# 1 Fundraising - Concessions 9/4/21

## Maryland Beta

### 1. Project Information

- i. Date(s): 09/04/21
- ii. New/Recurring Project: Recurring
- iii. Project Areas:
  - Fundraising
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM

- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 11    |
| Electees | 2     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 3.0           | 6.0        |

### 2. Project Evaluation

- i. **General Description**

Members volunteer at a cart at the UMD football games to earn a portion of the tips and cart earnings for the society.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

The funds earned from concessions go into maintaining the society's spaces, providing food, and making events for members.
- iii. **Organization and Administration**

The Fundraising Chair gathers volunteers for concessions and leads them during the game to make sales.
- iv. **Total Cost**

\$0.0
- v. **Cost Breakdown**

10-15 members are required each time
- vi. **Special Problems Encountered**

No special problems
- vii. **Overall Evaluation**

More volunteers would make the process easier because making sales is hectic.

## 2 First Look Meeting

### Maryland Beta

#### 1. Project Information

- i. Date(s): 09/07/21 - 09/08/21
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 5     |
| Electees | 41    |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 2.0           | 1.0        |

#### 2. Project Evaluation

- i. **General Description**

Inform potential candidates of TBP's requirements and culture. Gauge interest from potential electees. These meetings also help spread awareness of our presence on campus.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

To get candidates to become interested in joining TBP
- iii. **Organization and Administration**

Initiation Chairs emailed potential candidates about interest and inviting them to the meetings. They prepared a presentation and invited other officers. President spoke at both meetings after being given the link for the meeting. Any other officers who were free also attended to demonstrate commitment to TBP and also encourage potential members.
- iv. **Total Cost**

\$0.0
- v. **Cost Breakdown**

N/A
- vi. **Special Problems Encountered**

Many people who RSVP'd did not show up at the meeting. In addition, some students who did show up did not sign in. Online formats are not as engaging as in-person events.

vii. **Overall Evaluation**

Good turnout and general interest from most of the attendants. A decent number were not fully qualified to initiate this semester, but it seemed like these meetings sparked interest in joining during a future semester.

### 3 Fundraising - Concessions 9/11/21

#### Maryland Beta

##### 1. Project Information

- i. Date(s): 09/11/21
- ii. New/Recurring Project: Recurring
- iii. Project Areas:
  - Fundraising
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM

- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 11    |
| Electees | 2     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 3.0           | 6.0        |

##### 2. Project Evaluation

- i. **General Description**

Members volunteer at a cart at the UMD football games to earn a portion of the tips and cart earnings for the society.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

The funds earned from concessions go into maintaining the society's spaces, providing food, and making events for members.
- iii. **Organization and Administration**

The Fundraising Chair gathers volunteers for concessions and leads them during the game to make sales.
- iv. **Total Cost**

\$0.0
- v. **Cost Breakdown**

10-15 members are required each time
- vi. **Special Problems Encountered**

No special problems
- vii. **Overall Evaluation**

More volunteers would make the process easier because making sales is hectic.

# 4 Ice Cream Social

## Maryland Beta

### 1. Project Information

- i. Date(s): 09/15/21
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 18    |
| Electees | 17    |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 3.0           | 1.0        |

### 2. Project Evaluation

- i. **General Description**  
Held an ice cream social for members and new initiates
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
Hosted an ice cream social to welcome the initiates and introduce them to current TBP members to jumpstart their involvement in MD Beta
- iii. **Organization and Administration**  
Organized by initiation chairs.
- iv. **Total Cost**  
\$93.21
- v. **Cost Breakdown**  
\$93.21 for ice cream.
- vi. **Special Problems Encountered**  
None
- vii. **Overall Evaluation**  
Event went very well. Members and initiates came and left as appropriate creating a casual environment. Initiates seemed comfortable talking to members and other initiates. Looks like a good crew. Had a good turnout of both members and initiates

# 5 Lake Artemesia

## Maryland Beta

### 1. Project Information

- i. Date(s): 09/24/21
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 4     |
| Electees | 9     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 3.0           | 1.5        |

### 2. Project Evaluation

- i. **General Description**

Helped remove invasive plant species from Lake Artemesia, a park in College Park.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

This would be classified as an event that is supportive of Tau Beta Pi's endeavor of serving the larger community.
- iii. **Organization and Administration**

The main organizer that TBP MD Beta partnered with for this event was MNCPPC, the Maryland National Capital Park and Planning Commission. At the actual event, this included two park rangers that worked with one of the chairs of community service to direct participants toward the objective for the event.
- iv. **Total Cost**

\$0.0
- v. **Cost Breakdown**

No cost for TBP MD Beta.
- vi. **Special Problems Encountered**

There were some difficulties in getting participants registered with the MNCPPC volunteer database due to the lack of user friendliness of the service. These were solved through working closely with the organizing park rangers.

vii. **Overall Evaluation**

This project was overall highly successful. Before the event, there was tremendous overgrowth of the invasive species at the location of removal, but afterwards there was enormous clearance that is very beneficial to according to the rangers. Participants also spoke of it very fondly.

