Chapter: Florida Gamma
Chapter Project Report

Project number: 1

INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated, but do not send extraneous material that would not be useful to other chapters.

Project name: Volunteering at Quantum Leap Date(s) of Project: 9/17/16

Project _X_ Community/ Liberal Culture ___ University/ College ___ Profession/ Engineering
Area: ___ Chapter/ Social ___ Education/ Prof. Dev. ___ K-12/MindSET

Number of persons who participated in this project Members: 1 Electees: 1
(Please attach a list of names.)

Hours spent on this project. Organizing: 2 Participating: 4

DESCRIPTION:

I. General Description: Volunteered at a local therapeutic horse farm, which consisted of: doing tasks around the barn/pastures, cleaning, and interacting with people of all ages who had disabilities.

II. Purpose & Relationship to Objectives of TBP: These sessions assisted the members and initiates of the Tau Beta Pi Engineering Honor Society to give back to the community, while in a low stress learning environment. These events allowed members to interact with those whom they might not communicate with on a daily basis, allowing a great amount of interpersonal growth.

III. Organization & Administration: (in conjunction with another group?) Yes X No

IV. Cost & Personnel Requirements: Driving initiates to the event.

V. Special Problems: ___ N/A

VI. Overall Evaluation/Results (Be Specific): Those that attended had a fantastic time while learning about different disabilities and duties around the barn. I expected a larger turn out, but it was the beginning of the semester and students were just settling into their schedules.

VII. Index of Exhibits: 

Tau Beta Pi Attendance
Initiates:
Asard (Kaleb) Marroquin

Members:
Brooke Bradshaw
INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated; however, do not send extraneous material that is not beneficial.

Project name: Resume Workshop Date(s) of Project: 9/22/16

Project area: Community/University/Profession/Chapter/Education/Liberal Culture/College/Engineering/Social/Prof. Dev.

Number of persons who participated in this project
Members: 1 Electees: 1

 Hours spent on this project. Organizing: 1 Participating: 1

DESCRIPTION:

I. General Description: This event gave students the opportunity to improve their resumes with the help of a career services consultant.

II. Purpose & Relationship to Objectives of TBP: The purpose of this event was to ensure Tau Bates translate their accomplishments to further their professional careers into a well-written resume.

III. Organization & Administration: (in conjunction with another group?) Yes No

This event was organized by Tau Beta Pi and administered by Dr. Jamie Chilton, engineering career services specialist.

IV. Cost & Personnel Requirements: This event was free for us to organize and attend.

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): Though the attendance was small, the students greatly benefitted from the workshop and made appropriate improvements to their resumes.

VII. Index of Exhibits:

List of Attendees:
Members: Eduardo Benitez
Initiates: Rina Pineda Alvarado
INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated; however, do not send extraneous material that is not beneficial.

Project name: __Game Night Social____________ Date(s) of Project: ________09/22/16_____

Project area: __ Community/ __ University/ __ Profession/ _X_ Chapter/ __Education/ Liberal Culture College Engineering Social Prof. Dev.

Number of persons who participated in this project Members: _3_ Electees: _1_

(Please attach a list of names.)

Hours spent on this project. Organizing: _2_ Participating: _3_

DESCRIPTION:

I. General Description: This event was the first event to kick off the semester. The night was full fun games like pool, ping pong and foosball.

II. Purpose & Relationship to Objectives of TBP: The event was design in purpose to bond with the new initiates.

III. Organization & Administration: (in conjunction with another group?) _X_ Yes ___ No

Institute of Industrial and Systems Engineers (IISE)

IV. Cost & Personnel Requirements: _$25 for food and miscellaneous items

V. Special Problems: _______ N/A ________________________________________________

___________________________________________________________

VI. Overall Evaluation/Results (Be Specific): The event was very successful and everyone enjoyed their time very much.

Chapter Project Report
Project number: 4

INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated; however, do not send extraneous material that is not beneficial.

Project name: Kayaking Social
Date(s) of Project: 10/01/16

Project area: Community/University/Profession/Chapter/Education/Liberal Culture/College/Engineering/Social/Prof. Dev.

Number of persons who participated in this project
Members: 1
Electees: 2

Hours spent on this project.
Organizing: 2
Participating: 3

DESCRIPTION:

I. General Description: The kayaking river event was a great way for members to get outside and relax.

II. Purpose & Relationship to Objectives of TBP: This event was a way to take a break from midterm and relax on the river.

III. Organization & Administration: (in conjunction with another group?) Yes No

IV. Cost & Personnel Requirements: $15 for kayaks

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): The event was very successful and everyone enjoyed their time very much.

VII. Index of Exhibits: 

List of Attendees:

Yu Wang
INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated, but do not send extraneous material that would not be useful to other chapters.

Project name: Feed-A-Bull Food Drive
Date(s) of Project: 10/13/16

Project X Community/ Liberal Culture __ University/ College X Profession/ Engineering
Area: X Chapter/ Social __ Education/ Prof. Dev. __ K-12/MindSET

Number of persons who participated in this project
Members: 1    Electees: 4
(Please attach a list of names.)

