cost and Personnel Requirements

None.

V. Special Problems

None.

VI. Overall Evaluation – Results

It was a good service event for a large number of members.

VII. Index of Exhibits

TREBUCHET CONTEST
Recurring - S17-22

Number of Participants
Members: 10
Electees: 0
Other: 0

Average number of hours per person
Organizing: 3
Participating: 2.8

I. General Description

This was the 12th annual E-Days Trebuchet Competition. Student teams are instructed to make a trebuchet to hit a 6 ft x 6 ft castle at varying distances. The ammunition they used was a one-gallon milk jug filled with water.

II. Purpose & Relationship to Objectives of TBP

This project promotes engineering by encouraging students to take an active role in competing against one another.

III. Organization & Administration (In conjunction with another group?)

As part of E-Days which is put on by MAC (Mines Activities Council).

IV. Cost and Personnel Requirements

Duct tape and spray paint are needed for the competition, specifically to build the castle. Members are encouraged to donate cleaned milk jugs for service hours.

V. Special Problems

None.

VI. Overall Evaluation – Results

The event went well as the teams and spectators enjoyed the competition.

VII. Index of Exhibits

Participants - hours

Grant Sheridan – 6

April 22, 2017

CARDBOARD BOAT RACE

Recurring - S17-23

April 22, 2017

Number of Participants Members: 17 Electees: 0 Other: 0

Average number of hours per person Organizing: 6 Participating: 3.2

I. General Description

As part of Engineering Days at Colorado School of Mines, Tau Beta Pi runs an annual cardboard boat race where students at the school form teams to build cardboard boats to navigate down Clear Creek. The boats must be solely made from cardboard and duct tape and be painted to resemble the theme for E-Days (this year it was Prehistor-E Days).

II. Purpose & Relationship to Objectives of TBP

This event promotes engineering by giving students an engineering challenge with material limitations that are less than ideal.

III. Organization & Administration (In conjunction with another group?)

This event is run in conjunction with MAC (Mines Activities Council).

IV. Cost and Personnel Requirements

BP sponsors the event. Some duct tape is needed as well as personnel to run the event. Life jackets and helmets are rented from the Outdoor Recreation Center. Rope, stopwatches, clipboards, and dumpster are also necessary.

V. Special Problems

None.

VI. Overall Evaluation – Results

The event was a huge success. We had more teams participating this year than last year.

VII. Index of Exhibits

Participants - hours

FACULTY APPRECIATION LUNCHEON  
Recurring – S17-24  
April 28, 2017

Number of Participants  | Members: 8 | Electees: 0 | Other: 0 
---|---|---|---
Average number of hours per person  | Organizing: 6 | Participating: 2.5

I. General Description

Luncheon hosted by campus honor societies that recognized outstanding faculty as voted on by the members of each organization involved with the event.

II. Purpose & Relationship to Objectives of TBP

We recognized outstanding engineers and faculty members who support the education of engineers.

III. Organization & Administration (In conjunction with another group?)

COA reserved the room and provided main course. This event was put on in conjunction with Blue Key and Order of Omega. We also made awards and certificates for winning faculty and staff.

IV. Cost and Personnel Requirements

This event required a $300 room and table reservation, $300 for food, and volunteers for set up and clean up.

V. Special Problems

None.

VI. Overall Evaluation – Results

This was a good starting point for following years to build on. In the future, we will shoot for more attendance. There was very positive feedback from faculty and staff as they appreciated students recognizing them rather than just the departments organizing a similar event.

