DESCRIPTION:

I. General Description:
Members of Tau Beta Pi went door to door to university apartments asking students to donate non-perishable food items to the Ada Food Pantry.

II. Purpose & Relationship to Objectives of TBP:
The Ada Food Pantry distributes food items to those in need throughout the community. It’s important for Tau Beta Pi to be a service in the community, and supporting the Ada Food Pantry is a perfect opportunity to do that.

III. Organization & Administration: (in conjunction with another group?)    X Yes    __ No

IV. Cost & Personnel Requirements:
No cost incurred

V. Special Problems:
None
VI. Over-all Evaluation/Results (Be Specific):
Tau Beta Pi was able to collect two large boxes (4 x 4 x 3 feet) full of canned goods and other non-perishable food items to donate to the Ada Food Pantry.

VII. Index of Exhibits:
None

DESCRIPTION:

I. General Description:
Tau Beta Pi members helped with the setup of the Ada Music Feast, which is a local high school show choir competition. Members signed up for 4 hour shifts the night before the competition to help with the setup.

II. Purpose & Relationship to Objectives of TBP:
This project helped to raise community awareness of Tau Beta Pi off campus and fulfilled our goals as a service organization by volunteering at Ada High School.

III. Organization & Administration: (in conjunction with another group? _X_ Yes __ No
Ada High School Music Boosters helped out with setup as well.

IV. Cost & Personnel Requirements:
None

V. Special Problems:
None
VI. Over-all Evaluation/Results (Be Specific):
This event helped raise community awareness of Tau Beta Pi. This is a big event for Ada High School and I know the organizers appreciated our help.

Project name: Christmas for those in need (Hardin County Children)
Date(s) of Project: 12/1/16 – 12/8/16

Project ___ Community/ Liberal Culture ___ University/ College ___ Profession/ Engineering
Area: ___ Chapter/ Social ___ Education/ Prof. Dev. ___ K-12/MindSET

Number of persons who participated in this project Members: 5
Electees: 0
(Please attach a list of names.)

Hours spent on this project.
Organizing: 2
Participating: 5

DESCRIPTION:

I. General Description:
Tau Beta Pi was given a list of three children’s names and a brief description of their clothes sizes and favorite activities. Five of our members split up and bought gifts for the children, wrapped them, and gave them to the children’s parents for delivery as Christmas gifts.

II. Purpose & Relationship to Objectives of TBP:
This is a great way to help out the community in a needed way and to spread joy to children in Ada. It’s important for Tau Beta Pi to be an active part of the community in Ada, and helping out needy children is an excellent way to do this.

III. Organization & Administration: (in conjunction with another group?) ___ Yes ___ No

IV. Cost & Personnel Requirements:
Each Tau Beta Pi member was expected to purchase about 20 dollars’ worth of Christmas gifts per child. The gifts were funded by each member, not by the chapter.
V. Special Problems:
None

VI. Over-all Evaluation/Results (Be Specific):
The members of Tau Beta Pi realized how fortunate we are and were able to be of service to
the people of Ada by providing some families with needed gifts for their children around the
holidays.

DESCRIPTION:

I. General Description:  
The Ohio Iota chapter sings for one half hour in the ONU student center and donates $25 to the Kappa Phi, which is a national service club. Each year, the money raised is donated to a local charity.

II. Purpose & Relationship to Objectives of TBP:  
This is a community service event and also an event that gives support to the activities of another university organization. This event promotes TBP and gives our organization exposure to the campus community.

III. Organization & Administration: (in conjunction with another group?  
_X_ Yes  
__ No  
The project was completed in conjunction with many other organizations, all organized by the Kappa Phi Sorority.

IV. Cost & Personnel Requirements:  
$25 donation to Kappa Phi from the chapter. The only personal requirement was to sing.
V. Special Problems:
No special problems were encountered during the project.

VI. Over-all Evaluation/Results (Be Specific):
This was a great event for members to spend time together and to support another organization’s philanthropic activity.

