DESCRIPTION OR INDEX TO ATTACHED DESCRIPTION:

- I. General Description: The eligibility list was printed and sent to the secretary of each department. The name and address for each was found in the campus phone book. The contact persons were asked to display the list in a location where students would see it and congratulate the invitees.
- II. Purpose & Relationship to Objectives of TBP: The purpose of this project was to make contact with the students and then have them encouraged to join by their peers that saw their name on the list.
- III. Organization & Administration: (in conjunction with another group No) Dr. Ohland produced the list because students do not have access to student records. The list was printed by Sunil and then sent by campus mail.
- IV. Cost & Personnel Requirements: There was no cost for this project except for the paper and ink. This was at the expense of General Engineering.
- V. Special Problems: There were no problems with this. The list was posted in all the engineering buildings. Beth Stephan suggested that we not post this list. Instead, post the new member list. She feels that posting the eligibility list may promote negative talk about Tau Beta Pi.
- VI. Overall Evaluation/Results (Be specific): The students were asked about TBP by their peers and urged to join.
- VII. Index of Exhibits: Eligibility List
