Project name: General Meeting
Date(s) of Project: 9/7/2016

Project area: ___ Community/ Liberal Culture
___ University/ College
___ Profession/ Engineering
___ Chapter/ Social
___ Education/ Prof. Dev.

Number of persons who participated in this project
Members: 15___ Electees: ___
(Please attach a list of names.)

Hours spent on this project.
Organizing: 1___ Participating: 1___

DESCRIPTION:

I. General Description: The purpose of this event was to start of the fall semester by informing current members about our plans for the semester. We introduced the exec board to members. We informed members about the requirements to receive cords and stoles for graduation. We asked those who were willing to join committees to help the exec board plan events. We supplied pizza for those who attended.

II. Purpose & Relationship to Objectives of TBP: This was an event we ran to allow members to get to know one another better and to inform members about events they can get involved in throughout the semester.

III. Organization & Administration: (in conjunction with another group?) ___ Yes ___X_ No

IV. Cost & Personnel Requirements: The cost was $50.34

V. Special Problems: None

VI. Overall Evaluation/Results (Be Specific): We had a good turnout for the event (free pizza usually helps with that). It was great to see so many people interested in participating in events and joining committees.

Members: Thomas Gouger, Kevin Krueger, Rachel Levine, Brian Roskusza, Hannah Shapiro, Jared Spilky
Electees: Slade Jewel, Allison White

Hours spent on this project.  Organizing:3  Participating:3

DESCRIPTION:

I. General Description: Tau Beta Pi members and electees attended the Bradley soccer game and tailgated. We grilled burgers, hot dogs, threw the Frisbee/football, socialized and watched the soccer game.

II. Purpose & Relationship to Objectives of TBP: The purpose of this event was to allow our members and electees to get to know one another better and have fun. It was a really enjoyable event.

III. Organization & Administration: (in conjunction with another group?)  ___ Yes  _X_ No

IV. Cost: The cost was $54.79

V. Special Problems: It was difficult finding a grill but we were able to borrow a member’s roommates grill.

VI. Overall Evaluation/Results: This event was a great success. We had a lot of fun and became better acquainted with each other. It would have been better if more electees had shown up.

Hours spent on this project.          Organizing: 1          Participating: 2

DESCRIPTION:

I. General Description: This was an event where people met up at Jobst Hall in order to polish the
   large bent. The electees also used the opportunity to polish their own bents as part of their
   membership requirement.

II. Purpose & Relationship to Objectives of TBP: This event was an opportunity for the electees to get
   to know members as well as to polish their bents together. It also helped the outside of Jobst look
   better.

III. Organization & Administration: (in conjunction with another group?)  ___ Yes  _X_ No

IV. Cost & Personnel Requirements: N/A

V. Special Problems: N/A

VI. Overall Evaluation/Results: This event was successful based upon our high electee turnout.

Number of persons who participated in this project:
Members: 6 Electees: ___

Hours spent on this project:
Organizing: 2 Participating: 2

DESCRIPTION:

I. General Description: Several members of the chapter visited the Peoria Observatory to observe the night sky, stars, and planets.

II. Purpose & Relationship to Objectives of TBP: This served as another event for our members to interact with one another and helped us to appreciate the beauty of the world we live in.

III. Organization & Administration: (in conjunction with another group?) ___ Yes ___X_ No

IV. Cost & Personnel Requirements: N/A
VI. Overall Evaluation/Results (Be Specific): This was a great idea for an event because observing the night sky is really beautiful and something that most people do not do on a daily basis. However, we did not have strong attendance. I feel it would be a good event to try again but we would need to do a better job at getting more people to attend.

DESCRIPTION:

I. General Description: Coffee with Engineering Professionals is a networking event for all engineering majors at Bradley University. The Smith Career Center at Bradley assisted us in contacting various engineering companies in the greater Illinois area. We provided snacks, and hot beverages and professional engineers discussed their careers with students.

II. Purpose & Relationship to Objectives of TBP: This was a great opportunity not only for members of TBP but for the entire college of engineering to network and learn about engineering careers.

III. Organization & Administration: (in conjunction with another group?)  _X__ Yes    ____ No

The Smith Career Center assisted us with networking with the employers.
IV. Cost & Personnel Requirements: ____________________________________________________________

V. Special Problems: If the companies did not respond with a concrete answer on attendance we had to call them to get a concrete yes or no.

VI. Overall Evaluation/Results (Be Specific): This event went well, although attendance could have been better. We definitely will continue to do this event in the future because it is a great event for the university