# 6 Fundraising - Concessions 9/25/21

## Maryland Beta

### 1. Project Information

- i. Date(s): 09/25/21
- ii. New/Recurring Project: Recurring
- iii. Project Areas:
  - Fundraising
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM

- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 9     |
| Electees | 2     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 3.0           | 6.0        |

### 2. Project Evaluation

- i. **General Description**

Members volunteer at a cart at the UMD football games to earn a portion of the tips and cart earnings for the society.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

The funds earned from concessions go into maintaining the society's spaces, providing food, and making events for members.
- iii. **Organization and Administration**

The Fundraising Chair gathers volunteers for concessions and leads them during the game to make sales.
- iv. **Total Cost**

\$0.0
- v. **Cost Breakdown**

10-15 members are required each time
- vi. **Special Problems Encountered**

No special problems
- vii. **Overall Evaluation**

More volunteers would make the process easier because making sales is hectic.

# 7 Arboretum

## Maryland Beta

### 1. Project Information

- i. Date(s): 09/29/21
- ii. New/Recurring Project: Recurring
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM

- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 10    |
| Electees | 4     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.1           | 1.0        |

### 2. Project Evaluation

- i. **General Description**  
Volunteering to complete weeding and landscaping for the University of Maryland's Arboretum.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
Help maintain the environment for our campus community.
- iii. **Organization and Administration**  
A representative from the University of Maryland's Arboretum and Botanical Garden department led our group to a garden where we worked on landscaping.
- iv. **In Conjunction With**  
Arboretum and Botanical Garden Department
- v. **Total Cost**  
\$0.0
- vi. **Cost Breakdown**  
N/A
- vii. **Special Problems Encountered**  
N/A
- viii. **Overall Evaluation**  
Completed weeding in an on-campus garden and learned about the different species of trees the university has on campus.

# 8 Fundraising - Concessions 10/1/21

## Maryland Beta

### 1. Project Information

- i. Date(s): 10/01/21
- ii. New/Recurring Project: Recurring
- iii. Project Areas:
  - Fundraising
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM

- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 7     |
| Electees | 3     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 3.0           | 6.0        |

### 2. Project Evaluation

- i. **General Description**

Members volunteer at a cart at the UMD football games to earn a portion of the tips and cart earnings for the society.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

The funds earned from concessions go into maintaining the society's spaces, providing food, and making events for members.
- iii. **Organization and Administration**

The Fundraising Chair gathers volunteers for concessions and leads them during the game to make sales.
- iv. **Total Cost**

\$0.0
- v. **Cost Breakdown**

10-15 members are required each time
- vi. **Special Problems Encountered**

No special problems
- vii. **Overall Evaluation**

More volunteers would make the process easier because making sales is hectic.

# 9 Asynchronous Letter Writing

## Maryland Beta

### 1. Project Information

- i. Date(s): 10/01/21 - 12/05/21
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 2     |
| Electees | 2     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.5           | 1.5        |

### 2. Project Evaluation

#### i. General Description

Some members of our chapter were unable to attend sufficient in-person events to satisfy their active membership requirements. Those members were given the opportunity to make letters on their own time. They could either write one full page letter to an adult first responder or make 3 artistic holiday cards to send to children in the hospital as credit for a 1 hour event.

#### ii. Purpose and Relationship to Objectives of Tau Beta Pi

As one of our community service offerings, this opportunity is intended to have a positive impact on the community.

#### iii. Organization and Administration

Those who chose to write letters for first responders were responsible for acquiring the materials and mailing their own letters. Those who made holiday cards could utilize the craft material available in the Tau Beta Pi student lounge and had their letters mailed as part of a larger package of holiday cards.

#### iv. Total Cost

\$0.0

#### v. Cost Breakdown

N/A

vi. **Special Problems Encountered**

Ideally, we would have sufficient events planned for every member to achieve their active membership requirements in-person. Only 4 members needed extra hours, so we were very close to successful!

vii. **Overall Evaluation**

We are hopeful these cards will brighten the day of a first responder or hospitalized child.