Hours spent on this project. Organizing: 2    Participating: 4

DESCRIPTION:
I. General Description: Collected goods in the Engineering 2 building for Feed-A-Bull, which is an organization that provides USF students with free food.

II. Purpose & Relationship to Objectives of TBP: This event allowed members/initiates to directly impact our fellow Bulls in a positive manner, as many of our colleagues experience difficult times that we are not aware of. Holding this event was also educational and informative, as many of the members were not aware that USF had an organization that collected food for students in need.

III. Organization & Administration: (in conjunction with another group?) Yes X No

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): We received goods from 4 different initiates, which was less than anticipated.

VII. Index of Exhibits: 

Tau Beta Pi Attendance
Initiate List:
1. Tracy Miller
2. Brayan Orjuela Pico
3. Rina Pineda Alvarado
4. Millicent Schlafly

Project name: Volunteering at The Good Samaritan  Date(s) of Project: 10/18/16

Project X Community/ Liberal Culture  University/ College  X Profession/ Engineering
Area:  X Chapter/ Social  __Education/ Prof. Dev.  _K-12/MindSET

Number of persons who participated in this project  Members: 1  Electees: 6
(Please attach a list of names.)

Hours spent on this project.  Organizing: 2  Participating: 4

DESCRIPTION:

I. General Description: Volunteered at a local homeless shelter, serving residents and locals a hot dinner and socializing with them afterwards.

II. Purpose & Relationship to Objectives of TBP: This event allowed members/initiates to directly interact with locals in our community. It was an eye opening experience for all participants, as you don’t realize the seriousness of homelessness until you are immersed within an environment which permits it. This event helped members build their communication skills within people of all ages.

III. Organization & Administration: (in conjunction with another group?)  Yes  X No

IV. Cost & Personnel Requirements: Driving to the event.

V. Special Problems:  N/A

VI. Overall Evaluation/Results (Be Specific): Members and initiates had had an absolute wonderful time. It was truly heartwarming, as we were able to instantly see these faces light up when they were handed a hot meal. I also admired the opportunity of being able to listen to these people, as they come from such diverse backgrounds.

VII. Index of Exhibits: 

Tau Beta Pi Attendance

Project name: EXPO Planning Date(s) of Project: 10/20/16

Project: X Community/ Liberal Culture X University/ College Profession/ Engineering Area: Chapter/ Social Education/ Prof. Dev. K-12/MindSET

Number of persons who participated in this project Members: 1 Electees: 2

(Please attach a list of names.)

Hours spent on this project. Organizing: 1 Participating: 1

DESCRIPTION:

I. General Description: A meeting with initiates to help plan the 2017 Engineering EXPO event for TBP exhibit.

II. Purpose & Relationship to Objectives of TBP: EXPO planning meetings allow initiates and members to socialize and plan a beneficial community event for engaging K-12 children with STEM.

III. Organization & Administration: (in conjunction with another group?) Yes X No

IV. Cost & Personnel Requirements: No costs were accrued at this meeting.

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): The meeting was productive as the types and number of booths were decided. Specifics about the booths were decided to be approached at next meeting.

INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated; however, do not send extraneous material that is not beneficial.

Project name: Backyard BBQ with SHPE Date(s) of Project: 10/17/16 – 10/21/16

Project area: Community/University/Profession/Chapter/Education/Liberal Culture
X University/College
X Profession/Engineering

Number of persons who participated in this project Members: 2 Electees: 9
(Please attach a list of names.)

Hours spent on this project. Organizing: 0 Participating: 8

DESCRIPTION:

I. General Description: The Backyard BBQ was a week pack filled with events geared towards preparing students to network at a casual career fair on the final day.

II. Purpose & Relationship to Objectives of TBP: The purpose of this event was to enhance the social skills and professional development of Tau Bates through workshops, seminars, and the networking events.

III. Organization & Administration: (in conjunction with another group?) Yes No

This was administered by the Society of Hispanic Professional Engineers.

IV. Cost & Personnel Requirements: This event was free for Tau Bates to attend.

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): This was the most popular event of the semester. Potential Tau Bates were examined by their professionalism while networking.

VII. Index of Exhibits:

List of Attendees:
Alejandro Guerra Piol
Tao Hou
Andres Izurieta-Ochoa
Matthew Kessler
Asgard Kaleb Marroquin
INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated; however, do not send extraneous material that is not beneficial.

Project name: People Skills EF Session
Date(s) of Project: Oct. 29, 2016

Project area: Community/University/Profession/Chapter/Education/Engineering/Social/Prof. Dev.

Number of persons who participated in this project
Members: 1
Electees: 4
(Please attach a list of names.)

Hours spent on this project.
Organizing: 3
Participating: 4

DESCRIPTION:

I. General Description: A professional workshop offered by Tau Beta Pi Headquarters that teaches engineering students the soft skills necessary for healthy and beneficial communication amongst others in the workforce.

II. Purpose & Relationship to Objectives of TBP: To ensure that our members, candidates, and other aspiring engineering students are ready for the workforce prior to graduation.