Project name: Riddle of the Month Date(s) of Project: 10/13/16-4/30/17

Project ___ Community/ Liberal Culture ___ University/ College ___ Profession/ Engineering
Area: ___ Chapter/ Social ___ Education/ Prof. Dev. ___ K-12/MindSET

Number of persons who participated in this project Members: 2
Electees: 0
(Please attach a list of names.)

Hours spent on this project. Organizing: 6
Participating: 0

DESCRIPTION:

I. General Description:
Each month, Tau Beta Pi displays a riddle for students to solve. The students submit the solution to the chief advisor. Each answer is analyzed for correctness and the person who gets the riddle correct is awarded a $25 cash prize. If more than one student gets the riddle correct, a winner is drawn from the pool of correct answers.

II. Purpose & Relationship to Objectives of TBP:
This project was designed to raise awareness of Tau Beta Pi within the College of Engineering, especially among younger students.

III. Organization & Administration: (in conjunction with another group? ___ Yes ___ No

IV. Cost & Personnel Requirements:
A committee of students decide upon a riddle (often from old issues of The Bent or other magazines) before the month begins. After the month ends, a cash prize of $25 is issued to the winner.
V. Special Problems:
Receiving grant money from national.

VI. Over-all Evaluation/Results (Be Specific):
Progress has been excellent, each month sees more submissions and more interest in the project.

VII. Index of Exhibits:
None

Project name: TBP Outstanding Sophomore Scholarship Date(s) of Project: 4/4/17

Project _ _ Community/ Liberal Culture _X_ University/ College _ _ Profession/ Engineering
Area: _ _ Chapter/ Social _ _ Education/ Prof. Dev. _ _ K-12/MindSET

Number of persons who participated in this project Members: 5
   Electees: 0
   (Please attach a list of names.)

Hours spent on this project Organizing: 3
   Participating: 6

DESCRIPTION:

I. General Description:
The purpose of this scholarship is to emphasize the importance of qualities such as outstanding scholarship, leadership skills, participation in college activities, and a strong character to our sophomore students and reward one of them for possessing such qualities. This scholarship is presented to the recipients on Honors Day at the College of Engineering Ceremony.

II. Purpose & Relationship to Objectives of TBP:
This award promotes the ideals of Tau Beta Pi, honors the long-standing support and character of one of our Deans, as well as, exposes the engineering student body, especially sophomore engineers, to Tau Beta Pi.

III. Organization & Administration: (in conjunction with another group? _ _ Yes _ _ No

IV. Cost & Personnel Requirements:
The additional $500 (total scholarship is $1000) is provided by the Dean of the College of Engineering to promote continued excellence in projects and leadership.
V. Special Problems:
The $500 scholarship that is awarded is provided by the Dean of the College of Engineering, to match the $500 scholarship provided by Tau Beta Pi National Organization to promote continued excellence in projects and correspondence.

VI. Over-all Evaluation/Results (Be Specific):
This year members voted on applications received. Tau Beta Pi decided to give one $1000 dollar scholarship to sophomore Electrical Engineering major Kenneth Eaton.

VII. Index of Exhibits:
None

Participating: 4

DESCRIPTION:

I. General Description:
Two Tau Beta Pi members and two Joint Engineering Council members evaluate applications for the College of Engineering Outstanding Leadership Award. Each person individually reviews and scores the applications. The scores are totaled and the applicant with the highest score wins the award. The recipient of the award is recognized at the College of Engineering Honors Day Ceremony and at the University President’s Leadership Dessert.

II. Purpose & Relationship to Objectives of TBP:
This project demonstrates that Tau Beta Pi cares about the leadership development and potential of the members of the engineering college.

III. Organization & Administration: (in conjunction with another group?  _X_ Yes  ___ No
Tau Beta Pi works with Joint Engineering Council to administer the award. Tau Beta Pi also submits the information of the recipient to the President’s Leadership Dessert Committee, so he or she may be invited to the dessert.
IV. Cost & Personnel Requirements:
The recipient’s name is inscribed on a plaque in the College of Engineering as well as honored during the engineering ceremony on Honor’s Day.

