Project name: Academic Open House
Date(s) of Project: 09/02/2014

Project __ Community/ Liberal Culture X University/ College __ Profession/ Engineering
Area: __ Chapter/ Social __ Education/ Prof. Dev. __ K-12/MindSET

Number of persons who participated in this project
Members: 3 Electees: 0

(Please attach a list of names.)

Hours spent on this project. Organizing: 0.5hr Participating: 2.5hrs

DESCRIPTION:

I. General Description: The Academic Open House invited all incoming freshmen to get to know more about different Oakland University programs and get involved with student organizations.

II. Purpose & Relationship to Objectives of TBP: The purpose of TBP’s attendance at this event was to explain to incoming freshmen who we are as an organization. We also gave them motivation to keep their GPA score high because that is the main eligibility requirement for someone to join the organization once they become juniors or seniors.

III. Organization & Administration: (in conjunction with another group?) ___ Yes X No

IV. Cost & Personnel Requirements: There was no cost to the chapter.

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): A large number of students were greatly interested in TBP. All of those interested signed up to receive more information related to TBP.

Hello everyone!

We look forward to seeing your organizations' displays at the Academic Open House today! I wanted to send you some information so that you know where you are going to set up and go for lunch today.

11:00AM - Set up in the atrium of the new building. (The atrium is the open space on the first floor you will see it if you enter through the main entrance on the south side of the building.) You will need to come by the Dean's office (301 in the new building) to pick up your posters. There are tables set up in the atrium already, please pick one that has not already been claimed and start setting up as soon as you can!

11:30AM - Lunch will be served in the Dean's conference room in office #301 of the new Engineering Center. You are all welcome to stop by and have lunch.

1:30PM - The tours will start, and students will be able to see your displays. They will be able to actually stop by between 2:00 and 3:00PM to ask you questions and sign up for your organizations.

Project name: Electee Information Sessions        Date(s) of Project: 09/23/14, 09/24/14, 09/26/14

Project __ Community/ Liberal Culture __ University/ College __ Profession/ Engineering 
Area: X Chapter/ Social    ___Education/ Prof. Dev. ___ K-12/MindSET

Number of persons who participated in this project Members: 13    Electees: N/A
(Please attach a list of names.)

Hours spent on this project. Organizing: 1hr    Participating: 5hrs

DESCRIPTION:

I. General Description: All engineering students eligible for membership in TBP were invited to attend any of three electee information sessions held in the beginning of the semester. The main sessions were one hour long each (with smaller, individual sessions offered to those who could not attend any of the main sessions) in which current members presented and explained information about TBP and the Oakland University chapter. The process for becoming members was also explained. Food was provided.

II. Purpose & Relationship to Objectives of TBP: These sessions were intended to provide some background on TBP to prospective members, answer commonly asked questions, and encourage them to join. This was a service activity that promoted the growth of the organization.

III. Organization & Administration: (in conjunction with another group?) ___ Yes    X No

IV. Cost & Personnel Requirements: No cost to the chapter; only needed volunteers to talk with the prospective members.

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): The sessions were very successful and were fun for all those in attendance. Almost all of those who attended any of these sessions decided to pursue membership in the chapter.

Project name: Hungry Howie’s Fundraiser           Date(s) of Project: 09/29/14-11/15/14

Project __Community/ Liberal Culture __University/ College __Profession/ Engineering
Area:   X Chapter/ Social   ___Education/ Prof. Dev.   ___ K-12/MindSET

Number of persons who participated in this project  Members: 10     Electees: 3
(Please attach a list of names.)

Hours spent on this project.  Organizing: 4hrs  Participating: 10hrs

DESCRIPTION:

I. General Description: This was the second semester attempting this fundraiser. Coupons from Hungry Howie’s were purchased by the chapter and distributed to members to sell for $5.00 each to friends, family, associates, etc. The coupons were purchased by the chapter for $3.00 each. Incentives were given for selling the coupons, such as discounts on purchasing stoles and cords from the chapter. Larger prizes were given to top sellers.

