Project number: 13

Project name: MINDSET
Date(s) of Project: 10/14/2016

Project Area: Community

Number of persons who participated in this project: Members: 4/31 Electees: 4/21

Hours spent on this project: Organizing: 2 Participating: 4

Description:

I. General Description
   a. MINDSET is an event where TBP travels to nearby schools and teach students about STEM through related engineering activities. We went to Emerson Elementary school and worked with 5th graders and building the tallest and cheapest tower and 4th grades teaching them about velocity in penny launchers.

II. Purpose and Relationship to Objectives of TBP
   a. Building connections with youth in our community and teaching young minds about the joys of STEM related fields.

III. Organization and Administration
   a. Emerson Elementary School

IV. Cost and Personnel Requirements
   a. ~$40

V. Special Problems
   a. None

VI. Overall Evaluation/Results
   a. Event was successful, students had a great time. Lots of volunteers cancelled so could have used more volunteers.

Project name: **Elevator Pitch**

Project Area: University, Chapter

Number of persons who participated in this project: Members: 2/31  Electees: 0/27

Hours spent on this project: Organizing: 4  Participating: 2

Description:

I. General Description
   a. I reviewed resumes and helped candidates to highlight their strengths. I also gave advice on career fair navigation strategies and gave a basic elevator pitch format. Matthew Williams helped the candidates practice their elevator pitches.

II. Purpose and Relationship to Objectives of TBP
   a. This was a professional development event held in preparation for the career fair.

III. Organization and Administration
   a. No

IV. Cost and Personnel Requirements
   a. Free! Initially had two volunteers but one cancelled so I stepped in. We worked with Matthew Williams and Anthony Bertucci (myself).

V. Special Problems
   a. None

VI. Overall Evaluation/Results
   a. The event went very well! It started out initially with participants coming to me and then moving on to Matthew. This lasted about 1 hour. Afterwards, Matthew left but about 12 additional students came so instead of working 1-on-1 I addressed the group and gave tips for navigating the career fair as well as basic elevator pitch format with some examples.