# 10 Custom Bent Party

## Maryland Beta

### 1. Project Information

- i. Date(s): 10/07/21
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 4     |
| Electees | 19    |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 2.0           | 1.0        |

### 2. Project Evaluation

- i. **General Description**  
Initiates take pride in their Custom Bents by showing them off to other initiates and members. This is an opportunity for bonding within the initiation class and to see what each person has done to fulfill their requirement
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
Bonding of the initiation class and further interaction with officers and members. Also to get a view of all submitted bents to record and vote on best bents
- iii. **Organization and Administration**  
Organized by initiation chairs and held in the lounge
- iv. **Total Cost**  
\$0.0
- v. **Cost Breakdown**  
N/A
- vi. **Special Problems Encountered**  
None
- vii. **Overall Evaluation**  
Very successful. Large turnout (most initiates came) and many really cool bents.

# 11 Arboretum 2

## Maryland Beta

### 1. Project Information

- i. Date(s): 10/15/21
- ii. New/Recurring Project: Recurring
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM

- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 11    |
| Electees | 2     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.1           | 1.0        |

### 2. Project Evaluation

- i. **General Description**  
Volunteering to complete weeding and landscaping for the University of Maryland's Arboretum.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
Help maintain the environment for our campus community.
- iii. **Organization and Administration**  
A representative from the University of Maryland's Arboretum and Botanical Garden department led our group to a garden where we worked on landscaping.
- iv. **In Conjunction With**  
Arboretum and Botanical Garden Department
- v. **Total Cost**  
\$0.0
- vi. **Cost Breakdown**  
N/A
- vii. **Special Problems Encountered**  
N/A
- viii. **Overall Evaluation**  
Completed weeding in an on-campus garden and learned about the different species of trees the university has on campus.

# 12 A Wider Circle Volunteering

## Maryland Beta

### 1. Project Information

- i. Date(s): 10/16/21
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 6     |
| Electees | 14    |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 1.0           | 2.0        |

### 2. Project Evaluation

- i. **General Description**

We volunteered with a local organization called "A Wider Circle". This organization provides household essentials (furniture, linens, kitchen items, toys, etc) to local families in need. As volunteers, we helped organize, stock, and label their incoming donations.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

Provide benefit to our surrounding community.
- iii. **Organization and Administration**

Our community service chairperson coordinated the event. A Wider Circle provided the activities and materials required to complete the service work.
- iv. **In Conjunction With**

A Wider Circle
- v. **Total Cost**

\$0.0
- vi. **Cost Breakdown**

We brought the maximum number of volunteers the center could accommodate.

vii. **Special Problems Encountered**

N/A

viii. **Overall Evaluation**

We were able to provide a service to our community by sorting through donations and restocking the "store" section of the organization. Volunteers are essential to this programs success and we were able to contribute 40 hours of work.

# 13 Bent Shining BBQ

## Maryland Beta

### 1. Project Information

- i. Date(s): 10/16/21
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 4     |
| Electees | 15    |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 3.0           | 2.0        |

### 2. Project Evaluation

- i. **General Description**

The Bent Shining BBQ is a semesterly event for members and initiates to spend time getting to know one another in a social setting while improving the image of our MD Beta chapter.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

First, the BBQ further integrates the initiates into our TBP community and allows members to get to know them. This continues the goal of helping initiates feel welcome and encouraging them to become members. Second, it is a time for initiates to shine our large bent statue, which improves our image on campus because it shows that our symbol is cherished and well taken care of.
- iii. **Organization and Administration**

Initiation chairs made food orders and prepared materials to shine the bent.
- iv. **Total Cost**

\$139.35
- v. **Cost Breakdown**

Food was only cost
- vi. **Special Problems Encountered**

None

vii. **Overall Evaluation**

The BBQ was a success. Initiative turnout was great. It was nice as another way for members to meet them. The Bent Statue was washed, sanded, and polished and looks excellent.

# 14 No-Sew Blanket Making

## Maryland Beta

### 1. Project Information

- i. Date(s): 10/23/21
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 5     |
| Electees | 2     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.1           | 1.0        |

### 2. Project Evaluation

- i. **General Description**

We made no-sew blankets to donate to a local animal shelter.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

Helping improve the local community by providing the animal shelter with helpful resources.
- iii. **Organization and Administration**

The community service chairperson purchased the required materials and determined a location for the donation. Participants did the physical creation of the blankets.
- iv. **Total Cost**

\$58.0
- v. **Cost Breakdown**

The funds were spent buying fabric and fabric scissors for the blankets. The package of scissors (\$15), will be reused for future blanket making events. Budget was not a limiting factor.
- vi. **Special Problems Encountered**

N/A
- vii. **Overall Evaluation**

We successfully made four blankets to donate to the local animal shelter. These will be used to keep the pets warm and comfortable. In the future, we will aim to increase the number of participants and blankets made.