V. Special Problems:
None

VI. Over-all Evaluation/Results (Be Specific):
This project shows that Tau Beta encourages its members and others in the college to strive for high academic achievement and to be well-rounded and civic-minded individuals. This year’s recipient was Sam Inbody, a junior Mechanical Engineering major.

Members attended the Tau Beta Pi National Convention in San Diego, California to vote on TBP related items.

II. Purpose & Relationship to Objectives of TBP:
The purpose of this convention was to bring TBP chapters nationwide together to take care of the business side of TBP. Also, this gave chapters a chance to help one another out to become the best possible chapters that they can be.

III. Organization & Administration: (in conjunction with another group? __ Yes __ No

IV. Cost & Personnel Requirements:
None

V. Special Problems:
VI. Over-all Evaluation/Results (Be Specific):
The chapter was able to voice their opinion on all of the TBP issues and business items at the national level, aiding the group in becoming better officers.

VII. Index of Exhibits:
Exhibit D

DESCRIPTION:

I. General Description:
New initiates were inducted into the Ohio Iota Chapter of Tau Beta Pi.

II. Purpose & Relationship to Objectives of TBP:
The purpose of this project was to induct the initiates who have been chosen for their commitment to the objectives of Tau Beta Pi.

III. Organization & Administration: (in conjunction with another group? ____ Yes _x_ No
Current members reserved the classroom and prepared it for the initiation ceremony. Members also participated in the ceremony.

IV. Cost & Personnel Requirements:
The Personnel for the event consisted of members being available to prepare and conduct the ceremony.

V. Special Problems:
VI. Over-all Evaluation/Results (Be Specific):
The ceremony ran smoothly. The new initiates were present sufficiently early and the initiation proceeded as scheduled.

VII. Index of Exhibits:
None

Chapter Project Report
Project number: 19

INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated, but do not send extraneous material that would not be useful to other chapters.

Project name: Small Bent Polishing
Date(s) of Project: 10/12/16-11/13/16

Project ___ Community/ Liberal Culture ___ University/ College ___ Profession/ Engineering
Area: ___ Chapter/ Social ___ Education/ Prof. Dev. ___ K-12/MindSET

Number of persons who participated in this project
Members: 0
Electees: 19
(Please attach a list of names.)

Hours spent on this project.
Organizing: 0
Participating: 76

DESCRIPTION:

I. General Description:
It is a tradition of the Ohio Iota Chapter to have the initiates polish a small bent on their own time. The end result of this activity gives the initiates a bright, shiny bent to wear with pride during the initiation ceremony and reception.

II. Purpose & Relationship to Objectives of TBP:
This is a good way to educate the initiates about the symbol of Tau Beta Pi. It also represents the commitment that will be expected of them as members.

III. Organization & Administration: (in conjunction with another group? ___ Yes ___ No
The initiates attended a meeting where they were presented with the small bents and polishing instructions which limited them to hand polishing only.

IV. Cost & Personnel Requirements:
Approximately $100 in raw materials. The initiates invested a great deal of time in this project.
V. Special Problems:
None

VI. Over-all Evaluation/Results (Be Specific):
This is a good project because it gives the initiates a way to express their desire to become a member of Tau Beta Pi. It shows the initiates that they will have to manage additional tasks upon becoming a member.

VII. Index of Exhibits:
None

INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated, but do not send extraneous material that would not be useful to other chapters.

Project name: Electee Invitations Date(s) of Project: 9/25/2017

Project __ Community/ Liberal Culture __ University/ College __ Profession/ Engineering
Area: _X_ Chapter/ Social __Education/ Prof. Dev. __ K-12/MindSET

Number of persons who participated in this project Members: 3
Electees: 0
(Please attach a list of names.)

Hours spent on this project. Organizing: 2
Participating: 3

DESCRIPTION:

I. General Description:
Invitations to join our organization were presented to qualified students during their classes. The invitations were expected to be returned by initiates by the next week.