II. Purpose & Relationship to Objectives of TBP: The purpose of this fundraiser was to raise money for the chapter in order to have enough funds to continue events.

III. Organization & Administration: (in conjunction with another group?) ___ Yes   X  No

IV. Cost & Personnel Requirements: The cost to the chapter of each coupon was $3.00; each coupon was sold by participating members for $5.00. So, an upfront cost was required for the coupons in addition to volunteers to sell the coupons.

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): This event was relatively successful, though not as successful as the first semester in which this was attempted. Specifically, 93 coupons were sold, resulting in a profit of $186. After the incentives were distributed, the total net profit to the chapter was $96.

Area: X Chapter/ Social __Education/ Prof. Dev. __K-12/MindSET

Number of persons who participated in this project
Members: 16  Electees: 17
Guests: 11

Hours spent on this project. Organizing: 0.5hr  Participating: 3hrs

DESCRIPTION:

I. General Description: The purpose of this event was for members to get to know the new electees. This event also helped electees to get signatures from all members present and advisors in order to complete the signature requirements component of getting into the OU chapter of TBP.

II. Purpose & Relationship to Objectives of TBP: MI-Q has signature requirements where all electees must have at least 50% of members’ signatures and 50% of advisors’ signatures.

III. Organization & Administration: (in conjunction with another group?) ___ Yes  X No

IV. Cost & Personnel Requirements: There was no cost to the chapter; all members paid for their own bowling shoes.

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): Overall, the new electees felt very comfortable being part of this organization since they met a large number of members and they got to know them more. The more they feel comfortable around current members the more motivated they will be in joining this organization.

DESCRIPTION:

I. General Description: This event involved all engineering student organizations from the university and was intended to provide information regarding the various engineering organizations active at the university. Food was provided as well. A large number of students came to this event in order to get more information related to the different organizations.

II. Purpose & Relationship to Objectives of TBP: The purpose for TBP’s involvement in this event was to give more information related to Tau Beta Pi to incoming freshmen and sophomores. We wanted perspective electees to at least have an initial interest in this organization by knowing our theme, background, who we are, and what we do.

III. Organization & Administration: (in conjunction with another group?)  Yes  No

This event was in conjunction with all the other active engineering student organizations at Oakland University.

IV. Cost & Personnel Requirements: No cost; only needed participants.

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): Overall, this event was very beneficial to the organization. We had quite a large number of students that showed interest and that wanted to get more information related to requirements for membership in the chapter.

Hello everyone,

You are receiving this message because you signed-up to participate at this event. The event will take place Tuesday, November 18th, from 11:30 am to 1:30 pm.

The following volunteers will help:

Matthew Michalewicz - 12 pm to 1:30 pm
Stephen Powell - 12 pm to 12:50 pm
Matthew Bloom - 12 pm to 1:30 pm
Claudiu Harla - 11:30 am to 12:45 pm
Ambria Ruddy - 12 pm to 1:30 pm
David Beyer - 12 pm to 1:30 pm

Please MAX or ADAM, let me know if one of you could get there around 11 am to get the cloth, poster, and flyers to display at our Tau Beta Pi table on Tuesday at the Engineering FAIR.

Thank you everyone and all the best.
Abedin

DESCRIPTION:

I. General Description: The Toys for Tots Foundation is an organization that collects and distributes toys to less fortunate children as Christmas gifts. The collection period is during the months of October, November, and December. The MI-Ω chapter aided in this effort by collecting toys and dropping them off at a designated drop-off point, where volunteers from Toys for Tots would collect them and distribute them to the children.

II. Purpose & Relationship to Objectives of TBP: This event counted as a service activity. It provided a means for getting involved in community service and helping less fortunate individuals.

III. Organization & Administration: (in conjunction with another group?) ___ Yes X No

IV. Cost & Personnel Requirements: No cost; only needed donations. The toys then had to be transported to the drop-off location.