# 15 Terps Against Hunger Food-Packing

## Maryland Beta

### 1. Project Information

- i. Date(s): 10/24/21
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 4     |
| Electees | 6     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.1           | 1.0        |

### 2. Project Evaluation

- i. **General Description**

We joined a student organization called Terps Against Hunger for their annual food-packing event.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

By packaging meals, we aided in combating food insecurity in our local community.
- iii. **Organization and Administration**

Terps Against Hunger, the partner organization, took care of the planning of the event. Tau Beta Pi provided volunteers for a total of 10 one hour shifts.
- iv. **In Conjunction With**

Terps Against Hunger
- v. **Total Cost**

\$0.0
- vi. **Cost Breakdown**

Terps Against Hunger funded and coordinated the event.

vii. **Special Problems Encountered**

This food-packing event is open to any member of the University of Maryland Community (Family, Alumni, Students, etc). A few of our members wanted to participate but did not sign up in time to get a spot. Fortunately a second sign-up became available allowing for additional participants. In the future preparing for early sign ups will be essential for getting more Tau Beta Pi members involved.

viii. **Overall Evaluation**

The event as a whole packaged over 100,000 meals, Tau Beta Pi provided 10 hours of manpower towards reaching that goal.

# 16 Fundraising - Concessions 10/30/21

## Maryland Beta

### 1. Project Information

- i. Date(s): 10/30/21
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Fundraising
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 5     |
| Electees | 6     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 3.0           | 6.0        |

### 2. Project Evaluation

- i. **General Description**

Members volunteer at a cart at the UMD football games to earn a portion of the tips and cart earnings for the society.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

The funds earned from concessions go into maintaining the society's spaces, providing food, and making events for members.
- iii. **Organization and Administration**

The Fundraising Chair gathers volunteers for concessions and leads them during the game to make sales.
- iv. **Total Cost**

\$0.0
- v. **Cost Breakdown**

10-15 members are required each time
- vi. **Special Problems Encountered**

No special problems
- vii. **Overall Evaluation**

More volunteers would make the process easier because making sales is hectic.

# 17 Terpzone Bowling

## Maryland Beta

### 1. Project Information

- i. Date(s): 11/02/21
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 9     |
| Electees | 6     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 1.0           | 2.0        |

### 2. Project Evaluation

- i. **General Description**

We met at the Student Union to play bowling at the TerpZone.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

The purpose of this project was to foster camaraderie and friendship between the members of Tau Beta Pi.
- iii. **Organization and Administration**

The Vice President planned and ran this project.
- iv. **Total Cost**

\$150.0
- v. **Cost Breakdown**

It costed around \$150.00 to rent 3 bowling lanes at Terpzone including the bowling shoes.
- vi. **Special Problems Encountered**

he vice president reserved more lanes than needed (3 lanes can have maximum of 18 people) to plan for people who missed the RSVP deadline had opportunities to come and have fun. However, the weather was cold and rainy so not as many people showed up as expected. However, this was not a big issue as all lanes were used during reservation time.

vii. **Overall Evaluation**

Members and initiates who participated in the event said that they enjoyed the event and hoped that there would be more social events such as this one. Members and initiates exchanged conversations and got to know each other better during this event. Therefore, the event was a success. Since this project was not planned in the beginning of the semester, there were not a lot of participants. In the future, social event such as this one should be planned ahead of time and advertise to members and initiates better.

# 18 Letter Writing Volunteering

## Maryland Beta

### 1. Project Information

- i. Date(s): 11/05/21
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM

- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 7     |
| Electees | 1     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.1           | 1.0        |

### 2. Project Evaluation

- i. **General Description**

We created holiday cards that will be sent to children that are currently hospitalized.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

We are providing service to children who need some moral support during a difficult time.
- iii. **Organization and Administration**

The TBP service chair bought the materials (markers and paper). TBP members used the TBP lounge at our University as the location in which to make the cards.
- iv. **Total Cost**

\$10.0
- v. **Cost Breakdown**

A large package of construction paper and markers were purchased. These materials will be reused for future letter writing events.
- vi. **Special Problems Encountered**

N/A
- vii. **Overall Evaluation**

We were able to make some very special cards to provide to hospitalized children. We hope to do many more of these events in the future to have a bigger impact!

# 19 Fundraising - Concessions 11/6/21

## Maryland Beta

### 1. Project Information

- i. Date(s): 11/06/21

No special problems
- vii. **Overall Evaluation**

More volunteers would make the process easier because making sales is hectic.