VII. Index of Exhibits

Participants - hours

Lauren Harrison – 2.5  
Jacob Aas – 2.5  
Chayapod Beokhaimook – 1  
Thomas Grier Beaty – 2  
Kaylie Haynes – 2  
Thomas Wagener – 10  
Eric Hale – 4

3. **CHAPTER – SOCIAL**
ST. MARRY’S GLACIER HIKE

New - F16-07 October 16, 2016

Number of Participants Members: 4 Electees: 0 Other: 0

Average number of hours per person Organizing: 1 Participating: 3

I. General Description
Fall Break hike at local trail.

II. Purpose & Relationship to Objectives of TBP
Member bonding and creating well rounded engineers.

III. Organization & Administration (In conjunction with another group?)
Carpooling and sign-up creation.

IV. Cost and Personnel Requirements
Driving.

V. Special Problems
No one came because the event was planned over Fall Break when everyone was gone.

VI. Overall Evaluation – Results
A better time and better planning would have increased attendance which gives us something to improve on next year.

VII. Index of Exhibits

Participants - hours
Tommy Wagner - 3
Eric Hale - 3

Katelyn Hesse - 3
BEER AND FOOD
New – F16/S17-11 11/11; 2/3, 17; 3/3, 17

Number of Participants Members: 6 Electees: 0 Other: 0
Average number of hours per person Organizing: 3 Participating: 2

I. General Description
This event occurred bi-weekly and involved gathering at a local brewery or restaurant.

II. Purpose & Relationship to Objectives of TBP
Member networking and creating a well-rounded engineer.

III. Organization & Administration (In conjunction with another group?)
Google Form and reminder text message.

IV. Cost and Personnel Requirements
Free – club does not provide any money.

V. Special Problems
Low attendance.

VI. Overall Evaluation – Results
This social event could be better, specifically higher attendance. Social events that more members can go to (i.e. people under 21) would increase attendance.

VII. Index of Exhibits
Participants
Katelyn Hesse
Holly Polodna
Eric Hale
Brian Froechtenigt

FALL INITIATION
Recurring F16-14

December 2, 2016

Number of Participants
Members: 15
Electees: 40
Other: 0

Average number of hours per person
Organizing: 3
Participating: 2

I. General Description

For the initiation ceremony, we had member volunteers help go through certificates, set up tables, block out windows, set up food. We also had volunteers and officers take role and run the ceremony.

II. Purpose & Relationship to Objectives of TBP

Creates an environment of transition between old and new members where the newly initiated members can meet each other and meet current members and officers and get to know the club.

III. Organization & Administration (In conjunction with another group?)

Event run by the Colorado Alpha chapter.

IV. Cost and Personnel Requirements

Food for after the ceremony and volunteers to set up / clean up.

V. Special Problems

There was one person who was not on the list and had not filled out a catalog card, so he was turned away.

VI. Overall Evaluation – Results

Initiation was once again a success. We initiated many new wonderful members!

I. General Description
Colorado Alpha hosted District 12’s annual conference at the Colorado School of Mines Campus.

II. Purpose & Relationship to Objectives of TBP
This is a mandatory event.

III. Organization & Administration (In conjunction with another group?)
Room reservations and volunteer organizing. The district directors organized the rest.

IV. Cost and Personnel Requirements
Only volunteers for food set up and clean up as well as campus tours.

V. Special Problems
None.

VI. Overall Evaluation – Results
A successful conference with a lot of networking that happened!

SPRING INITIATION
Recurring S17-25
April 28, 2017

Number of Participants
Members: 14
Electees: 37
Other: 0

Average number of hours per person
Organizing: 3
Participating: 2

VIII. General Description
For the initiation ceremony, we had member volunteers help go through certificates, set up tables, block out windows, set up food. We also had volunteers and officers to take the roles in the ceremony.

IX. Purpose & Relationship to Objectives of TBP
Creates an environment of transition between old and new members where the newly initiated members can meet each other and meet current members and officers and get to know the club.

X. Organization & Administration (In conjunction with another group?)
Event run by the Colorado Alpha chapter.

XI. Cost and Personnel Requirements
Food for after the ceremony and volunteers to set up / clean up.

XII. Special Problems
This semester we also initiated three eminent engineers which we hope to continue doing in the future!

XIII. Overall Evaluation – Results
Initiation was once again a success. We initiated many new wonderful members!

XIV. Index of Exhibits