II. Purpose & Relationship to Objectives of TBP:
This project helped to make Tau Beta Pi more visible within the college community, and at the same time publicly recognize the prospective students who have shown exemplary scholarship.

III. Organization & Administration: (in conjunction with another group? ___ Yes _X_ No

IV. Cost & Personnel Requirements:
There were no costs or excessive personal requirements from any participating members, besides current members rearranging their schedules to present the invitations to the students when they were in class.

V. Special Problems:
VI. Over-all Evaluation/Results (Be Specific):
The project was very successful. All the invitations were given out on time and electees recognized and applauded for their efforts by their peers.

Project name: Initiation Banquet and Reception  
Date(s) of Project: 11/13/16

Project __ Community/ Liberal Culture __ University/ College __ Profession/ Engineering
Area: _X_ Chapter/ Social __Education/ Prof. Dev. __ K-12/MindSET

Number of persons who participated in this project Members: 37  
Electees: 0
(Please attach a list of names.)

Hours spent on this project.  
Organizing: 10
Participating: 74

DESCRIPTION:

I. General Description:
A banquet was held following the initiation ceremony to allow the new members and their families time to celebrate the special day and inform them of the objectives and purpose of Tau Beta Pi. We also honored our newly elected Eminent Engineer, who gave a short speech following the meal. The families were given the chance to view the Tau Beta Pi video and to meet with a current member while their family member was being initiated.

II. Purpose & Relationship to Objectives of TBP:
The banquet conveys the spirit of Tau Beta Pi to the newly initiated and the old Tau Bates and to their families.

III. Organization & Administration: (in conjunction with another group? ___ Yes _X_ No  
Current members reserved the campus restaurant for the event and planned the menu. Approximately sixty people attended the banquet.
IV. Cost & Personnel Requirements:
The cost of the meal was $18 per person.

V. Special Problems:
None

VI. Over-all Evaluation/Results (Be Specific):
This project is a tradition of the Ohio Iota Chapter and has remained so because of the outstanding attendance record of the students, families, and faculty members.

VII. Index of Exhibits:

Project name: Large Bent Polishing                          Date(s) of Project: 10/18/16-10/28/16

Project __ Community/ Liberal Culture __ University/ College __ Profession/ Engineering
Area: _X_ Chapter/ Social __Education/ Prof. Dev. __ K-12/MindSET

Number of persons who participated in this project Members: 5
Electees: 19
(Please attach a list of names.)

Hours spent on this project.
Organizing: 3
Participating: 19

DESCRIPTION:

I. General Description:
It is a tradition of the Ohio Iota Chapter to have the initiates polish the large Tau Beta Pi bent outside of the Biggs Engineering Building. This ensures that the bent is prepared for the initiation ceremony as well as better preserved over years of weather.

II. Purpose & Relationship to Objectives of TBP:
This is a good way to get the initiates and the members to interact. It also represents the commitment that will be expected of the initiates as members.

III. Organization & Administration: (in conjunction with another group? ___ Yes _x_ No
We used left over polish and rags from previous years.

IV. Cost & Personnel Requirements:
None
V. Special Problems:
None

VI. Over-all Evaluation/Results (Be Specific):
This is a good project because it gives the initiates a way to express their desire to become a member of Tau Beta Pi and meet current members. It preserves the tradition and history of Tau Beta Pi by cleaning and protecting the bent from future weather.

Organizing: 2
Participating: 37

DESCRIPTION:

I. General Description:
The purpose of this Tau Beta Pi member meeting was to elect officers for the coming school year. Students that were returning in the fall were given a chance to run for any of the eight officer positions.

II. Purpose & Relationship to Objectives of TBP:
This project brought the members of Tau Beta Pi together for a time away from academic and community involvement. This also allowed the chapter to elect new officers.