# 20 Lounge Cleanup

## Maryland Beta

### 1. Project Information

- i. Date(s): 11/12/21
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 5     |
| Electees | 4     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.1           | 1.0        |

### 2. Project Evaluation

- i. **General Description**

At the University of Maryland, Tau Beta Pi has a room that only members can access. This is a space to study and socialize for members. A group of our members and electees spent an hour cleaning up and organizing our lounge space.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

This has improved the environment in which Tau Beta Pi members can study and socialize.
- iii. **Organization and Administration**

We have a "Lounge Chair" who is in charge of maintaining our lounge space. He came up with the agenda for the event and coordinated the participants in their efforts.
- iv. **Total Cost**

\$0.0
- v. **Cost Breakdown**

N/A
- vi. **Special Problems Encountered**

Our first attempt at this event was supposed to be on a Sunday. That day, we realized the building is locked on Sundays. As a result we had to cancel last minute and reschedule for another day. This was a good learning experience to check location in advance of the event.

vii. **Overall Evaluation**

We were able to remove lots of excess items to open up some free space in our lounge. Photos from TBP events of the past were placed under the glass of the table. The overall environment was greatly improved for future use.

# 21 Fundraising - Concessions 11/19/2021

## Maryland Beta

|----------|-------|
| Members  | 6     |
| Electees | 4     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.1           | 1.0        |

### 2. Project Evaluation

- i. **General Description**  
Volunteering to complete weeding and landscaping for the University of Maryland's Arboretum.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
Help maintain the environment for our campus community.
- iii. **Organization and Administration**  
A representative from the University of Maryland's Arboretum and Botanical Garden department led our group to a garden where we worked on landscaping.
- iv. **In Conjunction With**  
Arboretum and Botanical Garden Department
- v. **Total Cost**  
\$0.0
- vi. **Cost Breakdown**  
N/A
- vii. **Special Problems Encountered**  
During our initially scheduled event there was rain, as a result we had to push the event a week later. This conflicted with a football game and students return home for thanksgiving. In the future we will aim to have more convenient rain dates available.

viii. **Overall Evaluation**

Completed weeding in an on-campus garden and learned about the different species of trees the university has on campus.

# 24 Initiation

## Maryland Beta

### 1. Project Information

i. Date(s): 12/03/21

ii. New/Recurring Project: New

iii. Project Areas:

- Custom
- Community/Liberal Culture
- University/College
- Profession/Engineering
- Chapter/Social
- Education/Professional Development
- K-12 STEM

iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 10    |
| Electees | 24    |

v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 10.0          | 2.0        |

### 2. Project Evaluation

#### i. General Description

Initiate the incoming class of initiates to the Maryland Beta Chapter of TBP and inform them of our history, objective, and motto.

#### ii. Purpose and Relationship to Objectives of Tau Beta Pi

Initiate new members and grow our chapter of TBP

#### iii. Organization and Administration

Mainly organized by initiation chairs. Along with them and the president, several other members were selected for roles at initiation. Practice was organized to practice our parts. Some members who were not involved in the ceremony also attended and helped set up both the ceremony and the celebratory banquet. All members and advisors were invited to attend and to read roles but did not play a role in organizing.

#### iv. Total Cost

\$455.64

#### v. Cost Breakdown

Cost was for the banquet. Food, plates, etc. Personnel was the members involved in setting up and having a role in the ceremony and members setting up the banquet.

vi. **Special Problems Encountered**

None to report

vii. **Overall Evaluation**

Turned out very well and all members and electees seemed to enjoy the ceremony and the banquet.

# 25 First Look Meeting

## Maryland Beta

### 1. Project Information

- i. Date(s): 02/01/22 - 02/02/22
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 3     |
| Electees | 29    |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 2.0           | 1.0        |

### 2. Project Evaluation

- i. **General Description**

Inform potential candidates of TBP's requirements and culture. Gauge interest from potential electees. These meetings also help spread awareness of our presence on campus.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

To get candidates to become interested in joining TBP
- iii. **Organization and Administration**

Initiation Chairs emailed potential candidates about interest and inviting them to the meetings. They prepared a presentation and invited other officers. President spoke at both meetings after being given the link for the meeting. Any other officers who were free also attended to demonstrate commitment to TBP and also encourage potential members.
- iv. **Total Cost**

\$0.0
- v. **Cost Breakdown**

N/A
- vi. **Special Problems Encountered**

Many people who RSVP'd did not show up at the meeting. In addition, some students who did show up did not sign in. Online formats are not as engaging as in-person events.

vii. **Overall Evaluation**

Good turnout and general interest from most of the attendants. A decent number were not fully qualified to initiate this semester, but it seemed like these meetings sparked interest in joining during a future semester.

