WHY SPONSOR?

- ✓ Reach a diverse group of the **top engineering students and professionals** from around the world at one event
- ✓ Expand your brand or program and cultivate relationships with a **captive, engaged audience**
- ✓ Pair **targeted brand promotion** with meaningful in-person engagement and participate in the Recruiting Fairs
- ✓ Flexible sponsorship opportunities: let us create a **bespoke package** to fit your company's unique needs!
- ✓ Extend your visibility beyond Convention through recognition on our website and in our publications
- ✓ Your contribution supports **valuable leadership training** and professional development for the next generation of problem-solving engineers!

**Let's find the
best sponsorship
package for you!**