III. Organization & Administration: (in conjunction with another group? __ Yes  _X_ No

IV. Cost & Personnel Requirements:
None

V. Special Problems:
None
VI. Over-all Evaluation/Results (Be Specific):
Seven juniors were elected to the officer positions. They were given a chance to talk with the previous officers about their duties after elections. The officers were given their first assignment: organize a picnic for the graduating seniors on Honor’s Day.

Officers elected were as follows:
President: Katie Cooperrider (ME)
Vice President: Miranda Huddle (CPE)
Treasurer: Cyler Caldwell (ME)
Recording Secretary: Chelsea Cousins (CE)
Corresponding Secretary: Braden Davies (ME)
Event Chair: Allison Hudson (ME)
Historian: Josh Woods (ME)

         Participating: 37

DESCRIPTION:

I. General Description:
All members were invited to a pizza party held in the Biggs Engineering building. This allowed members to socialize with other members, and to hold a competition to determine the shiniest Bent.

II. Purpose & Relationship to Objectives of TBP:
This project allowed the members of Tau Beta Pi_ to get together for a time away from academic and community involvement. This also allowed a casual environment for conducting a competition for the shiniest Bent.

III. Organization & Administration: (in conjunction with another group?     ___ Yes    ___ No

IV. Cost & Personnel Requirements:
The cost of pizza, pop, and supplies for lunch.

V. Special Problems:
VI. Over-all Evaluation/Results (Be Specific):
The members really enjoyed the food and the time to relax. It also gave the old and newly elected members a chance to meet and become more acquainted with each other. The new members with the best looking bents were awarded gift certificates to a local pizza place.

VII. Index of Exhibits:
Exhibit H

Chapter Project Report
Project number: 26

INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated, but do not send extraneous material that would not be useful to other chapters.

Project name: Chapter Project Report Date(s) of Project: 04/27/17

Project ___ Community/ Liberal Culture ___ University/ College ___ Profession/ Engineering
Area: _X_ Chapter/ Social ___Education/ Prof. Dev. ___ K-12/MindSET

Number of persons who participated in this project Members: 9
Electees: 0
(Please attach a list of names.)

Hours spent on this project. Organizing: 2
Participating: 20

DESCRIPTION:

I. General Description:
Every year the Ohio Iota Chapter compiles a project report to be sent to the National organization as well as the Dean of Engineering at Ohio Northern. Officers updated many reports as the year progressed, but there were still some reports to complete by the end of the school year. An additional meeting was held for current and new officers to work on the project port.

II. Purpose & Relationship to Objectives of TBP:
The report is a requirement for all TBP chapters, but it was an excellent opportunity for the new and old officers to work together. The new officers will now be better prepared to work on next year's report.

III. Organization & Administration: (in conjunction with another group? ___ Yes _x_ No

IV. Cost & Personnel Requirements:
No extra costs were required. TBP officers spent several hours organizing and updating the report.

V. Special Problems:
None

VI. Over-all Evaluation/Results (Be Specific):
The project was extremely successful. The method of updating the reports as the events happen is very effective, and hopefully this method will be used by next year’s officers to an even greater extent.

Number of persons who participated in this project
Members: 20
Electees: 0
(Please attach a list of names.)

Hours spent on this project.
Organizing: 18
Participating: 40

DESCRIPTION:

I. General Description:
The new officers organized a picnic to recognize the senior members during the University established Honors Day. All members and their parents were invited.

II. Purpose & Relationship to Objectives of TBP:
Recognition of the senior’s hard work and celebration of their accomplishments throughout their college career.

III. Organization & Administration: (in conjunction with another group? ___ Yes _X_ No
Organized by the new officers.

IV. Cost & Personnel Requirements:
The Chapter bought the hamburgers, hotdogs, buns, and plates for about 50 people. The new officers prepared the food.

V. Special Problems:
VI. Overall Evaluation/Results (Be Specific):
The picnic was a definite success. Parents had a chance to meet other Tau Beta Pi members and get a better idea of what the organization is all about. Junior and senior members had a chance to socialize one last time before the seniors graduate.