# 26 Ice Cream Social

## Maryland Beta

### 1. Project Information

- i. Date(s): 02/09/22
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social

| Members  | 29    |
| Electees | 7     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 3.0           | 1.0        |

### 2. Project Evaluation

- i. **General Description**  
Held an ice cream social for members and new initiates
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
Hosted an ice cream social to welcome the initiates and introduce them to current TBP members to jumpstart their involvement in MD Beta
- iii. **Organization and Administration**  
Organized by initiation chairs.
- iv. **Total Cost**  
\$86.33
- v. **Cost Breakdown**  
\$86.33 for ice cream.
- vi. **Special Problems Encountered**  
None
- vii. **Overall Evaluation**  
Event went very well. Members and initiates came and left as appropriate creating a casual environment. Initiates seemed comfortable talking to members and other initiates. Looks like a good crew. Had a good turnout of both members and initiates

- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM

- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 26    |
| Electees | 11    |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.1           | 1.0        |

### 2. Project Evaluation

- i. **General Description**

We created cards that will be sent to children that are currently hospitalized.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

We are providing service to children who need some moral support during a difficult time.
- iii. **Organization and Administration**

The TBP service chair brought the materials (markers, colored pencils, paper, and stickers). TBP members and electees made the cards following our general body meeting.
- iv. **Total Cost**

\$27.0
- v. **Cost Breakdown**

Markers, colored pencils, and stickers were purchased for the event. These materials will be reused for future letter writing events.
- vi. **Special Problems Encountered**

N/A
- vii. **Overall Evaluation**

We were able to make some very special cards to provide to hospitalized children. We hope to do many more of these events in the future to have a bigger impact!

# 35 Arboretum

## Maryland Beta

### 1. Project Information

- i. Date(s): 03/11/22
- ii. New/Recurring Project: Recurring
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM

- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 7     |
| Electees | 0     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.1           | 1.0        |

### 2. Project Evaluation

- i. **General Description**  
Volunteering to complete weeding and landscaping for the University of Marylands Arboretum.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
Help maintain the environment for our campus community.
- iii. **Organization and Administration**  
A representative from the University of Maryland's Arboretum and Botanical Garden department led our group to a garden where we worked on landscaping.
- iv. **In Conjunction With**  
Arboretum and Botanical Garden Department
- v. **Total Cost**  
\$0.0
- vi. **Cost Breakdown**  
N/A
- vii. **Special Problems Encountered**  
N/A
- viii. **Overall Evaluation**  
Completed weeding in an on-campus garden and learned about the different species of trees the university has on campus.

# 36 Lake Artemesia

## Maryland Beta

### 1. Project Information

- i. Date(s): 03/11/22
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 5     |
| Electees | 4     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.5           | 1.5        |

### 2. Project Evaluation

- i. **General Description**  
Helped remove invasive plant species from Lake Artemesia, a park in College Park.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
This would be classified as an event that is supportive of Tau Beta Pi's endeavor of serving the larger community.
- iii. **Organization and Administration**  
The main organizer that TBP MD Beta partnered with for this event was MNCPPC, the Maryland National Capital Park and Planning Commission. At the actual event, this included two park rangers that worked with one of the chairs of community service to direct participants toward the objective for the event.
- iv. **In Conjunction With**  
Terps for Change and Epsilon Eta
- v. **Total Cost**  
\$0.0
- vi. **Cost Breakdown**  
No cost for TBP MD Beta.

vii. **Special Problems Encountered**

There were some difficulties in getting participants registered with the MNCPPC volunteer database due to the lack of user friendliness of the service. These were solved through working closely with the organizing park rangers.

viii. **Overall Evaluation**

This project was overall highly successful. Before the event, there was tremendous overgrowth of the invasive species at the location of removal, but afterwards there was enormous clearance that is very beneficial according to the rangers. Participants also spoke of it very fondly.

# 37 Paint Branch Creek Cleanup

## Maryland Beta

### 1. Project Information

- i. Date(s): 03/13/22

- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 1     |
| Electees | 1     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.1           | 1.0        |

### 2. Project Evaluation

- i. **General Description**  
Picking up trash around a creek on our University's campus.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
Improving the local environment.
- iii. **Organization and Administration**  
This event was in conjunction with another organization, they did the planning. TBP members and electees just attended to provide labor.
- iv. **In Conjunction With**  
Sustainable Ocean Alliance (SOA)
- v. **Total Cost**  
\$0.0
- vi. **Cost Breakdown**  
NA
- vii. **Special Problems Encountered**  
NA
- viii. **Overall Evaluation**  
Helped remove trash to improve the health and safety of the area.

