III. Organization & Administration: (in conjunction with another group?) Yes X No

IV. Cost & Personnel Requirements: No Cost

V. Special Problems:

VI. Overall Evaluation/Results (Be Specific): The event went well, although the categories were pretty obscure at times. Friends outside of TBP had joined us, so we had two teams competing against each other. While it would be a great idea for a large turnout of electees, it was not great for the small amount we had that night. I think this was a great event as it exposed some of the members to a local business and allowed them to be competitive and stress free.