Project __ Community/ Liberal Culture __ University/ College __ Profession/ Engineering
Area: __ Chapter/ Social __ Education/ Prof. Dev. __ K-12/MindSET

Number of persons who participated in this project Members: 1
Electees: 0
(Please attach a list of names.)

Hours spent on this project. Organizing: 1
Participating: 144

DESCRIPTION:

I. General Description:
One member of the Ohio Iota chapter attended the Tau Beta Pi National Convention in San Diego, California, as non-voting delegates. One non-voting delegate attended meetings and went to extra sessions to converse with other officers from other chapters.

II. Purpose & Relationship to Objectives of TBP:
Our chapter got many ideas for chapter activities and helped many other chapters with ideas to increase the participation and effectiveness of their chapters.

III. Organization & Administration: (in conjunction with another group? __ Yes __ No

IV. Cost & Personnel Requirements:
None. All costs were paid by the college of engineering.

V. Special Problems:
None
VI. Over-all Evaluation/Results (Be Specific):
The non-voting delegate learned a lot and was inspired to start new projects that he heard from other chapters. The officers in attendance (both voting/non-voting) also learned about Tau Beta Pi as an organization.

Hours spent on this project.                                      Organizing: 3
Participating: 210

DESCRIPTION:

I. General Description: _
Tau Beta Pi provided one-on-one tutoring sessions for students of the Engineering College. Tutoring sessions covered courses in general engineering, introductory physics, and calculus.

II. Purpose & Relationship to Objectives of TBP:
This project helped to promote the growth and quality of engineering by providing an educational service to future engineers.

III. Organization & Administration: (in conjunction with another group? ___ Yes _X_ No
Tutoring sessions were organized by the vice president of the Tau Beta Pi chapter.

IV. Cost & Personnel Requirements:
Every Wednesday during Fall and Spring semesters, two members of Tau Beta Pi were required to dedicate two hours to prescheduled tutoring sessions.
V. Special Problems:
Previously, it had been difficult to answer all student questions at tutoring because of the diverging knowledge of the spectrum of engineering majors. This year we strived to have one electrical or computer engineering member tutor with one civil or mechanical engineering member. This was a good solution, but it proved difficult to fill all of the spots due to the low number of ECE students in the chapter.

VI. Over-all Evaluation/Results (Be Specific):
Tutoring proved to be a valuable experience for the promotion of scholarship of campus engineering students, while providing leadership roles for current Tau Beta Pi members.

Chapter Project Report

INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated, but do not send extraneous material that would not be useful to other chapters.

Project name: TEAMS Competition

Date(s) of Project:
03/16/2017

Project __ Community/ Liberal Culture __ University/ College __ Profession/
Engineering
Area: __ Chapter/ Social __Education/ Prof. Dev. _X_ K-12/MindSET

Number of persons who participated in this project
Members: 2
Electees: 0
(Please attach a list of names.)

Hours spent on this project.
Organizing: 0
Participating: 12

DESCRIPTION:

I. General Description:
Tau Beta Pi members helped the College of Engineering host a high school level team competition with a focus in STEM fields. The students complete a group test and then are assigned a problem to solve. They must build a prototype with given materials within a time limit and then test the prototype.

II. Purpose & Relationship to Objectives of TBP:
The competition promotes high school level students to excel in STEM fields and to consider the impact that their inventions could make on the community.

III. Organization & Administration: (in conjunction with another group? _X_ Yes ___ No
Members were assigned to posts during the competition.

IV. Cost & Personnel Requirements:
V. Special Problems:
None

VI. Over-all Evaluation/Results (Be Specific):
Participants had the chance to talk with Tau Beta Pi members about their experiences in the field of Engineering and were encouraged to continue to push themselves in all STEM fields.

VII. Index of Exhibits:
None

TEAMS Competition Participants

1. Chelsea Cousins
2. Josh Woods
3. Laurie Laird
4. Heath LeBlanc
5. Julie Hurtig
INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated, but do not send extraneous material that would not be useful to other chapters.