III. Organization & Administration: (in conjunction with another group?) Yes

IV. Cost & Personnel Requirements: Instructor Provided by Tau Beta Pi headquarters ($23.99 for Publix catering)

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): A successful event that had students earn a certificate upon completion and most students completed their first EF session with this event.

Project name: Peabody's Social Date(s) of Project: 02/09/17

Project area:  __ Community/ __ University/ __ Profession/ ✓ Chapter/ __ Education/ Liberal Culture College Engineering Social Prof. Dev.

Number of persons who participated in this project
Members: 4  Electees: 4
(Please attach a list of names.)

Hours spent on this project.  Organizing: 1  Participating: 3

DESCRIPTION:

I. General Description: A small Tau Beta Pi gathering of at a local sports bar where initiates can eat food, play pool, and get to know the attending officers on a more personal level.

II. Purpose & Relationship to Objectives of TBP: The purpose of this event was to reach out to some of the initiates the week after orientation to show that even engineering students with high academic standards and achievement need some down time for relaxing and having fun.

III. Organization & Administration: (in conjunction with another group?) ___ Yes ✓ No

IV. Cost & Personnel Requirements: Total cost of appetizers purchased was $16.72.

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): The event was successful at reaching out a select few initiates that expressed early interest in becoming more involved with the chapter for future leadership opportunities. There were also a few graduate level initiates as well.

VII. Index of Exhibits: 
List of Attendees:
1) Bryan Hare
2) Christina-Anne Lahiff
3) Millicent Schlafly
4) Chukwubuike Ume-Ugwa

Project name: Founder's Day at Top Golf  
Date(s) of Project: 02/16/17

Project area: ___ Community/ __ University/ ___ Profession/ ✔ Chapter/ ___ Education/ Liberal Culture College Engineering Social Prof. Dev.

Number of persons who participated in this project  
Members: 4  Electees: 2

(Please attach a list of names.)

Hours spent on this project.  
Organizing: 1  Participating: 2

DESCRIPTION:

I. General Description: Celebrating Tau Beta Pi Founder’s Day with members, alumni, and initiates at Top Golf where people can relax, network, and enjoying food and games.

II. Purpose & Relationship to Objectives of TBP: The purpose of this event was to reconnect a few notable alumni members to the Florida Gamma chapter and show initiates how much we care about celebrating those who established the organization for us.

III. Organization & Administration: (in conjunction with another group?) ___ Yes  ✔ No

IV. Cost & Personnel Requirements: $40 for an hour long game plus $14 for appetizers

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): We had an alumni member come out and enjoyed time with the current officers and initiates for the Florida Gamma chapter.

VII. Index of Exhibits: 
List of Attendees:
1) Bryan Hare
2) Christina-Anne Lahiff
3) Millicent Schlafly
4) Ghulam Jilani Quadri
5) Israel Justice

Project name: Engineering EXPO  Date(s) of Project: 2/17/17 – 2/18-17

Project Area: X Community/ Liberal Culture  X University/ College   X Profession/ Engineering
__ Chapter/ Social   __Education/ Prof. Dev.   X K-12/MindSET

Number of persons who participated in this project
Members: 5  Electees: 8
(Please attach a list of names.)

Hours spent on this project. Organizing: 10  Participating: 12

DESCRIPTION:

I. General Description: A science and engineering themed event hosted annually by the University of South Florida for students and people from the community

II. Purpose & Relationship to Objectives of TBP: EXPO allow initiates and members to inspire an interest in engineering in the community

III. Organization & Administration: (in conjunction with another group?) X Yes  __ No

IV. Cost & Personnel Requirements: The cost of materials was roughly $160.00 – receipts were given to treasurer.

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): The Tau Beta Pi exhibit at EXPO was a success – hundreds of students and others visited the booths and learned about science, engineering principles, and Tau Beta Pi

VII. Index of Exhibits:

Project name: Bent Pick Up/Jeopardy Day  Date(s) of Project: 3/28/17

Project area: Community/ University/ Liberal Culture  College  __ Professional/ Engineering  __ Chapter/ Social  __ Education/ Prof. Dev.

Number of persons who participated in this project
(Please attach a list of names.)

Members: 3  Electees: 16

Hours spent on this project. Organizing: 2  Participating: 2

DESCRIPTION:

I. General Description: A new social event for both members and initiates which includes pizza, a fundraising raffle for a free Tau Beta Pi graduation stole/cord, and jeopardy to help prepare initiates for their quiz the next day. Members are also free to stop by, socialize, and pick up their own personalized bents provided by headquarters from the previous semester.

II. Purpose & Relationship to Objectives of TBP: The objective of this event was to allow members to pick up their personalized bents while giving initiates the opportunity to study for their upcoming quiz while having fun and relieving any unnecessary stress.

III. Organization & Administration: (in conjunction with another group?) Yes  No

IV. Cost & Personnel Requirements: ~$35 for pizza

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): This social event was the first of its kind and we hope to continue this new tradition each semester. Next time we hope to have better attendance from members initiated the previous semester so we may pass out more of their bents.