# 38 Tau Beta Pizza 3/14/22

## Maryland Beta

### 1. Project Information

- i. Date(s): 03/14/22
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 7     |
| Electees | 3     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 1.0           | 2.0        |

### 2. Project Evaluation

- i. **General Description**  
Pizza night + lounge social taking advantage of cheap Pie day pizza prices.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
Get members to socialize / take advantage of the lounge
- iii. **Organization and Administration**  
email / group me
- iv. **Total Cost**  
\$0.0
- v. **Cost Breakdown**  
just the cost of a pizza, like \$5 that day
- vi. **Special Problems Encountered**  
none
- vii. **Overall Evaluation**  
Nice turn out given it was semi- asynchronous, using selfies to get attendance is much more convenient.

# 39 Looneys Happy Hour 3/18/22

## Maryland Beta

### 1. Project Information

| Category | Count |
|----------|-------|
| Members  | 2     |
| Electees | 1     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 1.0           | 2.0        |

### 2. Project Evaluation

- i. **General Description**  
happy hour
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
Get members to socialize and build bonds
- iii. **Organization and Administration**  
email / group me
- iv. **Total Cost**  
\$0.0
- v. **Cost Breakdown**  
attendees paid for their own drinks / food
- vi. **Special Problems Encountered**  
none
- vii. **Overall Evaluation**  
lower turnout than expected likely due to spring break

# 40 House of Gucci Movie Night 3/31/22

## Maryland Beta

### 1. Project Information

- i. Date(s): 03/31/22
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 7     |
| Electees | 0     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 1.0           | 2.0        |

### 2. Project Evaluation

- i. **General Description**  
Movie night
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
Get members to do stuff together and build bonds
- iii. **Organization and Administration**  
Email /group me
- iv. **Total Cost**  
\$0.0
- v. **Cost Breakdown**  
free
- vi. **Special Problems Encountered**  
none
- vii. **Overall Evaluation**  
Pretty fair carry over between rsvps and actual attendance good at sending it out early / repeated reminders

# 41 A Wider Circle Volunteering Spring

## Maryland Beta

### 1. Project Information

- i. Date(s): 04/02/22
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 4     |
| Electees | 1     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 1.0           | 2.0        |

### 2. Project Evaluation

- i. **General Description**

We volunteered with a local organization called "A Wider Circle". This organization provides household essentials (furniture, linens, kitchen items, toys, etc) to local families in need. As volunteers, we helped organize, stock, and label their incoming donations.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

Provide benefit to our surrounding community.
- iii. **Organization and Administration**

Our community service chairperson coordinated the event. A Wider Circle provided the activities and materials required to complete the service work.
- iv. **In Conjunction With**

A Wider Circle
- v. **Total Cost**

\$0.0
- vi. **Cost Breakdown**

No costs for this project

vii. **Special Problems Encountered**

N/A

viii. **Overall Evaluation**

We were able to provide a service to our community by sorting through donations and restocking the "store" section of the organization. Ideally in the future we will bring more volunteers to have a larger impact.

# 42 Letter Writing Spring #2

## Maryland Beta

### 1. Project Information

- i. Date(s): 04/06/22
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 4     |
| Electees | 0     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.1           | 1.0        |

### 2. Project Evaluation

- i. **General Description**

We had a letter writing session where we created cards for children that are hospitalized.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

Complete community service to benefit others.
- iii. **Organization and Administration**

Our members met up in our chapters lounge and created the cards together.
- iv. **Total Cost**

\$0.0
- v. **Cost Breakdown**

All materials were reused from previous letter writing events.
- vi. **Special Problems Encountered**

Originally, this service event was supposed to be an arboretum event (where we weed and clean up campus gardens). Last minute, the universities arboretum department cancelled the event. Fortunately, we had the materials and space available to hold a letter writing workshop instead.
- vii. **Overall Evaluation**

Despite the last minute change of plans, we were able to make 15 cards to brighten sick children's days.

# 43 Lake Artemesia

| 1.0           | 2.0        |

### 2. Project Evaluation

- i. **General Description**  
Happy hour at a different bar
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
Build social bonds
- iii. **Organization and Administration**  
quick reservation / poll
- iv. **Total Cost**  
\$0.0
- v. **Cost Breakdown**  
just people's drinks
- vi. **Special Problems Encountered**  
none
- vii. **Overall Evaluation**  
could've gotten more turn out

# 45 Bent Shining BBQ

## Maryland Beta

### 1. Project Information

- i. Date(s): 04/09/22
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 13    |
| Electees | 6     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 3.0           | 2.0        |

### 2. Project Evaluation

- i. **General Description**

The Bent Shining BBQ is a semesterly event for members and initiates to spend time getting to know one another in a social setting while improving the image of our MD Beta chapter.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

First, the BBQ further integrates the initiates into our TBP community and allows members to get to know them. This continues the goal of helping initiates feel welcome and encouraging them to become members. Second, it is a time for initiates to shine our large bent statue, which improves our image on campus because it shows that our symbol is cherished and well taken care of.
- iii. **Organization and Administration**

Initiation chairs made food orders and prepared materials to shine the bent.
- iv. **Total Cost**

\$162.24
- v. **Cost Breakdown**

Food was only cost
- vi. **Special Problems Encountered**

None

vii. **Overall Evaluation**

The BBQ was a success. Initiative turnout was great. It was nice as another way for members to meet them. The Bent Statue was washed, sanded, and polished and looks excellent.