V. Special Problems: N/A

☐ Yes
☐ No
The RSVP limit has been reached.

Note as of 1/22 Registration is closed. However, if you still would like to participate, just email Kara:
kmlesli2@oakland.edu

Thank you for honoring MLK Jr. with your service!

We will provide you with a Free T-shirt and Lunch!

Site preferences are not 100% guaranteed. We will try to give you the site you desire. Be sure to list any
friends/student organizations/classrooms you wish to be placed with. You must provide your own
transportation. Carpool with friends! There are on-campus volunteer options also.

You will receive an email on January 23rd confirming your registration and informing you of what community
agency you will be working with. It will also include the time you will have to arrive at registration and when
your service begins/ends.

There is a place for you to indicate if you are with a specific class/student organization. We will try our best to
accommodate all requests.

Sites:
Hawk Woods Nature Trails-Option A (Auburn Hills)
- Creating cards for the elderly in need.

Hawk Woods Nature Trails-Option B (Auburn Hills)
- Cutting down plants that are hurting nature trails or organizing resources in the book room. Wear warm
clothing for this option!

Beyond Basics (On-Campus Volunteer Option)
CASS Community Social Services (On-Campus Volunteer Option)
- Organize and create food baskets for the homeless at CASS.

Biojewelry Site (On-Campus Volunteer Option)
- Create bracelets that will be sold and all the funds go to women with breast cancer who do not have healthcare insurance. Biojewelry is the name of the non-profit we send funds to.

Haven
- Come teach kids about who MLK Jr. was and read them books! Give out care packages to moms in need.

Arts and Scraps (Detroit)
- Create art packets for school districts who do not have art education.

The Bottomless Toychest (Troy)
- Help with gifts that are given to kids in need.

Grace Centers of Hope
- Help homeless families by serving at the soup kitchen.

Oakland County Parks (Site Just added 1/16)
- Organizing artifacts and potentially finding artifacts! Awesome volunteer experience for those interested in history, anthropology, or a similar field.

DESCRIPTION:

I. General Description: All engineering students eligible for membership in TBP were invited to attend any of three electee information sessions held in the beginning of the semester. The main sessions were one hour long each (with smaller, individual sessions offered to those who could not attend any of the main sessions) in which current members presented and explained information about TBP and the Oakland University chapter. The process for becoming members was also explained. Food was provided.

II. Purpose & Relationship to Objectives of TBP: These sessions were intended to provide some background on TBP to prospective members, answer commonly asked questions, and encourage them to join. This was a service activity that promoted the growth of the organization.

III. Organization & Administration: (in conjunction with another group?) ___ Yes  __X__ No

IV. Cost & Personnel Requirements: No cost to the chapter; only needed volunteers to talk with the prospective members.

Dear SECS Student Organization members,

Our annual SECS Day is scheduled for Saturday, January 31 from 8AM - 1:30PM. Every year we have had record crowds and this year is no different. As of today, we have **1103** registered to attend. For those of you who have volunteered to help, THANK YOU! For all of you who have signed up to participate in the Student Organization Fair, be ready! :-)

If you have not signed up to participate and would like to, please let me know no later than tomorrow. There are still tables available but I need to confirm the locations by 5PM tomorrow (Thursday). Each display will automatically receive a table + 2 chairs. If you need anything else (easel, poster, electricity, etc), I will also need to know that by 5PM tomorrow.

For those new to our SECS Day event, it goes as follows:

All registered guests (via the Admissions office) are potential students considering Oakland University for their engineering degree. This is OU's opportunity to show them what types of programs, labs, research, internship, etc opportunities we have. All faculty participate and open their labs for 10 minute demonstrations to showcase what their students do in their classes. Some of the lab stops are run by students who have been selected to cover the lab demonstration or can explain more about a particular program. For example, a graduated Engineering Chemistry student will have a lab stop, an SAE Team member will show the SAE lab, an IGVC team member will demonstrate their robot in the Mechatronics lab, etc. There are also two different panels that all guests will visit that allow them to have a Q&A with specific people. One is a Student Panel with current students from various programs/backgrounds and the other is the Alumni Panel of graduates from various parts of industry.