Project name: Update Tau Beta Pi Board          Date(s) of Project: 04/26/2017

Project    __ Community/ Liberal Culture    __ University/ College    __ Profession/ Engineering
Area:    __ Chapter/ Social    __ Education/ Prof. Dev.    __ K-12/MindSET

Number of persons who participated in this project          Members: 4
    Electees: 0
(Please attach a list of names.)

Hours spent on this project.          Organizing: 1
    Participating: 4

DESCRIPTION:

I. General Description: 
 Tau Beta Pi maintains a board at the entrance to the Engineering building listing all members and advisors.

II. Purpose & Relationship to Objectives of TBP:
 This board allows all students to know who is involved in Tau Beta Pi and may be able to assist them in contacting the group.

III. Organization & Administration: (in conjunction with another group?    __ Yes    __ No
 .Members were in charge of individually updating section of the board.

IV. Cost & Personnel Requirements:
 None.

V. Special Problems:
 None.
VI. Over-all Evaluation/Results (Be Specific):
The board was updated to reflect the current members and advisors of Tau Beta Pi.

VII. Index of Exhibits:
None

Update Tau Beta Pi Board Participants

1. Katie Cooperrider
2. Chelsea Cousins
3. Allison Huddle
4. Dan Musci
The Tau Beta Pi Association
Chapter: Ohio Iota

Chapter Project Report
Project number: 32

INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated, but do not send extraneous material that would not be useful to other chapters.

Project name: Signature Sheets
Date(s) of Project: 10/18/16-10/28/16

Project: ___ Community/ Liberal Culture ___ University/ College ___ Profession/ Engineering
Area: ___ Chapter/ Social ___ Education/ Prof. Dev. ___ K-12/MindSET

Number of persons who participated in this project
Members: 0
Electees: 19
(Please attach a list of names.)

Hours spent on this project.
Organizing: 0.5
Participating: 19

DESCRIPTION:

I. General Description:
The tradition of chapter signature sheets required electees to obtain the signature of one Tau Beta Pi Advisor and at least two Ohio Iota student members.

II. Purpose & Relationship to Objectives of TBP:
This project allows electees to meet and become familiar with current student members and Tau Beta Pi advisors. It is also an opportunity for electees to demonstrate their desire to become Ohio Iota members, while not causing too much stress.

III. Organization & Administration: (in conjunction with another group? ___ Yes ___ No
After attending an informational meeting and receiving the required forms, this project was the responsibility of each individual electee.

IV. Cost & Personnel Requirements:
None
V. Special Problems:
None

VI. Over-all Evaluation/Results (Be Specific):
This project was a valuable way to acquaint electees with current advisors and members. By seeking out and conversing with advisors and current members, electees experience the requirements and standards of Tau Beta Pi first hand.

VII. Index of Exhibits:
None

Signature Sheets Participants

Electees
1. Cyler Caldwell
2. Andrew Cody
3. Chelsea Cousins
4. Braden Davies
5. Thomas Golba
6. Alexander Hansen
7. Matthew Harris
8. Charles Henry
9. Landry Hostetler
10. Miranda Huddle
11. Allison Hudson
12. Jonathan Landis
13. Nathan Miller
14. Daniel Musci
15. Jared Orr
16. Ian Simpson
17. Angela Tesny
18. Joshua Woods
19. Tony Schroeder (EMINENT ENGINEER)
Chapter Project Report
Project number: 33

INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated, but do not send extraneous material that would not be useful to other chapters.

Project name: Pie-a-Professor Date(s) of Project: 3/14/17-3/28/17

Project ___ Community/ Liberal Culture ___ University/ College ___ Profession/ Engineering
Area: ___ Chapter/ Social ___Education/ Prof. Dev. ___ K-12/MindSET

Number of persons who participated in this project Members: 10
Electees: 0
(Please attach a list of names.)

Hours spent on this project. Organizing: 2
Participating: 8

DESCRIPTION:

I. General Description:
The fundraiser was kicked off on Pi day and 50 dollars had to be raised to guarantee the professor would be pied. The professors were then pied 2 weeks later.