# 46 Fundraising - Concessions 4/10/22

## Maryland Beta

### 1. Project Information

- i. Date(s): 04/10/22
- ii. New/Recurring Project: Recurring
- iii. Project Areas:
  - Fundraising
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM

- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 11    |
| Electees | 5     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 3.0           | 4.0        |

### 2. Project Evaluation

- i. **General Description**

Members volunteer at a cart at the UMD football games to earn a portion of the tips and cart earnings for the society.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

The funds earned from concessions go into maintaining the society's spaces, providing food, and making events for members.
- iii. **Organization and Administration**

The Fundraising Chair gathers volunteers for concessions and leads them during the game to make sales.
- iv. **Total Cost**

\$0.0
- v. **Cost Breakdown**

10-15 members are required each time
- vi. **Special Problems Encountered**

No special problems
- vii. **Overall Evaluation**

More volunteers would make the process easier because making sales is hectic.

# 47 Post GBM game blitz 4/13/22

## Maryland Beta

  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 5     |
| Electees | 0     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 1.0           | 2.0        |

### 2. Project Evaluation

- i. **General Description**  
Bowling night with tbp
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**  
Build social bonds / have fun
- iii. **Organization and Administration**  
Just booking the slot at the university bowling alley
- iv. **Total Cost**  
\$0.0
- v. **Cost Breakdown**  
it was free due to an existing university grant for the semester
- vi. **Special Problems Encountered**  
None
- vii. **Overall Evaluation**  
it was fun

# 52 Asynchronous Letter Writing Spring

## Maryland Beta

### 1. Project Information

- i. Date(s): 05/06/22
- ii. New/Recurring Project: New
- iii. Project Areas:
  - Custom
  - Community/Liberal Culture
  - University/College
  - Profession/Engineering
  - Chapter/Social
  - Education/Professional Development
  - K-12 STEM
- iv. Number of persons who participated:

| Category | Count |
|----------|-------|
| Members  | 3     |
| Electees | 1     |

- v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 0.5           | 1.5        |

### 2. Project Evaluation

- i. **General Description**

Some members of our chapter were unable to attend sufficient in-person events to satisfy their active membership requirements. Those members were given the opportunity to make letters on their own time. They created letters to send to children that are currently hospitalized.
- ii. **Purpose and Relationship to Objectives of Tau Beta Pi**

As one of our community service offerings, this opportunity is intended to have a positive impact on the community.
- iii. **Organization and Administration**

Participants could utilize the craft material available in the Tau Beta Pi student lounge and had their letters mailed by the community service chairs.
- iv. **Total Cost**

\$0.0
- v. **Cost Breakdown**

N/A
- vi. **Special Problems Encountered**

Ideally, we would have sufficient events planned for every member to achieve their active membership requirements in-person. Only 4 members needed extra hours, so we were very close to successful!

vii. **Overall Evaluation**

We are hopeful these cards will brighten the day of a hospitalized child.

# 53 Initiation

| Members  | 7     |
| Electees | 11    |

v. Average number of hours per person spent:

| Participating | Organizing |
|---------------|------------|
| 10.0          | 2.0        |

### 2. Project Evaluation

#### i. General Description

Initiate the incoming class of initiates to the Maryland Beta Chapter of TBP and inform them of our history, objective, and motto.

#### ii. Purpose and Relationship to Objectives of Tau Beta Pi

Initiate new members and grow our chapter of TBP

#### iii. Organization and Administration

Mainly organized by initiation chairs. Along with them and the president, several other members were selected for roles at initiation. Practice was organized to practice our parts. Some members who were not involved in the ceremony also attended and helped set up both the ceremony and the celebratory banquet. All members and advisors were invited to attend and to read roles but did not play a role in organizing.

#### iv. Total Cost

\$0.0

#### v. Cost Breakdown

Cost was for the banquet. Food, plates, etc. Personnel was the members involved in setting up and having a role in the ceremony and members setting up the banquet.

vi. **Special Problems Encountered**

None to report

vii. **Overall Evaluation**

Turned out very well and all members and electees seemed to enjoy the ceremony and the banquet.