The day begins in the Oakland Center Banquet Rooms + Gold Rooms A-C with presentations from the Dean, Professors, Admissions, etc. After the presentation, they are dismissed into 35-40 groups and walk to DHE or the new building to tour labs and see demonstrations.

When finished with the lab tours, all groups will return to the Oakland Center Pioneer Court + expansion area to have lunch with faculty. Each professor is assigned a table and guests are invited to join them for lunch to discuss programs in more detail.

After the lunch, Dean Chamra will say a few words and invite them to visit your Fair Displays to hear more about the great work you are doing or have done. This is a great opportunity to get new members and perhaps funding from parents who may have been in your organization when they were in school and are now interested in helping more.

**YOUR RESPONSIBILITY -** If you are participating in the Fair, please let me know what your needs are if you haven't already done so. You are to set up your display by no later than 11:30AM. The specific location of your display will be decided by tomorrow at 5PM. All displays will be located around the perimeter of the Pioneer Court. (see attached floor plan template)

Once your displays are set up, please go to the OAKLAND ROOM for your lunch. PLEASE KNOW THAT FACULTY SHOULD BE SERVED BEFORE STUDENTS! Since Faculty are hosting a table with the guests, they will need to cut in front of you in the buffet line. Please step aside so they can get their food and go. If you have time, feel free to stay and eat your lunch in the Oakland Room but return to your displays by 12PM. If you're running late, please grab a plate and get back to your display. PLEASE DO NOT take or eat lunch in the Pioneer Court!!!

The guests will start to arrive in the Pioneer Court at approximately 12PM. You must have your display ready...
by 11:30 in case they arrive early. The event ends at approximately 1:30 or 2PM. Please clean up your displays and take them with you.

It's a big day but great fun! Please stop by or email me if you have any questions or concerns.

Thank you, in advance, for all you do for SECS!!

Best regards,
Jane

Area:  __ Chapter/ Social  __ Education/ Prof. Dev.  __ K-12/MindSET

Number of persons who participated in this project  Members: 10  Electees: 13 
(Please attach a list of names.)  Guests: 2

Hours spent on this project.  Organizing: 0.5hr  Participating: 3hrs

DESCRIPTION:

I. General Description: The purpose of this event was for members to get to know the new electees. This event also helped electees to get signatures from all members present and advisors in order to complete the signature requirements component of getting into the OU chapter of TBP.

II. Purpose & Relationship to Objectives of TBP: MI-Q has signature requirements where all electees must have at least 50% of members' signatures and 50% of advisors' signatures.

III. Organization & Administration: (in conjunction with another group?) ___ Yes  __ X  No

IV. Cost & Personnel Requirements: There was no cost to the chapter; all members paid for their own bowling shoes.

V. Special Problems: N/A

VI. Overall Evaluation/Results (Be Specific): Overall, the new electees felt very comfortable being part of this organization since they met a large number of members and they got to know them more. The more they feel comfortable around current members the more motivated they will be in joining this organization.

Thank you for your donation!

Dear Abedin,

Thank you for your thoughtful donation of $408.00 to Gleaners Community Food Bank. With every dollar providing three meals, your gift is a real help for hungry neighbors.

While the economy shows signs of recovery, many families are struggling to get back on their feet. As a result, an increasing number of Michigan children - one in four - are growing up in poverty. We continually hear stories from parents in our community who admit to skipping meals so their children will have enough to eat. For many, budgets are even tighter, and kids are going without the nourishment they need to live happy, productive lives. With support like yours, Gleaners is reaching families with the healthy food they need to achieve a bright future.

Thank you again for making a difference for our hungry neighbors.

Sincerely,

Gerald F. Brisson
President