II. Purpose & Relationship to Objectives of TBP:
This project was a fundraiser for our organization and was also a good social event to bring the College of Engineering together.

III. Organization & Administration: (in conjunction with another group? ___ Yes ___ No

IV. Cost & Personnel Requirements:
20 dollars for whip cream and pie trays

V. Special Problems:
None
VI. Over-all Evaluation/Results (Be Specific):
This project was a successful fundraiser raising around 150 dollars for our chapter and the students enjoyed seeing the professors get pied in the face.

VII. Index of Exhibits:
None

**Pie-a-Professor Participants**

1. Alex Strimbu
2. Rebekah Douglass
3. Ryan Dodds
4. Jordan Reeves
5. Tom Golba
6. Dan Musci
7. Andrew Gordon
8. Eric Baumgartner
9. Mike Rider
10. Laurie Laird
11. Heath LeBlanc
INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated, but do not send extraneous material that would not be useful to other chapters.

Project name: Individual (On-Call) Tutoring Date(s) of Project: 1/16/17-5/12/17

Project __ Community/ Liberal Culture ___X__ University/ College ___ Profession/ Engineering
Area: ___ Chapter/ Social ___X__ Education/ Prof. Dev. ___ K-12/MindSET

Number of persons who participated in this project Members: 3
   Electees: 0
(Please attach a list of names.)

Hours spent on this project. Organizing: 1
   Participating: 35

DESCRIPTION:

I. General Description:
In addition to the weekly tutoring on Wednesdays, some members volunteered to be on-call tutors to underclassmen who needed individual attention.

II. Purpose & Relationship to Objectives of TBP:
This project not only serves the rest of the engineering student body, it promotes the attitude among our members that with knowledge comes the responsibility to help others—academic excellence combined with service.

III. Organization & Administration: (in conjunction with another group? ___ Yes ___X__ No

IV. Cost & Personnel Requirements:
The members have devoted many hours to helping the underclassmen.
V. Special Problems:
None

VI. Over-all Evaluation/Results (Be Specific):
The underclassmen were grateful for the individual attention they receive at hours outside our normal tutoring times. Our members enjoyed the opportunity to use their knowledge to aid fellow students.

VII. Index of Exhibits:
None

Individual Tutoring Participants

Members
1. Chelsea Cousins
2. Ian Simpson
3. Nate Libertowski
INSTRUCTIONS: Please complete each of the seven sections below. Any additional information which may be helpful to another chapter would also be appreciated, but do not send extraneous material that would not be useful to other chapters.

Project name: Robotics Competition Planning                     Date(s) of Project: 3/25/2017

Project   __ Community/ Liberal Culture   _X_ University/ College   __ Profession/ Engineering
Area:   _X_ Chapter/ Social   __Education/ Prof. Dev.   __ K-12/MindSET

Number of persons who participated in this project
Members: 12
Electees: 0
(Please attach a list of names.)

Hours spent on this project.
Organizing: 12
Participating: 0

DESCRIPTION:

I. General Description:
We helped plan out a Collegiate Robotics Competition that would take place in our sports facility.

II. Purpose & Relationship to Objectives of TBP:
This included planning out table layout, concessions, and several other project layout details.

III. Organization & Administration: (in conjunction with another group?   ___ Yes   _X_ No

IV. Cost & Personnel Requirements:
None

V. Special Problems:
None
VI. Over-all Evaluation/Results (Be Specific):
The competition ended up being cancelled due to low registration but the chapter was well prepared to help run the event.

VII. Index of Exhibits:
None

Membership Information

Membership in the Ohio Iota chapter during each semester of the past year is shown in Table 1. One person declined to join and all others accepted the chapter’s invitation for membership and all were initiated in the fall semester. Table 2 shows a summary of the projects with membership participation noted. Two members were on co-op away from the Ada area for the fall semester and one member was gone for the spring semester and thus were not able to participate in any projects.
